Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 8.01 Other Events

On August 15, 2023, Progenics Pharmaceuticals, Inc., a wholly-owned subsidiary of Lantheus Holdings, Inc. (the “Company”), announced that it has made the decision to discontinue the production and promotion of AZEDRA and will be winding down its Somerset, NJ manufacturing site. While the Company believes AZEDRA has made a difference in patients’ lives, the combination of limited usage and fixed costs associated with the manufacturing of AZEDRA make the continued manufacturing and promotion of the product untenable. The Company’s current intent is to continue manufacturing AZEDRA into the first quarter of 2024, to the extent feasible, with the goal of providing doses of AZEDRA to current patients so they can complete their treatment regimen.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
