(the “Company”) on March 17, 2023 solely to add a new sentence to the end of paragraph one under Item 5.02 below. All other information in the Initial 8-K remains unchanged.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 4, 2023, the Compensation Committee of the Board of Directors of Lantheus Holdings, Inc. (the “Company”) appointed Paul Blanchfield as the President of the Company and its subsidiaries, effective March 20, 2023. With the effectiveness of this appointment, the roles of President and Chief Executive Officer of the Company, currently held by Mary Anne Heino, will be split, and Ms. Heino will continue as the Chief Executive Officer and principal executive officer of the Company.

Mr. Blanchfield, 42, has previously served as the Company’s Chief Operating Officer since June 2022, and as Commercial Officer since January 2020. Throughout his career in healthcare he has held a variety of leadership roles in sales, marketing, strategy, and operations. The equity incentive awards will be comprised of (i) 50% of the aggregate value of the equity incentive award granted in the form of performance stock units with vesting determined based on relative total shareholder return (“rTSR”), which is determined by comparing the performance of the Company’s share value (including stock price and the value of distributions made to stockholders) against companies in the S&P 400 Health Care Index over a cumulative three-year performance period measured from January 1, 2023 to December 31, 2025, with a payout range from 0% to 200%, depending on the Company’s rTSR performance, (ii) 25% of the aggregate value of the equity incentive award granted in the form of restricted stock units with vesting in three equal annual installments over three years, and (iii) 25% of the aggregate value of the equity incentive award granted in the form of stock options, with the number of underlying shares determined in reference to the Black-Scholes value of the stock options on April 15, 2023, and with vesting in three equal annual installments over three years.

There are no arrangements or understandings between Mr. Blanchfield and any other persons pursuant to which he was appointed as President, there are no family relationships among any of the Company’s directors or executive officers, and Mr. Blanchfield has no direct or indirect material interest in any transaction required to be disclosed pursuant to Item 404(a) of Regulation S-K.
