FOR IMMEDIATE RELEASE**Lantheus Medical Imaging Announces Chief Financial Officer Transition**

No. BILLERICA, Mass. (July 11, 2013) — Lantheus Medical Imaging, Inc., a global leader in developing, manufacturing and distributing innovative diagnostic imaging agents, today announced that Jeffrey E. Young, Chief Financial Officer, is leaving the Company to take a new position. John Golubieski will serve as the Company's interim Chief Financial Officer. Mr. Young will remain with the Company through August 9, 2013 as Chief Financial Officer and will work with Mr. Golubieski to assure a smooth transition.

"In his five years with the Company, including in connection with multiple financings and the transition to becoming a public reporting company, Jeff Young's leadership has been commendable," said Jeff Bailey, President and Chief Executive Officer of Lantheus. "On behalf of the Board and everyone at Lantheus, I would like to thank Jeff for all of his contributions and wish him every success in his new endeavor."

Mr. Golubieski, age 48, brings extensive financial and business leadership experience to Lantheus. He most recently served from July 2011 to October 2012 as Chief Financial Officer of Fougera Pharmaceuticals, Inc. Prior to joining Fougera, from October 2005 to June 2011, Mr. Golubieski served as Senior Vice President — Financial Planning and Analysis of King Pharmaceuticals, Inc. From August 1989 until October 2005, Mr. Golubieski served in a number of capacities of increasing responsibility at Bristol-Myers Squibb Company in business and financial planning and analysis, and business and product development. From July 1987 until August 1989, Mr. Golubieski served as a staff accountant at Price Waterhouse. Mr. Golubieski holds a Bachelor of Science degree in Commerce and a master's degree in Business Administration, both from Rider University.

"I know John very well from our prior experiences at Fougera and King Pharmaceuticals," said Mr. Bailey. "His strong and diverse background makes him the ideal candidate to step into this important role at a time when we have established positive momentum year-to-date. I am

excited about the prospects for our commercial products and our clinical development candidates, and John's experience will be very helpful to us in these areas. Because the appropriate use of diagnostic medical imaging can improve patient outcomes and save the system money, I believe we are strongly positioned for future growth."
