

Lantheus Announces Appointment of Amanda Morgan as Senior Vice President, Commercial

November 29, 2022

NORTH BILLERICA, Mass., Nov. 29, 2022 (GLOBE NEWSWIRE) -- Lantheus Holdings, Inc. ("the Company") (NASDAQ: LNTH), a company committed to improving patient outcomes through diagnostics, radiotherapeutics and artificial intelligence solutions that enable clinicians to Find, Fight and Follow disease, today announced the appointment of Amanda Morgan as Senior Vice President, Commercial. Ms. Morgan will report to Paul Blanchfield, Lantheus' Chief Operating Officer, and will be responsible for leading all of the Company's commercial activities, including Sales, Marketing, and Market Access.

"I am pleased to welcome Amanda to Lantheus," said Paul Blanchfield. "Amanda has strong commercial expertise and is an exceptional leader of people and culture. I am confident in her ability to lead our commercial organization and ensure we continue to create value for patients, customers, and shareholders."

Ms. Morgan is an established commercial leader with more than 20 years of experience in the healthcare industry. She was most recently the Chief Revenue and Customer Officer at Acadia Pharmaceuticals where she led the commercial organization. Prior to her time at Acadia, Ms. Morgan held roles of increasing responsibility at Shire Plc and was the former U.S. Head of Sales and U.S. Head of Patient Services, supporting multi-billion-dollar pharmaceutical businesses. Ms. Morgan earned her Bachelor of Business Administration degree from The University of Iowa.

"I am thrilled to join Lantheus and support the Company's purpose to Find, Fight and Follow disease to deliver better patient outcomes," said Ms. Morgan. "Lantheus has a long history of delivering life-changing science to patients and providers and is committed to being a leader in the markets in which it competes. I am excited to join a patient-focused company and look forward to partnering with the talented team to build upon its success and advance its diverse portfolio of products."
