On November 20, 2024, Lantheus Holdings, Inc. (the “Company”) issued a press release announcing that its board of directors has authorized a program to repurchase up to \$250 million of its common stock during the next twelve months. Such repurchases may be made from time to time through open market transactions at prevailing market prices, in privately negotiated transactions and/or through other legally permissible means, depending on market conditions and in accordance with applicable rules and regulations. The actual timing, number, and dollar amount of repurchase transactions will be determined by the Company’s management at its discretion and will depend on a number of factors including, but not limited to, the market price of the Company’s common stock. The Company may also establish 10b5-1 trading plans from time to time that will provide flexibility if and when it buys back its common stock. A copy of the press release announcing the share repurchase program is attached hereto as Exhibit 99.1.

## Lantheus Announces Share Repurchase Program

BEDFORD, Mass., November 20, 2024 (GLOBE NEWSWIRE) — Lantheus Holdings, Inc. (Lantheus or the Company) (NASDAQ: LNTH), the leading radiopharmaceutical-focused company committed to enabling clinicians to Find, Fight and Follow disease to deliver better patient outcomes, announces that its board of directors has authorized a program to repurchase up to \$250 million of its common stock during the next twelve months.

“With our strong financial position and the Board’s commitment to shareholder value, this share repurchase program reflects our confidence in Lantheus’ continued radiopharmaceuticals leadership and ability to drive long-term, sustainable growth,” said Brian Markison, Chief Executive Officer of Lantheus. “We intend to commence repurchases in the fourth quarter of this year and opportunistically return capital to shareholders over the next twelve months while simultaneously pursuing business development to expand our radiopharmaceutical portfolio.”

Such repurchases may be made from time to time through open market transactions at prevailing market prices, in privately negotiated transactions, and through other legally permissible means, depending on market conditions and in accordance with applicable rules and regulations. The actual timing, number, and dollar amount of repurchase transactions will be determined by the Company’s management at its discretion and will depend on a number of factors including, but not limited to, the market price of the Company’s common stock. The Company may also establish 10b5-1 trading plans to provide flexibility if and when it buys back its common stock.
