

Lantheus Holdings Announces Senior Leadership Appointment

Jan 13, 2020

Company Appoints Istvan Molnar, M.D. as Chief Medical Officer

NORTH BILLERICA, Mass.--(BUSINESS WIRE)--Jan. 13, 2020-- Lantheus Holdings, Inc. (NASDAQ: LNTH) ("Lantheus"), parent company of Lantheus Medical Imaging, Inc. ("LMI"), a leader in the development, manufacture and commercialization of innovative diagnostic imaging agents and products, today announced the appointment of Istvan Molnar, M.D. as Chief Medical Officer, effective January 6, 2020. In his role, Dr. Molnar will report directly to Lantheus President and Chief Executive Officer, Mary Anne Heino.

"As we continue the significant growth we've achieved at Lantheus, we are thrilled to welcome a strong industry veteran of Istvan's caliber to our executive leadership team," said Mary Anne Heino, President and Chief Executive Officer of Lantheus. "I am confident that Istvan's strengths and capabilities will complement our already exceptional expertise in complex manufacturing, supply chain and commercial excellence, as well as support our long-term growth strategy. We look forward to working with Istvan to broaden our reach in emerging uses of radioisotopes for precision diagnostics and the exciting and expanding field of radiopharmaceuticals in oncology treatment."

Istvan Molnar, M.D. is an oncologist with over 12 years of experience in the pharmaceutical industry and the development of early-, mid- and late-stage oncology drugs. Most recently, Dr. Molnar served as Chief Medical Officer of Fusion Pharmaceuticals, a clinical-stage biopharmaceutical company developing targeted alpha-particle radiotherapeutics for the treatment of cancer. Previously, he served as Vice President of Development at Merrimack Pharmaceuticals for 3 years, where he was responsible for development in the liposomal franchise. Prior to his role at Merrimack, Dr. Molnar worked at Bayer HealthCare for almost 7 years, serving in several roles, including Deputy Director of Global Medical Affairs, Director of Global Medical Affairs, Director of Clinical Development/Global Clinical Lead. Before starting his career in the pharmaceutical industry, Dr. Molnar practiced medicine as an internist for 3 years. After completing his fellowship in hematology and oncology at the Wake Forest University School of Medicine, Dr. Molnar became an Assistant Professor at the University, focusing on the care of patients with hematological malignancies for 5 years. Dr. Molnar earned his MD from Semmelweis Medical School in Budapest and achieved board certification in the United States in internal medicine, hematology and oncology.

About Lantheus Holdings, Inc. and Lantheus Medical Imaging, Inc.
