**Explanation of Responses:**

1. The reported transactions involve an amendment applicable to outstanding vested options, resulting in the deemed cancellation of the "old" options and the grant of replacement options. The options were originally granted on March 4, 2013 and provide for vesting in up to four equal annual installments, based on the level of LNTN's satisfaction of certain performance criteria for each of fiscal years 2013, 2014, 2015 and 2016. The amendment provides for additional vesting on the third anniversary of the amendment date (or the day before any earlier expiration) of any options that remain unvested at that time.
