

Lantheus Medical Imaging, Inc. Recognized as Top-Performing Supplier by Premier Purchasing Partners, L.P.

June 9, 2010 4:09 PM ET

N. BILLERICA, Mass. (June 9, 2010) – [Lantheus Medical Imaging, Inc.](#), a worldwide leader in diagnostic medical imaging, today announced that the company has received a [Supplier Pinnacle Award](#) for outstanding performance as a contracted supplier from [Premier Purchasing Partners, L.P.](#), the nation's largest healthcare Group Purchasing Organization (GPO). The award was presented today at Premier's Annual Breakthroughs Conference and Exhibition 2010 in Washington, D.C.

Lantheus Medical Imaging is part of an elite group of 38 out of more than 800 Premier contracted suppliers to receive the Pinnacle Award. The annual Pinnacle Award recognizes contracted suppliers for their outstanding management of Premier agreements and drive toward the mutual goal of providing clinical and financial value to the not-for-profit hospitals that are members of the Premier alliance.

"We are honored that Premier has once again selected Lantheus to win an award, thereby recognizing the company's ongoing commitment to delivering outstanding customer service," said Robert Spurr, Vice President, Sales and Marketing of Lantheus Medical Imaging. "We look forward to continuing to strengthen the partnership we've established with Premier over the past six years and we support Premier's focus on improving community health."

"The Pinnacle Award honors Premier valued suppliers that strive for collaboration and performance excellence to benefit the alliance, and we are honored to recognize these top performers," said [Premier Purchasing Partners](#) President Mike Alkire.

About Lantheus Medical Imaging, Inc.

Lantheus Medical Imaging, Inc., a worldwide leader in diagnostic medicine for more than 50 years, is dedicated to creating and providing pioneering medical imaging solutions to improve the treatment of human disease. The company's proven success in discovering, developing and marketing innovative medical imaging agents provides a strong platform from which to bring forward breakthrough new tools for the diagnosis and management of disease. Lantheus imaging products include the echocardiography contrast agent DEFINITY® Vial for (Perflutren Lipid Microsphere) Injectable Suspension, ABLAVAR® (gadofosveset trisodium), a first-in-class magnetic resonance agent indicated for the evaluation of aortoiliac occlusive disease in adults with known or suspected peripheral vascular disease, TechnoLite® (Technetium Tc99m Generator), Cardiolite® (Kit for the Preparation of Technetium Tc99m Sestamibi for Injection), and Thallium 201 (Thallous Chloride Tl 201 Injection). Lantheus has more than 600 employees worldwide with headquarters in North Billerica, Massachusetts, and offices in Puerto Rico, Canada and Australia. For more information, visit www.lantheus.com.

About the Premier healthcare alliance, 2006 Malcolm Baldrige National Quality Award recipient

Premier is a performance improvement alliance of more than 2,300 U.S. hospitals and 66,000-plus other healthcare sites working together to achieve high quality, cost-effective care. Owned by not-for-profit hospitals, Premier maintains the nation's most comprehensive repository of clinical, financial and outcomes information and operates a leading healthcare purchasing network. A world leader in helping deliver measurable improvements in care, Premier works with the Centers for Medicare & Medicaid Services and the United Kingdom's National Health Service North West to improve hospital performance. Headquartered in Charlotte, N.C., Premier also has offices in San Diego, Philadelphia and Washington. www.premierinc.com
