BEDFORD, Mass., Aug. 03, 2023 (GLOBE NEWSWIRE) -- Lantheus Holdings, Inc. (the Company) (NASDAQ: LNTH), a company committed to improving patient outcomes through diagnostics, radiotherapeutics and artificial intelligence solutions that enable clinicians to Find, Fight and Follow disease, today reported financial results for its second quarter ended June 30, 2023.

The Company's worldwide revenue for the second quarter of 2023 totaled \$321.7 million, compared with \$223.7 million for the second quarter of 2022, representing an increase of 43.8% over the prior year period.

The Company's second quarter 2023 GAAP net income was \$94.1 million, or \$1.33 per fully diluted share, as compared to GAAP net income of \$43.1 million, or \$0.61 per fully diluted share for the second quarter of 2022.

The Company's second quarter 2023 adjusted fully diluted net income per share, or earnings per share ("EPS"), was \$1.54, as compared to \$0.89 for the second quarter of 2022, representing an increase of approximately \$0.66 from the prior year period.

Lastly, net cash used in operating activities was \$32.3 million for the second quarter 2023. Free Cash Flow was \$(43.0) million in the second quarter of 2023, representing a decrease of approximately \$111.2 million from the prior year period.

"We are excited to announce solid quarterly earnings driven by the continued uptake of PSMA PET with PYLARIFY® and sustained growth of DEFINITY®. Our commitment to innovation and excellence enabled us to impact the lives of over three million patients in the first half of this year," said Mary Anne Heino, Chief Executive Officer of Lantheus. "We look forward to sustaining growth in the second half of the year, advancing our radiopharmaceutical pipeline, and continuing to Find, Fight and Follow disease to deliver better patient outcomes."

The Company updates its guidance for full year 2023 and offers the following guidance for the third quarter:

	Guidance Issued August 3, 2023	Previous Guidance Issued May 4, 2023
Q3 FY 2023 Revenue	\$310 million - \$315 million	N/A
Q3 FY 2023 Adjusted Fully Diluted EPS	\$1.30 - \$1.35	N/A
	Guidance Updated August 3, 2023	FY Guidance Issued May 4, 2023
FY 2023 Revenue	\$1.245 billion - \$1.27 billion	\$1.23 billion - \$1.27 billion
FY 2023 Adjusted Fully Diluted EPS	\$5.60 - \$5.70	\$5.45 - \$5.70

On a forward-looking basis, the Company does not provide GAAP income per common share guidance or a reconciliation of adjusted fully diluted EPS to GAAP income per common share because the Company is unable to predict with reasonable certainty business development and acquisition related expenses, purchase accounting fair value adjustments, and any one-time, non-recurring charges. These items are uncertain, depend on various factors, and could be material to results computed in accordance with GAAP. As a result, it is the Company's view that a quantitative reconciliation of adjusted fully diluted EPS on a forward-looking basis is not available without unreasonable effort.

The Company routinely posts information that may be important to investors in the "Investors" section of its website at www.lantheus.com. The Company encourages investors and potential investors to consult its website regularly for important information about the Company.

Conference Call and Webcast

As previously announced, the Company will host a conference call and webcast on Thursday, August 3, 2023, at 8:00 a.m. ET. To access the conference call or webcast, participants should register online at <https://investor.lantheus.com/news-events/calendar-of-events>.

A replay will be available approximately two hours after completion of the webcast and will be archived on the same web page for at least 30 days.

The conference call will include a discussion of non-GAAP financial measures. Reference is made to the most directly comparable GAAP financial measures, the reconciliation of the differences between the two financial measures, and the other information included in this press release, our Form 8-K filed with the SEC today, or otherwise available in the Investor Relations section of our website located at www.lantheus.com.

The conference call may include forward-looking statements. See the cautionary information about forward-looking statements in the safe-harbor section of this press release.

About Lantheus Holdings, Inc.

Non-GAAP Financial Measures

The Company uses non-GAAP financial measures, such as adjusted net income and its line components; adjusted net income per share - fully diluted; and free cash flow. The Company's management believes that the presentation of these measures provides useful information to investors. These measures may assist investors in evaluating the Company's operations, period over period. However, these measures may exclude items that may be highly variable, difficult to predict and of a size that could have a substantial impact on the Company's reported results of operations for a particular period. Management uses these and other non-GAAP measures internally for evaluation of the performance of the business, including the allocation of resources and the evaluation of results relative to employee performance compensation targets. Investors should consider these non-GAAP measures only as a supplement to, not as a substitute for or as superior to, measures of financial performance prepared in accordance with GAAP.

Safe Harbor for Forward-Looking and Cautionary Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, as amended, that are subject to risks and uncertainties and are made pursuant to the safe harbor provisions of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements may be identified by their use of terms such as "anticipate," "believe," "confident," "continue," "could," "estimate," "expect," "guidance," "intend," "introduce," "may," "momentum," "plan," "predict," "progress," "project," "promising," "should," "target," "will," "would" and other similar terms. Such forward-looking statements are based upon current plans, estimates and expectations that are subject to risks and uncertainties that could cause actual results to materially differ from those described in the forward-looking statements. The inclusion of forward-looking statements should not be regarded as a representation that such plans, estimates and expectations will be achieved. Readers are cautioned not to place undue reliance on the forward-looking statements contained herein, which speak only as of the date hereof. The Company undertakes no obligation to publicly update any forward-looking statement, whether as a result of new information, future developments or otherwise, except as may be required by law. Risks and uncertainties that could cause our actual results to materially differ from those described in the forward-looking statements include: (i) continued market expansion and penetration for our established commercial products, particularly PYLARIFY and DEFINITY, in a competitive environment in which other imaging agents have been approved and are being commercialized, and our ability to clinically and commercially differentiate our products from other products; (ii) our ability to have third parties manufacture our products and our ability to manufacture DEFINITY in our in-house manufacturing facility; (iii) the global availability of Molybdenum-99 ("Mo-99") and other raw material and key components; (iv) the efforts and timing for clinical development, regulatory approval and successful commercialization of our product candidates and new clinical applications and territories for our products, in each case, that we or our strategic partners may undertake; (v) our strategies, future prospects, and our projected growth, including revenue related to our collaboration agreements with POINT Biopharma Global Inc.; (vi) our ability to successfully continue existing clinical development partnerships using MK-6240 as a research tool and to further develop and commercialize such research tool; (vii) our ability to identify and acquire or in-license additional diagnostic and therapeutic product opportunities in oncology and other strategic areas; and (viii) the risk and uncertainties discussed in our filings with the Securities and Exchange Commission (including those described in the Risk Factors section in our Annual Reports on Form 10-K and our Quarterly Reports on Form 10-Q).
