Item 1.01 Entry into a Material Definitive Agreement

Amended and Restated Agreement and Plan of Merger

On February 20, 2020, Lantheus Holdings, Inc. (“Lantheus Holdings”) and Plato Merger Sub, Inc., a wholly owned subsidiary of Lantheus Holdings (“Merger Sub”), entered into an Amended and Restated Agreement and Plan of Merger (the “Amended and Restated Merger Agreement”) with Progenics Pharmaceuticals, Inc. (“Progenics”), pursuant to which Merger Sub will merge with and into Progenics, with Progenics surviving as a wholly owned subsidiary of Lantheus Holdings (the “Merger”). The Amended and Restated Merger Agreement amends and restates in its entirety the Agreement and Plan of Merger, dated as of October 1, 2019 (the “Original Agreement”), by and among Lantheus Holdings, Merger Sub and Progenics.

Pursuant to the Amended and Restated Merger Agreement, Lantheus Holdings and Progenics have agreed to revise the terms of their previously announced merger transaction to provide that each share of Progenics common stock issued and outstanding immediately prior to the effective time of the Merger (other than certain excluded shares as described in the Amended and Restated Merger Agreement) will automatically be converted into the right to receive (i) 0.31 (the “Exchange Ratio”) of a share of Lantheus Holdings common stock (“Lantheus Common Stock”), instead of 0.2502 as provided in the Original Agreement and (ii) a contractual contingent value right (“CVR”) issued by Lantheus Holdings subject to and in accordance with the Contingent Value Rights Agreement described below. Progenics’ stockholders will also be entitled to appraisal rights as provided under Delaware law.

In addition, pursuant to the Amended and Restated Merger Agreement, the holder of each in-the-money option to purchase shares of Progenics common stock under any equity based compensation plan of Progenics (“Progenics Stock Option”) will be entitled to receive in exchange for each such in-the-money option (i) an option to purchase Lantheus Common Stock (each, a “Lantheus Stock Option”) converted based on the Exchange Ratio and (ii) a vested or unvested CVR depending on whether the underlying option is vested. Holders of out-of-the-money Progenics Stock Options will receive Lantheus Stock Options converted on an exchange ratio adjusted based on actual trading prices of common stock of Progenics and Lantheus Holdings prior to the effective time of the Merger.

The Amended and Restated Merger Agreement also provides that, at the effective time of the Merger, the board of directors of Lantheus Holdings (the “Lantheus Board”) will appoint Dr. Gerard Ber and Mr. Heinz Mausli (each, a “Progenics Director”), who are currently members of the board of directors of Progenics, to serve on the Lantheus Board. The Lantheus Board shall, subject to complying with their applicable fiduciary duties, use commercially reasonable efforts to cause each of the Progenics Directors to be nominated for reelection at any annual meeting of Lantheus Holdings’ stockholders following the closing and held in or prior to 2023 to the extent that such Progenics Director’s term would or has expired on or prior to the date of such annual meeting. In addition, the Lantheus Board shall take such actions as are necessary so that there are (1) a total of nine members of the Lantheus Board as of the effective time of the Merger, after giving effect to the appointments of the Progenics Directors and (2) a total of eight members of the Lantheus Board, including the Progenics Directors, prior to the date of Lantheus Holdings’ 2021 annual meeting of stockholders.

Except as set forth above, the material terms of the Amended and Restated Merger Agreement are substantially the same as the terms of the Original Merger Agreement, which was previously filed as Exhibit 2.1 to the Current Report on Form 8-K filed with the Securities and Exchange Commission (“SEC”) on October 1, 2019.

The foregoing description of the Merger and the Amended and Restated Merger Agreement is not complete and is qualified in its entirety by the full text of the Amended and Restated Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and the terms of which are incorporated herein by reference.

Form of Contingent Value Rights Agreement

Pursuant to the Amended and Restated Merger Agreement, at or immediately prior to the effective time of the Merger, Lantheus Holdings and a rights agent selected by Lantheus Holdings and reasonably acceptable to Progenics will enter into a Contingent Value Rights Agreement (the "Contingent Value Rights Agreement") governing the terms of the CVRs issued as part of the merger consideration. Each CVR will entitle its holder to receive the right to his, her or its pro rata share of aggregate cash payments equal to 40% of U.S. net sales generated by PyL™ (18F-DCFPyL) in calendar years 2022 and 2023 in excess of \$100 million and \$150 million, respectively. Holders will not be permitted to transfer CVRs unless such transfer is made in accordance with the Contingent Value Rights Agreement. In no event will the aggregate amount of payments by Lantheus Holdings under the Contingent Value Rights Agreement exceed an amount equal to 19.9% of the total consideration paid by Lantheus Holdings in the Merger. CVRs will not have any voting or dividend rights.

The foregoing description of the form of Contingent Value Rights Agreement is not complete and is qualified in its entirety by the full text of the Contingent Value Rights Agreement, a copy of which is attached hereto as Exhibit 10.1 and the terms of which are incorporated herein by reference.

THE MERGER

Section 2.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement and in accordance with the DGCL, at the Effective Time, Merger Sub will merge with and into the Company, and the separate existence of Merger Sub shall cease. The Company shall continue as the surviving corporation and as a wholly-owned Subsidiary of Parent and shall continue to be governed by the Laws of the State of Delaware (as

such, the “Surviving Corporation”). At the Effective Time, the effect of the Merger shall be as provided in this Agreement, the Certificate of Merger and the applicable provisions of the DGCL. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, all of the property, rights, privileges, powers and franchises of the Company and Merger Sub shall vest in the Surviving Corporation, and all debts, liabilities and duties of the Company and Merger Sub shall become the debts, liabilities and duties of the Surviving Corporation.

Section 2.2 Closing. The closing of the Merger (the “Closing”) shall take place at the offices of White & Case LLP, 1221 Avenue of the Americas, New York, New York 10020-1095, at 8:00 a.m., New York time, on the third Business Day following the satisfaction or (to the extent permitted by applicable Law) waiver by the party or parties entitled to the benefits of the conditions set forth in Article VIII (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or (to the extent permitted by applicable Law) waiver of those conditions), or at such other place, time and date as shall be agreed in writing between the Company and Parent. Section 2.3 Effective Time. Subject to the provisions of this Agreement, on the Closing Date, Parent and the Company shall file a certificate of merger relating to the Merger as contemplated by the DGCL (the “Certificate of Merger”) with the Secretary of State of the State of Delaware (the “Secretary of State”), in such form as required by, and executed in accordance with, the DGCL. Section 2.6 Effect on Capital Stock.

(a) At the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company or any stockholder of the Company, each share of common stock of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into one fully paid and nonassessable share of common stock, par value \$0.001 per share, of the Surviving Corporation (the “Surviving Corporation Common Stock”) and shall constitute the only outstanding shares of Surviving Corporation Common Stock.

(b) At the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company or any stockholder of the Company, subject to the provisions of this Article II and Article III, each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than shares of Company Common Stock owned by Parent, the Company or any of their respective wholly-owned Subsidiaries and the Dissenting Shares) shall, by virtue of this Agreement and without any action on the part of the holder thereof, be converted into and shall thereafter represent the right to receive (i) 0.31 of a share of Parent Common Stock (the "Exchange Ratio" and, such shares, the "Stock Consideration"), without interest, and (ii) one contractual contingent value right per share of Company Common Stock (each a "CVR" and, together with the Stock Consideration, the "Merger Consideration"), which shall represent the right to receive up to two contingent payments, if any, upon the achievement of certain milestones at the times and subject to the terms and conditions of the CVR Agreement, net to the holder thereof in cash, subject to reduction for any applicable withholding taxes in respect thereof, without interest.

(c) From and after the Effective Time, none of the Company Common Stock converted into the Merger Consideration pursuant to this Article II shall remain outstanding and all such shares of Company Common Stock shall automatically be cancelled and retired and shall cease to exist, and each holder of a certificate previously representing any such Company Common Stock (a "Certificate") or shares of Company Common Stock that are in non-certificated book entry form ("Book-Entry Shares") (other than the Dissenting Shares) shall thereafter cease to have any rights with respect thereto, except the right to receive (i) the Merger Consideration, (ii) any cash to be paid in lieu of any fractional share of Parent Common Stock in accordance with Section 3.5 (No Fractional Shares) and (iii) any dividends in accordance with Section 3.1(f) (Dividends), in each case, without interest.

(d) If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of Parent Common Stock or Company Common Stock shall occur by reason of any reclassification, recapitalization, stock split or combination, exchange or readjustment of shares, or any stock dividend thereon with a record date during such period, the Exchange Ratio, the Merger Consideration and any other similarly dependent items, as the case may be, shall be appropriately adjusted to provide the holders of Company Common Stock the same economic effect as contemplated by this Agreement prior to such event; provided, however, that this sentence shall not be construed to permit Parent or the Company to take any action with respect to its Securities that is prohibited by the terms of this Agreement.

(e) At the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company or any stockholder of the Company, all shares of Company Common Stock that are owned by Parent or the Company or any of their respective wholly-owned Subsidiaries shall be cancelled and retired and shall cease to exist and no consideration shall be delivered in exchange therefor.

(f) Notwithstanding anything to the contrary contained in this Agreement, the CVR Agreement or otherwise, in no event shall the sum of (i) the aggregate amount of payments paid or payable pursuant to the CVR Agreement (including any interest on such amounts paid or payable to the Rights Agent or any Holders (as defined in the CVR Agreement) under the CVR Agreement) and (ii) the amount of any other cash or the fair market value of any property (other than the Parent Common Stock or the CVRs) paid or payable to the Company stockholders as consideration pursuant to this Agreement (A) exceed 19.9% of the aggregate amount of consideration paid or payable to the Company stockholders in the Merger or (B) constitute an amount the payment of which, in the opinion of nationally recognized tax counsel, would more likely than not prevent the Merger from satisfying the requirement of Section 368(a)(2)(E)(ii) of the Code.

Section 2.7 Treatment of the Company Stock Options.

(a) Each In-the-Money Option outstanding and unexercised immediately before the Effective Time shall, as of the Effective Time, automatically and without any action on the part of the holder thereof, be assumed by Parent and converted into a Parent Stock Option to purchase (a) that number of shares of Parent Common Stock (rounded down to the nearest whole share) equal to the product obtained by multiplying (i) the total number of shares of Company Common Stock subject to such In-the-Money Option immediately prior to the Effective Time by (ii) the Exchange Ratio, (b) at a per-share exercise price (rounded up to the nearest whole cent) equal to the quotient obtained by dividing (i) the exercise price per share of Company Common Stock at which such In-the-Money Option was exercisable immediately prior to the Effective Time by (ii) the Exchange Ratio (each, an “In-the-Money Assumed Option”). Each such In-the-Money Assumed Option shall continue to have, and shall be subject to, the same terms and conditions (including the applicable time-vesting and/or performance-vesting conditions and any provisions for accelerated vesting) as applied to the corresponding In-the-Money Option immediately prior to the Effective Time. In addition to an In-the-Money Assumed Option, each holder of an In-the-Money Option outstanding and unexercised immediately before the Effective Time shall, as of the Effective Time, also receive either (A) with respect to an In-the-Money Option that is vested immediately prior to the Effective Time (each, a “Vested In-the-Money Option”), one fully vested CVR for each share of Company Common Stock underlying such vested In-the-Money Option that will be payable under the terms, including timing of payment, of the applicable CVR Agreement (each, a “Vested CVR”) or (B) with respect to any In-the-Money Option that is not vested immediately prior to the Effective Time (each, an “Unvested In-the-Money Option”), an unvested CVR for each share of Company Common Stock underlying such Unvested In-the-Money Option that will be subject to vesting upon the same time-vesting schedule that applied to the corresponding In-the-Money Option that will be payable under the terms, including timing of payment, of the applicable CVR Agreement (each, an “Unvested CVR”), provided that if the holder of such Unvested CVR is employed or in the service of Parent, the Surviving Corporation or one of their Subsidiaries on the date a payment is due under the applicable CVR Agreement, then such Unvested CVR will be deemed vested on such date with respect to such payment. In the event that the employment or other service with Parent, the Surviving Corporation or one of their Subsidiaries of a holder of an Unvested CVR is terminated for any reason prior to the vesting of the Unvested CVR for any reason that would trigger the forfeiture of the corresponding Unvested In-the-Money Option, such Unvested CVR will be forfeited without payment.

(b) Each Out-of-the-Money Option outstanding and unexercised immediately before the Effective Time shall, as of the Effective Time, automatically and without any action on the part of the holder thereof, be assumed by Parent and converted into a Parent Stock Option to purchase (a) that number of shares of Parent Common Stock (rounded down to the nearest whole share) equal to the product obtained by multiplying (i) the total number of shares of Company Common Stock subject to such Out-of-the-Money Option immediately prior to the Effective Time by (ii) the Out-of-the-Money Exchange Ratio, (b) at a per-share exercise price (rounded up to the nearest whole cent) equal to the quotient obtained by dividing (i) the exercise price per share of Company Common Stock at which such Company Stock Option was exercisable immediately prior to the Effective Time by (ii) the Out-of-the-Money Exchange Ratio (each, an “Out-of-the-Money Assumed Option”). Each such Out-of-the-Money Assumed Option shall continue to have, and shall be subject to, the same terms and conditions (including the applicable time-vesting and/or performance-vesting conditions and any provisions for accelerated vesting) as applied to the corresponding Out-of-the-Money Option immediately prior to the Effective Time.

(c) Prior to the Effective Time, the Board of Directors of the Company (or, if appropriate, any committee thereof administering the Company Stock Plan) and the Board of Directors of Parent (or if appropriate, any committee thereof administering the Parent Stock Plan) shall each pass resolutions to effect the foregoing provisions of this Section 2.7.

Section 2.8 Appraisal Rights. Notwithstanding anything in this Agreement to the contrary, if required by the DGCL (but only to the extent required thereby) any shares of Company Common Stock that are issued and outstanding immediately prior to the Effective Time and that are held by holders who have not voted such shares of Company Common Stock in favor of the adoption of this Agreement and who are entitled to and have properly demanded appraisal rights with respect thereto in accordance with Section 262 of the DGCL, have complied in all respects with Section 262 of the DGCL and have not effectively withdrawn such demand (collectively, “Dissenting Shares”) shall not be converted into the right to receive the Merger Consideration as provided in Section 2.6(b), unless and until such Person shall have effectively withdrawn or otherwise lost or failed to perfect such Person’s right to appraisal or payment under the DGCL, at which time (a) such shares of Company Common Stock shall be treated as if they had been converted into and become exchangeable for the right to receive, as of the Effective Time, the Merger Consideration as provided in Section 2.6(b), without interest and after giving effect to any required Tax withholdings pursuant to Section 3.3, (b) such shares of Company Common Stock shall not be deemed Dissenting Shares and (c) such holder thereof shall cease to have any other rights with respect to such shares of Company Common Stock. Each Dissenting Share shall no longer be outstanding, shall automatically be canceled and extinguished and shall cease to exist at the Effective Time, and each holder of Dissenting Shares shall be entitled to receive only the payment of the fair value of such Dissenting Shares in accordance with the provisions of, and as provided by, Section 262 of the DGCL with respect to such Dissenting Shares unless and until such Person shall have effectively withdrawn or otherwise lost or failed to perfect such Person’s right to appraisal or payment under the DGCL. The Company shall give Parent prompt written notice of any written demands for appraisal or withdrawals of such demands, and any other instruments served pursuant to applicable Law that are received by the Company relating to stockholders’ rights of appraisal. The Company shall not, except with the prior written consent of Parent, and prior to the Effective Time, Parent shall not, except with the prior written consent of the Company, make any payment with respect to any demands for appraisal or offer to settle or compromise, or settle or compromise or otherwise negotiate, any such demands, or approve any withdrawal of any such demands, or waive any failure to timely deliver a written demand for appraisal or otherwise to comply with the provisions under Section 262 of the DGCL, or agree to do any of the foregoing.

Section 2.9 Parent Board. The Board of Directors of Parent shall appoint Dr. Gerard Ber and Mr. Heinz Mausli (the “Company Directors”) to serve, effective as of the Effective Time, on the Board of Directors of Parent. In addition, the Board of Directors of Parent shall take such actions as are necessary so that there are a total of nine members of the Board of Directors of Parent as of the Effective Time, after giving effect to the appointments of the Company Directors. Parent’s Board of Directors shall, subject to complying with their applicable fiduciary duties, use commercially reasonable efforts to cause each of the Company Directors to be nominated for reelection at any annual meeting of Parent’s stockholders following the Closing and held in or prior to 2023 to the extent that such Company Director’s term as a Parent director would or has expired on or prior to the date of such annual meeting. In addition, the Board of Directors of Parent shall take such actions as are necessary so that there are a total of eight members of the Board of Directors of Parent, including the Company Directors, prior to the date of Parent’s 2021 annual meeting of stockholders. The provisions of this Section 2.9 shall survive the consummation of the Merger and, notwithstanding any other provision of this Agreement to the contrary, are expressly intended to benefit, and shall be enforceable by, each of the Company Directors.

ARTICLE III

EXCHANGE OF SHARES

Section 3.1 Surrender and Payment.

(a) Prior to the Effective Time, Parent shall appoint an exchange agent reasonably acceptable to the Company (the “Exchange Agent”) for the purpose of exchanging shares of Company Common Stock for the Stock Consideration payable in respect thereof. As soon as reasonably practicable after the Effective Time, Parent will send, or will cause the Exchange Agent to send, to each holder of record of one or more Certificates as of the Effective Time, whose shares of Company Common Stock were converted into the right to receive the Stock Consideration pursuant to Section 2.6 (Effect on Capital Stock), a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates to the Exchange Agent) in such form as Parent may specify subject to the Company’s reasonable approval prior to the Effective Time, including instructions for use in effecting the surrender of Certificates (or effective affidavits of loss in lieu thereof) to the Exchange Agent in exchange for the Stock Consideration. At the Effective Time, Parent shall cause to be deposited with the Exchange Agent, for the benefit of the holders of shares of Company Common Stock, shares of Parent Common Stock (which shall be in non-certificated book-entry form) to be issued pursuant to Section 2.6 (Effect on Capital Stock) and an amount of cash in U.S. dollars sufficient to be paid pursuant to Section 3.5 (No Fractional Shares), payable to holders of the Book-Entry Shares or payable to the holders of Certificates upon due surrender of the Certificates (or effective affidavits of loss in lieu thereof), in each case, pursuant to the provisions of Article II and this Article III (it being understood and agreed, for the avoidance of doubt, that Parent shall not be required to deposit any funds related to any CVR with the Rights Agent unless and until such deposit is required pursuant to the terms of the CVR Agreement). With respect to any Dissenting Shares, Parent shall not be required to deposit or cause to be deposited with the Exchange Agent any funds or shares of Parent Common Stock. Following the Effective Time, Parent agrees to make available to the Exchange Agent, from time to time as needed, cash in U.S. dollars sufficient to pay any dividends pursuant to Section 3.1(f) (Dividends). All cash and book-entry shares representing Parent Common Stock deposited with the Exchange Agent shall be referred to in this Agreement as the “Exchange Fund”. The Exchange Agent shall deliver the Stock Consideration (and any cash to be paid in lieu of any fractional share of Parent Common Stock in accordance with Section 3.5 (No Fractional Shares) or cash to be paid for dividends in accordance with Section 3.1(f)) out of the Exchange Fund. The Exchange Fund shall not be used for any other purpose. The Exchange Agent shall invest any cash included in the Exchange Fund as directed by Parent. Any interest and other income resulting from such investments shall be the property of, and paid to, Parent.

(b) Each holder of one or more Certificate(s) representing shares of Company Common Stock that have been converted into the right to receive the Merger Consideration, upon surrender to the Exchange Agent of such Certificate(s) (or effective affidavit of loss in lieu thereof), together with a properly completed letter of transmittal, duly executed and completed in accordance with the instructions thereto, and such other documents as may reasonably be required by the Exchange Agent, will be entitled to receive in exchange therefor (i) the number of whole shares of Parent Common Stock (which shall be in non-certificated book-entry form unless a physical certificate is requested) representing, in the aggregate, the whole number of shares of Parent Common Stock, if any, that such holder has the right to receive pursuant to Section 2.6 (Effect on Capital Stock), (ii) if applicable, any cash to be paid in lieu of any fractional share of Parent Common Stock in accordance with Section 3.5 (No Fractional Shares) and (iii) if applicable, any dividends in accordance with Section 3.1(f) (Dividends), in each case, without interest (less any required Tax withholding). Until so surrendered, each such Certificate shall, after the Effective Time, represent for all purposes only the right to receive such (A) Merger Consideration, (B) cash in lieu of any fractional shares and (C) unpaid dividends. No holder of Book-Entry Shares shall be required to deliver a Certificate or completed letter of transmittal to the Exchange Agent to receive (1) the number of whole shares of Parent Common Stock (which shall be in non-certificated book-entry form unless a physical certificate is requested) representing, in the aggregate, the whole number of shares of Parent Common Stock, if any, that such holder has the right to receive pursuant to Section 2.6 (Effect on Capital Stock), (2) if applicable, any cash to be paid in lieu of any fractional share of Parent Common Stock in accordance with Section 3.5 (No Fractional Shares) and (3) if applicable, any dividends in accordance with Section 3.1(f) (Dividends), in each case, without interest (less any required Tax withholding). No interest shall be paid or accrued on any Merger Consideration, cash in lieu of fractional shares or unpaid dividends payable to holders of Certificates or Book-Entry Shares.

(c) With respect to Certificate(s), in the event of a transfer of ownership of any Certificate that is not registered in the transfer books of the Company as of the Effective Time, (i) any Stock Consideration, (ii) if applicable, any cash to be paid in lieu of any fractional share of Parent Common Stock in accordance with Section 3.5 (No Fractional Shares) and (iii) if applicable, any dividends in accordance with Section 3.1(f) (Dividends), in each case, may be issued or paid to such a transferee if the Certificate is presented to the Exchange Agent, properly endorsed or otherwise in proper form for transfer, accompanied by all documents required to evidence and effect such transfer and to evidence that any applicable stock transfer Taxes have been paid or are not applicable, in each case, in form and substance, reasonably satisfactory to the Exchange Agent. With respect to Book-Entry Shares, issuance or payment of (1) any Stock Consideration, (2) if applicable, any cash to be paid in lieu of any fractional share of Parent Common Stock in accordance with Section 3.5 (No Fractional Shares) and (3) if applicable, any dividends in accordance with Section 3.1(f) (Dividends), in each case, shall only be made to the Person in whose name such Book-Entry Shares are registered in the stock transfer books of the Company as of the Effective Time.

(d) From and after the Effective Time, there shall be no further registration of transfers of shares of Company Common Stock. From and after the Effective Time, the holders of Certificates representing shares of Company Common Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such shares of Company Common Stock except as otherwise provided in this Agreement or by applicable Law. If, after the Effective Time, Certificates are presented to the Exchange Agent or Parent, they shall be cancelled and exchanged for the consideration provided for, and in accordance with the procedures set forth, in Article II and this Article III.

(e) Any portion of the Exchange Fund that remains unclaimed by the holders of shares of Company Common Stock one year after the Effective Time shall be returned to Parent, and any such holder who has not exchanged his or her shares of Company Common Stock for the Merger Consideration in accordance with this Section 3.1 prior to that time shall thereafter look only to Parent for delivery of the Merger Consideration in respect of such holder's shares of Company Common Stock. Notwithstanding the foregoing, neither Parent, Merger Sub, nor the Company shall be liable to any holder of shares of Company Common Stock for any Merger Consideration, cash in lieu of fractional shares or any unpaid dividends delivered to any Governmental Entity pursuant to applicable abandoned property Laws. Any Merger Consideration, cash in lieu of fractional shares or any unpaid dividends remaining unclaimed by holders of shares of Company Common Stock immediately prior to such time as such amounts would otherwise escheat to or become property of any Governmental Entity shall, to the extent permitted by applicable Law, become the property of Parent free and clear of any claims or interest of any Person previously entitled thereto.

(f) No dividends with respect to shares of Parent Common Stock issued in the Merger shall be paid to the holder of any Certificates or Book-Entry Shares until such Certificates or Book-Entry Shares are surrendered or transferred, as applicable, as provided in this Section 3.1. Following such surrender, subject to the effect of escheat or abandoned property (in accordance with Section 3.1(e)), Tax or other applicable Law, shall be paid, without interest, to the record holder of the shares of Parent Common Stock issued in exchange therefor (i) at the time of such surrender, all dividends payable in respect of such shares of Parent Common Stock with a record date after the Effective Time and a payment date on or prior to the date of such surrender and not previously paid and (ii) at the appropriate payment date, the dividends payable with respect to such shares of Parent Common Stock with a record date after the Effective Time but with a payment date subsequent to such surrender. For purposes of dividends in respect of shares of Parent Common Stock, all shares of Parent Common Stock to be issued pursuant to the Merger shall be entitled to dividends pursuant to the immediately preceding sentence as if issued and outstanding as of the Effective Time.

Section 3.2 Lost, Stolen or Destroyed Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent, the posting by such Person of a bond, in such reasonable amount as Parent may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Stock Consideration, any cash to be paid in lieu of any fractional share of Parent Common Stock in accordance with Section 3.5 (No Fractional Shares) and, if applicable, any dividends in accordance with Section 3.1(f) (Dividends) to be paid in respect of the shares of Company Common Stock represented by such Certificate as contemplated by this Article III.

Section 3.3 Withholding Rights. Each of Parent and the Surviving Corporation shall be entitled to deduct and withhold, or cause the Exchange Agent or Rights Agent, as applicable, to deduct and withhold, from the consideration otherwise payable to any Person pursuant to this Agreement, the CVR Agreement or otherwise such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code or any provision of state, local or foreign Tax Law. To the extent that amounts are so deducted or withheld and paid over to the applicable Governmental Entity or Taxing Authority, such deducted or withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of shares of Company Common Stock in respect of which such deduction and withholding was made.

Section 3.4 Further Assurances. After the Effective Time, the officers and directors of the Surviving Corporation will be authorized to execute and deliver, in the name and on behalf of the Company and Merger Sub, any deeds, bills of sale, assignments or assurances and to take and do, in the name and on behalf of the Company or Merger Sub, as applicable, any other actions and things to vest, perfect or confirm of record or otherwise in the Surviving Corporation any and all right, title and interest in, to and under any of the rights, properties or assets acquired or to be acquired by the Surviving Corporation as a result of, or in connection with, the Merger

Section 3.5 No Fractional Shares. No certificates or scrips representing fractional shares of Parent Common Stock shall be issued in exchange for shares of Company Common Stock, no dividends of Parent shall relate to such fractional share interests and such fractional share interests shall not entitle the owner thereof to vote or to any rights of a stockholder of Parent. In lieu of such fractional share interests, Parent or the Exchange Agent shall pay to each holder of Company Common Stock an amount in cash equal to the product obtained by multiplying (a) the fraction of a share (after taking into account all shares of Company Common Stock held by such holder at the Effective Time and rounded to the nearest one thousandth when expressed in decimal form) of Parent Common Stock to which such holder would otherwise be entitled to receive pursuant to Section 2.6 (Effect on Capital Stock) by (b) the average of the volume weighted average price per share of Parent Common Stock on the Nasdaq Global Market (as reported in The Wall Street Journal or, if not reported therein, in another authoritative source mutually selected by Parent and the Company) on each of the 20 consecutive trading days ending with the second complete trading day prior to the Closing Date.

The Company is qualified or licensed to do business and is in good standing as a foreign corporation in each jurisdiction where the ownership, leasing or operation of its properties or assets or conduct of its business requires such qualification or license, except where any failure to be so qualified or licensed and in good standing has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Company has made available to Parent true, correct and complete copies of its Constituent Documents, as amended and in effect on the date of this Agreement, and the Company is not in violation in any material respect of its Constituent Documents.

Section 4.2 Subsidiaries.

(a) Section 4.2(a) of the Company Disclosure Letter sets forth (i) each Subsidiary of the Company (individually, a “Company Subsidiary” and, collectively, the “Company Subsidiaries”), (ii) the number of authorized, issued and outstanding Securities of each Company Subsidiary and (iii) each Company Subsidiary’s jurisdiction of incorporation or organization. Each Company Subsidiary is a corporation duly incorporated or a limited liability company, company limited by shares, partnership or other entity duly organized and is validly existing and, to the extent such concept or a similar concept exists in the relevant jurisdiction, in good standing under the Laws of the jurisdiction of its incorporation or organization, as the case may be, and has all requisite corporate or other power and authority, as the case may be, to own, lease and operate its properties and assets and to carry on its business as currently conducted, except where any failure to be in good standing has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Each Company Subsidiary is qualified or licensed to do business in each jurisdiction where the ownership, leasing or operation of its properties or assets or conduct of its business requires such qualification or license, except where any failures to be so qualified or licensed have not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Company has made available to Parent true, correct and complete copies of the Constituent Documents of each Company Subsidiary, as amended and in effect on the date of this Agreement, and no Company Subsidiary is in violation in any material respect of its Constituent Documents.

(b) The Company is, directly or indirectly, the record holder and Beneficial Owner of all of the outstanding Securities of each Company Subsidiary, free and clear of any Liens and free of any other limitation or restriction (including any limitation or restriction on the right to vote, sell, transfer or otherwise dispose of the Securities), except for such restrictions imposed by applicable Law. All of such Securities have been duly authorized, validly issued, fully paid and, where applicable, are nonassessable (and no such shares have been issued in violation of any preemptive or similar rights). Except for the Securities of the Company Subsidiaries, the Company does not own, directly or indirectly, any Securities or other ownership interests in any entity.

Section 4.3 Capitalization.

(a) As of the date of this Agreement, the authorized Securities of the Company consists of 160,000,000 shares of Company Common Stock, par value \$0.0013, and 20,000,000 shares of preferred stock, par value \$0.001 per share (the “Company Preferred Stock” and, together with the Company Common Stock, the “Company Capital Stock”). At the close of business on September 30, 2019 (the “Reference Time”): (i) 86,621,633 shares of Company Common Stock were issued and outstanding, (ii) no shares of Company Preferred Stock were issued and outstanding, (iii) 200,000 shares of Company Common Stock were held by the Company in its treasury, (iv) 7,254,451 shares of Company Common Stock were issuable upon the exercise of outstanding Company Stock Options and (v) 6,505,356 shares of Company Common Stock were reserved for issuance pursuant to the Company Stock Plans. Except as set forth in this Section 4.3(a), at the Reference Time, no Securities of the Company are issued, reserved for issuance or outstanding. From the Reference Time through the date hereof, there have been no issuances by the Company of Securities, other than the issuance of Company Common Stock upon the exercise of the Company Stock Options outstanding at the Reference Time and in accordance with their terms in effect at such time. All issued and outstanding Company Common Stock have been, and all shares of Company Common Stock that may be issued pursuant to the Company Stock Plans will be, when issued in accordance with the terms thereof, duly authorized, validly issued, fully paid and nonassessable and are subject to no preemptive or similar rights.

(b) (i) Section 4.3(b)(i) of the Company Disclosure Letter sets forth each Company Stock Plan and, as of the Reference Time, the aggregate number of shares of Company Common Stock relating to outstanding and available awards under each Company Stock Plan, and (ii) Section 4.3(b)(ii) of the Company Disclosure Letter sets forth a true and complete list, as of the Reference Time, with respect to each then-outstanding Company Stock Option, (A) the name of the Company Stock Option holder, (B) the number of shares of Company Common Stock underlying each Company Stock Option, (C) the date on which the Company Stock Option was granted, (D) the Company Stock Plan under which the Company Stock Option was granted, (E) the exercise price of each Company Stock Option, if applicable, and (F) the expiration date of each Company Stock Option, if applicable. The only awards outstanding under each Company Stock Plan are those identified on Section 4.3(b)(ii) of the Company Disclosure Letter. The Company has made available to Parent true and complete copies of each Company Stock Plan and form of agreement evidencing each Company Stock Option, and has also delivered any other stock option agreements evidencing a Company Stock Option to the extent there are material variations from the form of agreement, specifically identifying the Person(s) to whom such variant forms apply. Each Company Stock Option (1) was granted in compliance with all applicable Laws and all of the terms and conditions of the Company Stock Plans pursuant to which it was issued, (2) has an exercise price per share equal to or greater than the fair market value of a share of Company Common Stock at the close of business on the date of such grant, and (3) has a grant date not earlier than the date on which the Board of Directors of the Company (or compensation committee thereof) actually awarded such Company Stock Option.

(c) There are no preemptive or similar rights on the part of any holder of any class of Securities of the Company or any Company Subsidiary. Neither the Company nor any Company Subsidiary has outstanding any bonds, debentures, notes or other obligations the holders of which have the right to vote (or which are convertible into or exercisable for Securities having the right to vote) with the holders of any class of Securities of the Company or any Company Subsidiary on any matter submitted to such holders of Securities. Other than the Company Stock Options pursuant to the Company Stock Plans, there are no other outstanding Equity Rights with respect to Securities of the Company or any Company Subsidiary. There are no outstanding contractual obligations of the Company or any Company Subsidiary to repurchase, redeem or otherwise acquire any Securities of the Company or any Company Subsidiary. There are no proxies, voting trusts or other agreements or understandings to which the Company is a party or is bound with respect to the voting of the Securities of the Company.

Section 4.4 Authorization; Board Approval; Voting Requirements.

(a) The Company has all requisite corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and, subject to the Company Stockholder Approval, to consummate the Transactions. The execution, delivery and performance of this Agreement and the consummation of the Transactions have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of the Company are necessary for it to authorize this Agreement or to consummate the Transactions, except for, in any such case, the adoption of this Agreement by the Company Stockholder Approval. This Agreement has been duly and validly executed and delivered by the Company and, assuming due authorization, execution and delivery by the other Parties, is a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar Laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(b) The Board of Directors of the Company, at a meeting duly called and held, has unanimously (i) determined that this Agreement and the Transactions (including the Merger) are fair to and in the best interests of the Company and its stockholders, (ii) approved, adopted and declared advisable this Agreement and the Transactions (including the Merger), (iii) directed that the adoption of this Agreement be submitted to a vote at a meeting of the Company's stockholders and (iv) subject to Section 7.5(d), recommended the adoption of this Agreement by the Company's stockholders (the "Company Recommendation").

(c) The affirmative vote at the Company Stockholders Meeting or any adjournment or postponement thereof of the holders of a majority of the outstanding shares of Company Common Stock in favor of the adoption of this Agreement (the "Company Stockholder Approval") is the only vote or consent of the holders of any class or series of Securities of the Company necessary in connection with the consummation of the Transactions.

(d) The representations and warranties set forth in this Section 4.4 shall be made with respect to the Original Merger Agreement as of the Original Execution Date and with respect to this Agreement as of the Execution Date.

Section 4.5 Takeover Statute; No Restrictions on the Transactions(e) . Assuming the representations and warranties in Section 5.5(b) are true and correct, (a) no state "fair price," "moratorium," "control share acquisition" or similar anti-takeover statute is applicable to the Transactions and (b) the Company has taken all necessary action to render the restrictions on business combinations contained in Section 203 of the DGCL hereby inapplicable to this Agreement and the Transactions. The Company does not have in effect a "poison pill" or similar stockholder rights plan. The representations and warranties set forth in this Section 4.5 shall be made with respect to the Original Merger Agreement as of the Original Execution Date and with respect to this Agreement as of the Execution Date.

Section 4.6 No Violations; Consents and Approvals.

(a) The execution and delivery of this Agreement by the Company does not and the consummation by the Company and the Company Subsidiaries of the Transactions will not: (i) assuming receipt of the Company Stockholder Approval, conflict with any provisions of the Constituent Documents of the Company or any Company Subsidiary; (ii) assuming receipt of the Company Stockholder Approval, violate any Law or rules of any Self-Regulatory Organization (assuming compliance with the matters set forth in Section 4.6(b) (Consents and Approvals)); (iii) result, after the giving of notice, with lapse of time or otherwise, in any violation, default or loss of a benefit under, or permit the acceleration or termination of any obligation under or require any consent or notice under, any Contract to which the Company or any of the Company Subsidiaries is a party; (iv) result in the creation or imposition of any Lien upon any properties or assets of the Company or any Company Subsidiary; or (v) cause the suspension or revocation

of any Company Permit, except, in the case of clauses (ii), (iii), (iv) and (v), as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The representations and warranties set forth in this Section 4.6(a) shall be made with respect to the Original Merger Agreement as of the Original Execution Date and with respect to this Agreement as of the Execution Date.

(b) No clearance, consent, approval, Order, license or authorization of, or declaration, registration or filing with, or notice to, or Permit issued by, any Governmental Entity or Self-Regulatory Organization is required to be made or obtained by the Company or any Company Subsidiary in connection with the execution or delivery of this Agreement by the Company or the consummation by the Company and the Company Subsidiaries of the Transactions, except for: (i) compliance by the Company with the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the "HSR Act"), the required filings or notifications under any foreign antitrust merger control Laws set forth on Section 4.6(b) of the Company Disclosure Letter (the "Foreign Competition Laws"); (ii) the filing of the Certificate of Merger with the Secretary of State in accordance with the DGCL; (iii) (A) the filing with the U.S. Securities and Exchange Commission (the "SEC") of the Joint Proxy Statement/Prospectus in accordance with Regulation 14A promulgated under the Exchange Act, (B) the filing with the SEC, and the declaration of effectiveness under the Securities Act, of the registration statement on Form S-4 in connection with the Parent Share Issuance in which the Joint Proxy Statement/Prospectus will be included as a prospectus (the "Form S-4") and (C) the filing with the SEC of such reports under, and such other compliance with the Exchange Act and the Securities Act as may be required in connection with, this Agreement and the Transactions; (iv) such consents, registrations, declarations, notices or filings as are required to be made or obtained under the securities or "blue sky" Laws of various states in connection with the Parent Share Issuance; (v) such filings with and approvals of the Nasdaq Global Market as are required to permit the consummation of the Merger and the listing of the shares of Parent Common Stock to be issued as Merger Consideration; and (vi) any such other clearance, consent, approval, Order, license, authorization, declaration, registration, filing, notice or Permit, the failure of which to make or obtain would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 4.7 SEC Reports; Company Financial Statements.

(a) The Company has timely filed or furnished all reports, schedules, forms, statements and other documents required to be filed or furnished by it with or to the SEC since January 1, 2017 (together with all exhibits, financial statements and schedules thereto, all information incorporated therein by reference and all documents filed with the SEC during such period by the Company on a voluntary basis, the "Company SEC Documents"). As of its filing (or furnishing) date or, if amended prior to the date of this Agreement, as of the date of the last such amendment, each Company SEC Document complied in all material respects with the applicable requirements of the Exchange Act and the Securities Act, as the case may be. As of its filing date or, if amended prior to the date of this Agreement, as of the date of the last such amendment, each Company SEC Document filed pursuant to the Exchange Act did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. Each Company SEC Document that is a registration statement, as amended or supplemented, if applicable, filed pursuant to the Securities Act, as of the date such registration statement or amendment became effective prior to the date of this Agreement, did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. None of the Company Subsidiaries are required to make any filings with the SEC.

(b) The Company Financial Statements, which have been prepared, in all material respects, from the books and records of the Company and the Company Subsidiaries, comply as to form in all material respects with the applicable accounting requirements and the published rules and regulations of the SEC with respect thereto and have been prepared in accordance with U.S. generally accepted

accounting principles (“GAAP”) applied on a consistent basis throughout the periods presented, except as otherwise noted therein. The Company Financial Statements (including the related notes) present fairly in all material respects the consolidated financial position of the Company and the Company Subsidiaries as at the respective dates thereof and their consolidated results of operations and cash flows for the periods then ended (subject to normal and recurring year-end audit adjustments in the case of any unaudited interim financial statements).

(c) As of the date hereof, there are no material outstanding or unresolved written comments from the SEC with respect to the Company SEC Documents. As of the date hereof, none of the Company SEC Documents are, to the knowledge of the Company, the subject of ongoing SEC review.

(d) The audit committee of the Board of Directors of the Company has established “whistleblower” procedures that meet the requirements of Exchange Act Rule 10A-3, and has delivered or made available to Parent true, complete and correct copies of such procedures in effect as of the date of this Agreement. Since January 1, 2017, neither the Company nor any Company Subsidiary has received any “complaints” (within the meaning of Exchange Act Rule 10A-3) in respect of any accounting, internal accounting controls or auditing matters. To the knowledge of the Company, since January 1, 2017, no complaint seeking relief under Section 806 of the Sarbanes-Oxley Act has been filed with the United States Secretary of Labor and no employee of the Company or any Company Subsidiary has threatened to file any such complaint.

(e) To the extent required by the Exchange Act, the Company and the Company Subsidiaries have established and maintain disclosure controls and procedures (as defined in Rule 13a-15 under the Exchange Act) designed to ensure that material information relating to the Company, including the Company Subsidiaries, is made known to the Company’s principal executive officer and its principal financial officer by others within those entities, including during the periods in which the periodic reports required under the Exchange Act are being prepared. Each of the principal executive officer of the Company and the principal financial officer of the Company (or each former principal executive officer of the Company and each former principal financial officer of the Company, as applicable) has made all certifications required by Rule 13a-14 or 15d-14 under the Exchange Act and Sections 302 and 906 of the Sarbanes-Oxley Act with respect to the Company SEC Documents, and the statements contained in such certifications are true and accurate in all material respects as of the date on which they were made. For purposes of this Section 4.7, “principal executive officer” and “principal financial officer” shall have the meanings given to such terms in the Sarbanes-Oxley Act. Since January 1, 2017, the Company has complied in all material respects with the provisions of the Sarbanes-Oxley Act.

(f) The Company maintains a system of “internal control over financial reporting” (as defined in Rule 13a-15(f) of the Exchange Act) designed to provide reasonable assurance regarding the reliability of the Company’s financial reporting and the preparation of the Company’s financial statements for external purposes in accordance with GAAP. The Company’s principal executive officer and principal financial officer have disclosed, based on their most recent evaluation of such internal controls prior to the date of this Agreement, to the Company’s auditors and the audit committee of the Board of Directors of the Company “(i) all significant deficiencies and material weaknesses” in the design or operation of internal controls which are reasonably likely to adversely affect the Company’s ability to record, process, summarize and report financial information and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in internal controls. The Company has made available to Parent prior to the date of this Agreement a true and complete (in all material respects) summary of any disclosure of the type described in the preceding sentence made by management to the Company’s auditors and audit committee during the period beginning January 1, 2017 and ending as of the date hereof.

(g) Neither the Company nor any of the Company Subsidiaries is a party to, or has any commitment to become a party to, any off-balance sheet joint venture, off-balance sheet partnership or other “off-balance sheet arrangement” (as defined in Item 303(a) of Regulation S-K under the Exchange Act).

Section 4.8 Absence of Undisclosed Liabilities. The Company and the Company Subsidiaries do not have any liabilities, obligations or commitments, whether or not accrued, known or unknown, contingent or otherwise, that would be required by GAAP to be reflected on the consolidated balance sheet of the Company and the Company Subsidiaries, except for (i) liabilities, obligations and commitments that have not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (ii) liabilities, obligations or commitments disclosed and provided for in the consolidated balance sheet (or the notes thereto) of the Company and the Company Subsidiaries as of June 30, 2019 and (iii) liabilities, obligations or commitments incurred in the ordinary course of business consistent with past practice since June 30, 2019 that are not material to the Company and the Company Subsidiaries, taken as a whole.

Section 4.9 Regulatory Matters.

(a) (i) Each of the Company and the Company Subsidiaries holds (A) all authorizations under the United States Food, Drug and Cosmetic Act of 1938 (the “FDCA”), the Public Health Service Act (the “PHSA”), and the regulations of the United States Food and Drug Administration (the “FDA”) promulgated thereunder, and (B) authorizations of any applicable Governmental Entity that are concerned with the development, testing, packaging, labeling, storage, import, export, marketing, sale, pricing, use, handling and control, strength, purity, quality, safety, efficacy, reliability, distribution or manufacturing of any of the Company Products (any such Governmental Entity, a “Company Regulatory Agency”) necessary for the lawful operation of the businesses of the Company and each of the Company Subsidiaries as currently conducted (the “Company Regulatory Permits”); (ii) all such Company Regulatory Permits are valid and in full force and effect and will continue to be in full force and effect immediately following the Closing; and (iii) the Company and the Company Subsidiaries are in compliance in all material respects with the terms of all Company Regulatory Permits. There are no material Proceedings pending or, to the knowledge of the Company, threatened against the Company or any Company Subsidiary that could reasonably be expected to result in, the revocation, cancellation, suspension or any other adverse modification of any Company Regulatory Permit held by the Company or any Company Subsidiary.

(b) Section 4.9(b) of the Company Disclosure Letter sets forth, as of the date hereof, licenses or other registrations, marketing authorizations or other permits held by the Company issued by or pending with any Governmental Entity or other Company Regulatory Agency, as applicable, in connection with the clinical and other development, manufacture, marketing, promotion, distribution, sale or other use of any Company Product by or on behalf of the Company or any Company Subsidiary or any other Person in any jurisdiction (the “Product Registrations”). The Company and/or any Company Subsidiary are the sole and exclusive owners of the Product Registrations. All Company Products sold under the Product Registrations are manufactured, promoted, and marketed in accordance with the specifications and standards contained in such Product Registrations.

(c) Neither the Company nor any of the Company Subsidiaries is party to any corporate integrity agreements, monitoring agreements, consent Orders or similar agreements with or imposed by any Governmental Entity or Company Regulatory Agency.

(d) All pre-clinical and clinical investigations in respect of a Company Product conducted or sponsored by or on behalf of the Company or any of the Company Subsidiaries are being, and since January 1, 2017 have been, conducted in compliance in all material respects with (i) all applicable Laws administered or issued by any Company Regulatory Agency, including (A) FDA standards for the design, conduct, performance, monitoring, auditing, recording, analysis and reporting of clinical trials contained in Title 21 parts 50, 54, 56, 312, 314 and 320 of the Code of Federal Regulations, (B) applicable

federal, state and provincial applicable Laws restricting the collection, use and disclosure of individually identifiable health information and Personal Information and (C) applicable Healthcare Laws, and (ii) experimental protocols, procedures and controls pursuant to Healthcare Laws and, where applicable, accepted professional and scientific standards. No pre-clinical or clinical testing conducted by or on behalf of the Company or any Company Subsidiary has been terminated or suspended due to safety or other non-business reasons, and, to the knowledge of the Company, there are no facts that could give rise to such a determination. No Company Regulatory Agency, clinical investigator, institutional review board or independent monitoring committee has provided notice that it has initiated or, to the knowledge of the Company, threatened to initiate any action to place a hold order on, or otherwise terminate, delay, suspend or modify any such ongoing testing, and, to the knowledge of the Company, there are no facts that would reasonably be expected to give rise to such a determination.

(e) Since January 1, 2017, neither the Company nor any of the Company Subsidiaries has received any written notice from the FDA or the European Medicines Agency (the “EMA”) or any foreign agency with jurisdiction over the development, marketing, labeling, sale, use handling and control, safety, efficacy, reliability or manufacturing of the Company Products which would reasonably be expected to lead to the denial, limitation, revocation or rescission of any of the Company Regulatory Permits or of any application for marketing approval currently pending before the FDA or such other Company Regulatory Agency.

(f) Since January 1, 2017, all reports, documents, claims, Permits and notices required to be filed, maintained or furnished to the FDA or any other Company Regulatory Agency by the Company and the Company Subsidiaries have been so filed, maintained or furnished. All such reports, documents, claims, Permits and notices were true and complete in all material respects on the date filed (or were corrected in or supplemented by a subsequent filing). Since January 1, 2017, neither the Company nor any of the Company Subsidiaries, nor, to the knowledge of the Company, any officer, employee, agent or distributor of the Company or any of the Company Subsidiaries, has made an untrue statement of a material fact or a fraudulent statement to the FDA or any other Company Regulatory Agency, failed to disclose a material fact required to be disclosed to the FDA or any other Company Regulatory Agency, or committed an act, made a statement or failed to make a statement, in each such case, related to the business of the Company or any of the Company Subsidiaries, that, at the time such disclosure was made, would reasonably be expected to provide a basis for the FDA to invoke its policy respecting “Fraud, Untrue Statements of Material Facts, Bribery, and Illegal Gratuities” set forth in 56 Fed. Reg. 46191 (September 10, 1991) or for the FDA or any other Company Regulatory Agency to invoke any similar policy. Since January 1, 2017, (i) neither the Company nor any of the Company Subsidiaries, nor, to the knowledge of the Company, any officer, employee, agent or distributor of the Company or any of the Company Subsidiaries, has been debarred or convicted of any crime or engaged in any conduct for which debarment is mandated by 21 U.S.C. § 335a(a) or any similar applicable Law or authorized by 21 U.S.C. § 335a(b) or any similar applicable Law applicable in other jurisdictions in which any of the Company Products are sold or intended by the Company to be sold, and (ii) neither the Company nor any of the Company Subsidiaries, nor, to the knowledge of the Company, any officer, employee, agent or distributor of the Company or any of the Company Subsidiaries, has been excluded from participation in any federal health care program or convicted of any crime or engaged in any conduct for which such Person could be excluded from participating in any federal health care program under Section 1128 of the Social Security Act of 1935 or any similar applicable Law or program.

(g) As to each Company Product subject to the FDCA and the regulations of the FDA promulgated thereunder or any similar applicable Law in any foreign jurisdiction in which any of the Company Products are sold or intended by the Company or any of the Company Subsidiaries to be sold that is or has been developed, manufactured, tested, distributed or marketed by or on behalf of the Company or any of the Company Subsidiaries, each such Company Product is being or has been developed, manufactured, processed, stored, distributed, labeled, tested, sold or marketed in compliance in all material

respects with all applicable Laws, including those relating to investigational use, marketing approval, current good manufacturing practices, packaging, labeling, advertising, record keeping, reporting and security (and further including the Physician Payment Sunshine Act (42 U.S.C. § 1320a-7h)). Neither the Company nor any of the Company Subsidiaries have received any written notice from any Governmental Entity (including any Company Regulatory Agency) threatening any, and there is no pending, Proceeding alleging any material violation applicable to any Company Product by the Company or any of the Company Subsidiaries of any applicable Law, including any Healthcare Law.

(h) Since January 1, 2017, neither the Company nor any of the Company Subsidiaries has voluntarily or involuntarily initiated, conducted or issued, or caused to be initiated, conducted or issued, any material recall, field corrections, market withdrawal or replacement, safety alert, warning, “dear doctor” letter, investigator notice or other notice or action to wholesalers, distributors, retailers, healthcare professionals or patients relating to an alleged lack of safety, efficacy or regulatory compliance of any Company Product. To the knowledge of the Company, there are no facts as of the date hereof which are reasonably likely to cause, and neither the Company nor any of the Company Subsidiaries has received any written notice from the FDA or any other Company Regulatory Agency since January 1, 2017 regarding: (i) the recall, market withdrawal or replacement of any Company Product sold or intended to be sold by the Company or the Company Subsidiaries; (ii) a material change in the marketing classification or a material change in the labeling of any such Company Products; (iii) a termination or suspension of the manufacturing, marketing, or distribution of such Company Products; or (iv) a material negative change in reimbursement status of a Company Product.

Section 4.10 Form S-4; Joint Proxy Statement/Prospectus. None of the information supplied or to be supplied by or on behalf of the Company or any Company Subsidiary for inclusion or incorporation by reference in (a) the Form S-4 will, at the time the Form S-4 is filed with the SEC or at any time it is supplemented or amended or at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they are made, not misleading or (b) the Joint Proxy Statement/Prospectus will, on the date it is first mailed to each of Parent’s stockholders and the Company’s stockholders or at the time of each of the Parent Stockholders Meeting or the Company Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. The Joint Proxy Statement/Prospectus will comply as to form in all material respects with the requirements of the Exchange Act, except that no representation is made by the Company with respect to statements made or incorporated by reference therein based on information supplied by Parent or Merger Sub for inclusion or incorporation by reference therein.

Section 4.11 Absence of Certain Changes. Since December 31, 2018 through the date of this Agreement, (a) except for the execution and performance of this Agreement and the discussions, negotiations and transactions related thereto, (i) the Company and the Company Subsidiaries have conducted in all material respects their respective businesses only in the ordinary course consistent with past practice, and (ii) there has not been any action taken by the Company or any Company Subsidiary that, if taken during the period from the date of this Agreement through the Effective Time, would require consent of Parent pursuant to clauses (b), (d), (e), (f), (i) or (l) of Section 6.1 (or solely with respect to the foregoing clauses, clause (g) of Section 6.1) (Covenants of the Company), and (b) there has not been any Change that has had or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 4.12 Litigation. There is no, and since January 1, 2017, there has been no, material Proceeding (excluding any Proceeding of the type contemplated by the second to last sentence of this Section 4.12) the pending or, to the knowledge of the Company, threatened against the Company or any Company Subsidiary, or their respective properties or rights or any of their respective current or former directors, officers, employees or contractors (in their capacities as such or relating to their services or relationship to the Company or the Company Subsidiaries). There is no, and since January 1, 2017 there has been no, material Order of any Governmental Entity, Self-Regulatory Organization or arbitrator outstanding against the Company or any Company Subsidiary. As of the date hereof, there is no Proceeding pending or, to the knowledge of the Company, threatened against the Company or any Company Subsidiary, which seeks to, challenge, restrain, enjoin or delay the consummation of the Merger, which seeks damages in connection therewith, and no injunction of any type has been entered or issued. There is no Proceeding pending in which the Company or any Company Subsidiary is a plaintiff.

Section 4.13 Compliance with Laws.

(a) Except as has not had or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, each of the Company and the Company Subsidiaries holds all Permits which are necessary for the lawful conduct of their respective businesses or ownership of their respective assets and properties (the "Company Permits"). All Company Permits are in full force and effect and none of the Company Permits have been withdrawn, revoked, suspended or cancelled nor is any such withdrawal, revocation, suspension or cancellation pending or, to the knowledge of the Company, threatened. Except as has not had or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, each of the Company and the Company Subsidiaries is, and since January 1, 2017 has been, in compliance with the terms of the Company Permits. Except as has not had or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, there are no, and since January 1, 2017 have been no, Proceedings pending or, to the knowledge of the Company, threatened that seek the revocation, cancellation or adverse modification of any Company Permit.

(b) The businesses of the Company and each of the Company Subsidiaries are, and since January 1, 2017 have been, conducted in compliance in all material respects with all applicable Laws and the applicable rules of any Self-Regulatory Organization. (j) Neither the execution and delivery of this Agreement, shareholder or other approval of this Agreement nor the consummation of the Transactions would, either alone or in combination with another event, including a termination of employment, to the extent such other event alone would not trigger such benefit, (i) entitle any employee, director, officer or independent contractor of the Company or any Company Subsidiaries to severance pay or any material increase in severance pay, (ii) accelerate the time of payment or vesting, or materially increase the amount of compensation due to any such employee, director, officer or independent contractor, (iii) directly or indirectly cause the Company to transfer or set aside any assets to fund any material benefits under any Company Benefit Plan, (iv) otherwise give rise to any material liability under any Company Benefit Plan, (v) limit or restrict the right to merge, materially amend, terminate or transfer the assets of any Company Benefit Plan on or following the Effective Time, (vi) require a "gross-up," indemnification for, or payment to any individual for any Taxes imposed under Section 409A or Section 4999 of the Code or any other Tax or (vii) result in a payment of any amount that could, individually or in combination with any other such payment, constitute an "excess parachute payment" as defined in Section 280G(b)(1).

(e) There is no material charge, complaint or investigation, pending or, to the knowledge of the Company, threatened before any Governmental Entity alleging unlawful discrimination in employment practices, unfair labor practices, wage and hour violations, safety or health violations or any other unlawful employment practices by the Company or any of the Company Subsidiaries.

(f) No employee of the Company or any of the Company Subsidiaries has experienced an "employment loss," as defined by the federal Worker Adjustment and Retraining Notification Act or any similar applicable state, local or foreign Law, requiring notice to employees in the event of a closing or layoff, within the past 90 days.

Such list includes, where applicable, the record owner, jurisdiction and registration and/or application number, and date issued (or filed) for each of the foregoing. The Company has made available to Parent a true and complete list, as of the date of this Agreement, of all Patents and Trademarks, in each case, including Patents and Trademarks that are Company Owned Intellectual Property and Patents and Trademarks that are in licensed Intellectual Property that are material and necessary to any Company Product (including the exercise of any Covered Rights) (the "Covered Product IP").

(b) The Company has included correct and complete inventorship information for each Patent filing in the Company Owned Intellectual Property. All documents, recordings and certificates in connection with the registration or application for registration of the Company Owned Intellectual Property have been filed with the relevant patent, copyright, trademark or other authorities in any relevant jurisdictions, as the case may be, for the purposes of prosecuting, maintaining and perfecting such Company Owned Intellectual Property. The Company and all Company Subsidiaries have complied with all applicable notice and marking requirements for, and none of the labels or other packaging or marketing materials with respect to the Company Products contain any false, inaccurate or incorrect marking for, the Company Owned Intellectual Property. No inequitable conduct, nor any on-sale bar or public use or improper disclosure activity or violation, has been engaged in or committed with respect to any Company Owned Intellectual Property or in the prosecution of any Patent in any Company Owned Intellectual Property, and no material information was withheld from any entity requiring disclosure of such information during prosecution of such Patents. All filings, payments and other actions required to be made or taken to maintain each item of registered Company Owned Intellectual Property in full force and effect have been made by the applicable deadline under the applicable Law.

(c) Section 4.18(c) of the Company Disclosure Letter sets forth a complete and accurate list of all material agreements (i) granting or obtaining a license to any Intellectual Property to which the Company or any Company Subsidiary is a party or otherwise bound, (ii) restricting the Company or any Company Subsidiary's right to use or register any Company Owned Intellectual Property, or (iii) to

No material royalties, honoraria or other fees are payable to any third parties for the use of or right to use any Company Owned Intellectual Property except pursuant to the Company License Agreements. Neither the execution and delivery of this Agreement by the Company nor consummation by the Company of the Transactions will result in any limitation on the Company's and/or a Company Subsidiary's right, title or interest (to the extent applicable) in any Company Owned Intellectual Property, Covered Product IP or Company License Agreements.

(d) The Company or a Company Subsidiary is the sole and exclusive owner of, free and clear of all Liens (except Permitted Liens) and further subject to the Intellectual Property or other rights of any third party under any Contract to which the Company or a Company Subsidiary is a party, all of the Company Owned Intellectual Property that is material to their respective businesses. The Company Owned Intellectual Property that is subject to a registration or application with a Governmental Entity is valid, enforceable (excluding pending applications), subsisting, in full force and effect, and has not been cancelled, expired or abandoned. The Company or a Company Subsidiary has a valid right and enforceable right to use the Covered Product IP that is not Company Owned Intellectual Property, and, to the knowledge of the Company, the Covered Product IP is valid and enforceable. The Covered Product IP together with any other Intellectual Property that the Company or any Company Subsidiary is otherwise permitted to use (including by way of release, covenant not to sue or immunity from suit) constitutes all of the Intellectual Property necessary to, or used or held for use in the conduct of the respective businesses of the Company and the Company Subsidiaries as currently conducted and as currently planned to be conducted prior to the Closing (including as may be necessary to exercise the Covered Rights with respect to any Company Product).

(e) Within the past six years, there have been no asserted, pending, or to the knowledge of the Company, threatened (including in the form of offers or invitations to obtain a license) Proceedings alleging that the activities or conduct of the business of the Company or a Company Subsidiary infringe upon, misappropriate, or otherwise violate or constitute the unauthorized use of the Intellectual Property of any third party or challenging the Company's or a Company Subsidiary's ownership, use, validity, enforceability or registrability of any Company Owned Intellectual Property (but excluding routine prosecution Proceedings before the United States Patent and Trademark Office or equivalent foreign Governmental Entities).

(f) The conduct of the business of the Company and the Company Subsidiaries by the Company as conducted in the past six years and as currently conducted does not infringe upon (either directly or indirectly, such as through contributory infringement or inducement to infringe), misappropriate or otherwise violate, and has not infringed upon (directly or indirectly), misappropriated or otherwise violated, any Intellectual Property of any other Person (or will, to the knowledge of the Company, infringe, misappropriate or otherwise violate the Intellectual Property rights of any other Person through the exercise prior to or after the Closing of any Covered Rights with respect to any Company Product).

(g) To the knowledge of the Company, no third party is misappropriating, infringing, diluting or violating any Company Owned Intellectual Property and no claims, suits, arbitrations or other adversarial Proceedings have been brought or threatened against any third party with respect thereto by the Company or a Company Subsidiary.

(h) The Company and each Company Subsidiary have taken commercially reasonable measures designed to protect and maintain the secrecy, confidentiality and value of the material Trade Secrets owned or held by the Company and the Company Subsidiaries, including requiring its past and present employees, contractors, consultants and other parties having access thereto to execute valid, written nondisclosure agreements requiring such individuals to hold all such Trade Secrets and other confidential information in confidence both during and after their employment and/or engagement. To the knowledge of the Company, no such material Trade Secrets or confidential information have been disclosed or authorized to be disclosed to any third party other than pursuant to a nondisclosure agreement. To the knowledge of the Company, no third party to any nondisclosure agreement with the Company or a Company Subsidiary is in breach, violation or default thereof.

(i) Each current and former employee, consultant, contractor and/or individual that has delivered, developed, contributed to, modified or improved material Intellectual Property owned or purported to be owned by the Company or a Company Subsidiary has executed an agreement assigning to the Company or such Company Subsidiary all of such employee's, consultant's, contractor's and/or individual's rights in such development, contribution, modification or improvement. To the knowledge of the Company, it will not be necessary to use any inventions owned by any of its employees, contractors or consultants (or Persons it currently intends to hire) made prior to their employment and/or engagement by the Company.

(j) With respect to any material Software that is owned by the Company or a Company Subsidiary, such Software was either developed (i) by employees of the Company or such Company Subsidiary within the scope of their employment or (ii) by independent contractors who have assigned their rights in such Software to the Company or such Company Subsidiary pursuant to written agreements.

(k) No Open Source Software (i) has been modified by the Company or any Company Subsidiary, (ii) has been embedded in or otherwise combined by the Company or any Company Subsidiary with any other Software or (iii) has been distributed by the Company or any Company Subsidiary to any third party either independently or as part of a Company Product, in each case, in a manner that would condition the license governing such Open Source Software on the Company's or a Company Subsidiary's (A) disclosing or distributing any Software owned by the Company or a Company Subsidiary in source code form, (B) licensing any Software owned by the Company or a Company Subsidiary for the purpose of making derivative works or (C) redistributing any Software owned by the Company or a Company Subsidiary at no or minimal charge. No current or former director, officer or employee of the Company (or any of its predecessors in interest) will, after giving effect to the Transactions, own or retain any rights to use any of the Company Owned Intellectual Property.

(l) All Software, Technology, systems, servers, computers, hardware, firmware, middleware, networks, data communications lines, routers, hubs, switches and other information technology equipment owned by the Company or used in the operation of the business of the Company and Company Subsidiaries as currently conducted (collectively, the "Company IT Assets") are reasonably adequate for, and operate and perform in accordance with their documentation and functional specifications and otherwise as required in connection with, the operation of such business. The Company and Company Subsidiaries have implemented commercially reasonable backup, security and disaster recovery procedures and, to the knowledge of the Company, during the three years prior to the date of this Agreement, no Person has gained unauthorized access to any Company IT Assets and there has been no material failure of any Company IT Asset.

(m) The Company and each Company Subsidiary have established and maintained commercially reasonable privacy policies and have been in compliance with (i) such policies and (ii) all (A) Contracts and (B) applicable federal, state, local and foreign Laws relating to privacy, data protection, data security, export, and the collection, use, disclosure, retention, security and processing of Personal Information gathered, used, processed, held for use or accessed in the course of the operations of its business. No claims or investigations have been asserted or, to the knowledge of the Company, threatened against the Company or any Company Subsidiary alleging a violation of any Law or Contract relating to a Person's privacy, Personal Information or data rights. The consummation of the Transactions will not breach or otherwise cause any violation of any Contract or policy of the Company or any Company Subsidiary related to the privacy or data security of the Personal Information gathered, used, held for use or accessed on, or on behalf of, the Company or any Company Subsidiary in the conduct of their respective businesses. The Company and each Company Subsidiary have not notified in writing, or been required by applicable Law or Contract to notify in writing, any Person of any privacy or technology security incidents.

(n) The Company and each Company Subsidiary have implemented commercially reasonable security regarding (i) the collection, use, disclosure, retention, processing, transfer, confidentiality, integrity and availability of Personal Information collected, owned, controlled or held by the Company or any Company Subsidiary, and (ii) the integrity and availability of any information or operational technology systems, or Software applications used by or on behalf of the Company or any Company Subsidiary. There has not been any loss, damage, or unauthorized disclosure, use of, or access to, any Personal Information or Intellectual Property in the possession, custody or control of the Company or any Company Subsidiary, and there has been no security incident that has compromised the integrity or availability of the information technology system, operational technology system or Software applications used, owned or operated by the Company or any Company Subsidiary.

(xiii) any Company License Agreement;

(xiv) any Contract with any Person (A) pursuant to which the Company or any of the Company Subsidiaries may be required to pay milestones, royalties or other contingent payments based on any research, testing, development, regulatory filings or approval, sale, distribution, commercial manufacture or other similar occurrences, developments, activities or events, in each case, with respect to the Company Products, or (B) under which the Company or any of the Company Subsidiaries grants to any Person any right of first refusal, right of first offer, right of first negotiation, option to purchase, option to license or any other similar rights with respect to any Company Product or any Intellectual Property, in each case, which payments are in an amount having an expected value in excess of \$5,000,000 in the fiscal year ending December 31, 2018 or any fiscal year thereafter;

(xv) any collective bargaining agreements or other Contracts with any labor organization, labor union or other employee representative with respect to employees of the Company or any of the Company Subsidiaries;

(xvi) any Contract involving the settlement or compromise of any pending or threatened Proceeding (or series of related Proceedings), which (A) involves payments by the Company or any of the Company Subsidiaries after the date hereof in excess of \$2,000,000 or (B) imposes any materially burdensome monitoring or reporting obligations to any other Person outside the ordinary course of business or any other material restrictions on the Company or any Company Subsidiary; or

(xvii) (A) any Contract that primarily relates to research, pre-clinical, clinical or other development of any Company Product or (B) any Contract that primarily relates to distribution, marketing, supply, collaboration, manufacturing, promotion, or other commercialization of any Company Product that involves payments to or from the Company or any Company Subsidiary in excess of \$1,000,000, in each case, that is not disclosed on Section 4.18(c) of the Company Disclosure Letter, including, for the avoidance of doubt, those Contracts excluded from the definition of "Company License Agreements" under Section 4.18(c)(A)-(D);

(b) Each Contract listed or required to be listed in Section 4.19(a) of the Company Disclosure Letter and each Contract that would be required to be filed as an exhibit to any of the Company SEC Documents pursuant to Items 601(b)(4) and 601(b)(10) of Regulation S-K under the Securities Act are collectively referred to herein as the "Company Contracts". Subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar Laws of general applicability relating to or affecting creditors' rights and to general equity principles, each Company Contract is a valid and binding agreement of the Company or a Company Subsidiary, as the case may be, and is in full force and effect. None of the Company, any Company Subsidiary or, to the knowledge of the Company, any other party thereto is in default or breach in any material respect under the terms of any such Company Contract. To the knowledge of the Company, as of the date hereof, no Person is seeking to terminate or challenging the validity or enforceability of any Company Contract. True, correct and complete copies of each such Company Contract (including all modifications and amendments thereto and waivers thereunder) have been made available to Parent.

(c) The replacement or removal of one or more members of the Board of Directors of the Company will not result, after the giving of notice, with lapse of time or otherwise, in any violation, default or loss of a benefit of the Company or any Company Subsidiary under, or permit the acceleration or termination of any obligation under or require any consent or notice under, any Company Contract.

Section 4.20 Suppliers. Section 4.20 of the Company Disclosure Letter sets forth a true and complete list of all of the material (measured by gross expenditures by the Company and the Company Subsidiaries on a consolidated basis) suppliers (each, a "Material Supplier") to the Company and the Company Subsidiaries for the period from January 1, 2019 to the date hereof. No Material Supplier has terminated or cancelled, or delivered written notification to the Company or any of the Company

Subsidiaries that it intends to terminate or cancel, or decreased materially or, to the knowledge of the Company, threatened to decrease or limit materially, its relationship with the Company or any of the Company Subsidiaries. Since January 1, 2017, (a) neither the Company nor any Company Subsidiary has been engaged adversely in a Proceeding with any Material Supplier and (b) there has been no change in the pricing or other terms under any Contract with any Material Supplier that is material and adverse to the Company and the Company Subsidiaries, taken as a whole.

Section 4.21 Environmental Laws and Regulations. The Company and each Company Subsidiary is in compliance, and since January 1, 2017 has complied, in all material respects with all applicable Environmental Laws and has obtained and is in compliance in all material respects with all Environmental Permits. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (a) no notice of violation, notification of liability, demand, request for information, citation, summons or Order relating to or arising out of any Environmental Law has been received by the Company or any Company Subsidiary, and (b) no complaint has been filed, no penalty or fine has been assessed or, to the knowledge of the Company, is threatened and no Proceeding is pending or, to the knowledge of the Company, threatened by any Person involving the Company or any Company Subsidiary, relating to or arising out of any Environmental Law. No Release or threatened Release of Hazardous Substances has occurred at, on, above, under or from any properties currently or, to the knowledge of the Company, formerly owned, leased, operated or used by the Company or any Company Subsidiary that, in each case, has resulted in or would reasonably be expected to result in any material cost, liability or obligation of the Company or any Company Subsidiary under any Environmental Law. The Company has made available to Parent all material environmental site assessments, audits, reports, investigations and studies in the possession, custody or control of the Company or any Company Subsidiary relating to properties or assets currently or formerly owned, leased, operated or used by the Company or any Company Subsidiary or otherwise relating to the Company's or any Company Subsidiary's compliance with Environmental Laws. Neither the Company nor any Company Subsidiary is required by applicable Law or any Governmental Entity to provide financial assurance for the decommissioning of any manufacturing facility.

Section 4.22 Insurance Coverage. The Company and the Company Subsidiaries maintain insurance coverage with reputable insurers in such amounts and covering such risks as the Company reasonably believes, based on past experience, is adequate for the businesses and operations of the Company and the Company Subsidiaries (taking into account the cost and availability of such insurance). Neither the Company nor any Company Subsidiaries has received any written notice of any pending or threatened cancellation (other than in connection with ordinary renewals) or material premium increase (other than premium increases in the ordinary course) with respect to any such material insurance policy, and each Company Subsidiary is in compliance in all material respects with all conditions contained therein. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (a) all such insurance policies are in full force and effect and (b) will not be affected by, or terminated or lapse by reason of, this Agreement or the consummation of the Merger. There is no material claim pending under any of the Company's insurance policies as to which coverage has been denied by the underwriters of such policies.

Section 4.23 Foreign Corrupt Practices Act and International Trade Sanctions. Neither the Company, any Company Subsidiary nor any of their respective directors or officers, nor, to the knowledge of the Company, any of their respective agents, employees or any other Persons acting on their behalf has, in connection with the operation of their respective businesses, (a) made, promised, offered or authorized any direct or indirect unlawful contributions, payments, gifts, entertainment or any unlawful expenditures relating to political activity to government officials, candidates or members of political parties or organizations, or any other Person, or established or maintained any unlawful or unrecorded funds in violation of the United States Foreign Corrupt Practices Act of 1977, or any other similar applicable Law (including the United Kingdom Bribery Act 2010 or any Laws enacted pursuant to the OECD Convention

on Combating Bribery of Foreign Public Officials) (collectively, the “Anti-Corruption Laws”), (b) taken any action in violation of Anti-Corruption Laws or (c) in the past five years violated, operated in noncompliance with, or engaged in any conduct sanctionable under, any applicable export restrictions, anti-boycott regulations, economic or financial sanctions or trade embargos or other applicable domestic or foreign Laws, including the regulations enacted, administered and enforced by the U.S. government from time to time, including the U.S. Treasury Department’s Office of Foreign Assets Control (“OFAC”), which prohibit transactions involving parties located in countries, regions or territories that are, or whose governments are, the subject or target of comprehensive economic sanctions maintained by OFAC (as of the date of this Agreement, Crimea, Cuba, Iran, North Korea and Syria) and any similar Laws of those jurisdictions in which the Company and the Company Subsidiaries do business, or parties identified on OFAC’s Specially Designated Nationals and Blocked Persons List (collectively, “Sanctions”). Neither the Company, nor any Company Subsidiary, nor any of their respective directors, officers, agents, employees or any other Persons acting on their behalf is a Person that is the subject or target of Sanctions, or owned or controlled by such a Person. The Company and each Company Subsidiary has conducted their businesses in compliance in all material respects with Anti-Corruption Laws and has instituted and maintains in effect policies and procedures designed to ensure compliance by the Company, the Company Subsidiaries, and their respective directors, officers, employees and agents with applicable Anti-Corruption Laws.

Section 4.24 Opinion of Financial Advisor. The Board of Directors of the Company has received the opinion of BofA Securities, Inc. (the “Company Financial Advisor”), dated as of February 20, 2020, to the effect that, as of the date of such opinion and subject to the assumptions, limitations, qualifications and conditions set forth therein, the Exchange Ratio is fair, from a financial point of view, to the holders of Company Common Stock. Promptly after the execution of this Agreement, the Company will furnish to Parent, solely for informational purposes, a true and complete copy of the written opinion of the Company Financial Advisor.

Section 4.25 Brokers. No Person other than the Company Financial Advisor and Jefferies LLC is entitled to any brokerage, financial advisory, finder’s or similar fee or commission payable by any Party in connection with the Transactions based upon arrangements made by or on behalf of the Board of Directors of the Company (or any committee thereof), the Company or any Company Subsidiary. The Company has made available to Parent a true, correct and complete copy of each agreement between the Company or any Company Subsidiary and the Company Financial Advisor relating to the Transactions.

Section 4.26 Transactions with Affiliates. To the knowledge of the Company and as of the date of this Agreement, since January 1, 2017, there have been no transactions, or series of related transactions, agreements, arrangements or understandings in effect, nor are there any currently proposed transactions, or series of related transactions, agreements, arrangements or understandings, that would be required to be disclosed under Item 404(a) of Regulation S-K that have not been otherwise disclosed in Company SEC Documents filed prior to the date hereof.

Section 4.27 Non-Reliance on Parent Estimates. Parent has made available to the Company, and may continue to make available, estimates, projections and other forecasts for the business of Parent and the Parent Subsidiaries and plan and budget information. The Company acknowledges that these estimates, projections, forecasts, plans and budgets and the assumptions on which they are based were prepared for specific purposes and may vary significantly from each other. Further, the Company acknowledges that there are uncertainties inherent in attempting to make such estimates, projections, forecasts, plans and budgets, that the Company is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections, forecasts, plans and budgets so furnished to it (including the reasonableness of the assumptions underlying such estimates, projections, forecasts, plans and budgets), and, except to the extent expressly set forth in the representations and warranties made pursuant to Article V, that the Company is not relying on any estimates, projections, forecasts, plans or budgets furnished by Parent, Merger Sub, any Parent Subsidiary or their respective Affiliates and Representatives, and the Company shall not, and shall cause its Affiliates and its Representatives not to, hold any such Person liable with respect thereto. Nothing herein shall limit the Company’s remedies in the case of fraud in connection with the negotiation or execution of this Agreement.

Section 4.28 No Additional Representations. The Company acknowledges and agrees that except for the representations and warranties made by Parent and Merger Sub in Article V, neither Parent, Merger Sub nor any other Person makes any other express or implied representation or warranty with respect to Parent, Merger Sub or their respective businesses, operations, assets, liabilities, conditions (financial or otherwise) or prospects, notwithstanding the delivery or disclosure to the Company or any of its Affiliates or Representatives of any documentation, forecasts or other information with respect to any one or more of the foregoing.

ARTICLE V

REPRESENTATIONS AND WARRANTIES OF PARENT AND MERGER SUB

Except as (i) set forth in the corresponding Sections or Subsections of a disclosure letter delivered to the Company by Parent prior to, or concurrently with, the execution of this Agreement (the "Parent Disclosure Letter") (it being agreed that disclosure of any item in any Section or Subsection of the Parent Disclosure Letter shall be deemed a disclosure with respect to any other Section or Subsection to which the relevance of such item is reasonably apparent on its face) or (ii) other than with respect to the Parent Identified Representations, disclosed in the Parent SEC Documents filed with, or furnished to, the SEC pursuant to the Exchange Act since January 1, 2017 and at least two Business Days prior to the date of this Agreement, excluding any disclosures set forth in any Section entitled "Risk Factors" or "Forward-Looking Statements" or in any other Section to the extent they are forward-looking statements or cautionary, nonspecific, predictive or forward-looking in nature (it being agreed that any matter disclosed in any such Parent SEC Document shall be deemed to be disclosed in a Section or Subsection of the Parent Disclosure Letter only to the extent that it is reasonably apparent on the face of such disclosure in such Parent SEC Document that such disclosure is applicable to such Section or Subsection of the Parent Disclosure Letter), Parent and Merger Sub jointly and severally represent and warrant to the Company as follows:

Section 5.1 Organization. Parent is a corporation duly incorporated, validly existing and in good standing under the Laws of the State of Delaware, Merger Sub is a corporation duly formed, validly existing and in good standing under the Laws of the State of Delaware, and each of Parent and Merger Sub has all requisite corporate power and authority to own, lease and operate its properties and assets and to carry on its business as currently conducted, except where any failure to be in good standing has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. Parent has made available to the Company true, correct and complete copies of its and Merger Sub's Constituent Documents, as amended and in effect on the date of this Agreement, and neither Parent nor Merger Sub is in violation in any material respect of their respective Constituent Documents.

Section 5.2 Subsidiaries.

(a) Each Subsidiary of Parent (individually, a "Parent Subsidiary" and, collectively, the "Parent Subsidiaries") is a corporation duly incorporated or a limited liability company, company limited by shares, partnership or other entity duly organized and is validly existing and, to the extent such concept or a similar concept exists in the relevant jurisdiction, in good standing under the Laws of the jurisdiction of its incorporation or organization, as the case may be, and has all requisite corporate or other power and authority, as the case may be, to own, lease and operate its properties and assets and to carry on its business as currently conducted, except where any failure to be in good standing has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. Each Parent Subsidiary is qualified or licensed to do business in each jurisdiction where the ownership,

leasing or operation of its properties or assets or conduct of its business requires such qualification or license, except where any failures to be so qualified or licensed have not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. No Parent Subsidiary is in violation in any material respect of its Constituent Documents.

(b) Parent is, directly or indirectly, the record holder and Beneficial Owner of all of the outstanding Securities of each Parent Subsidiary, free and clear of any Liens and free of any other limitation or restriction (including any limitation or restriction on the right to vote, sell, transfer or otherwise dispose of the Securities), except for such restrictions imposed by applicable Law. All of such Securities have been duly authorized, validly issued, fully paid and, where applicable, are nonassessable (and no such shares have been issued in violation of any preemptive or similar rights).

(c) The authorized capital stock of Merger Sub consists of 1,000 shares of common stock, par value \$0.01 per share, all of which are validly issued and outstanding. All of the issued and outstanding capital stock of Merger Sub is, and at the Effective Time will be, owned by Parent. Merger Sub has not conducted any business prior to the date of this Agreement and has no, and prior to the Effective Time will have no, assets, liabilities or obligations of any nature other than those incident to its formation and pursuant to this Agreement and the Merger and the other Transactions.

Section 5.3 Capitalization.

(a) As of the date of this Agreement, the authorized Securities of Parent consists of 250,000,000 shares of Parent Common Stock and 25,000,000 shares of preferred stock, par value \$0.01 per share (the "Parent Preferred Stock" and, together with Parent Common Stock, the "Parent Capital Stock"). At the Reference Time: (i) 39,229,308 shares of Parent Common Stock were issued and outstanding, (ii) no shares of Parent Preferred Stock were issued and outstanding, (iii) no shares of Parent Common Stock were held by Parent in its treasury, (iv) 272,224 shares of Parent Common Stock were issuable upon the exercise of outstanding Parent Stock Options, (v) 1,075,585 shares of Parent Common Stock were subject to outstanding awards of Parent restricted stock (including 680,984 shares of Parent Common Stock covered by time-vesting restricted stock awards, 227,503 shares of Parent Common Stock covered by performance-vesting restricted stock awards (payable at the target amounts) and 167,098 shares of Parent Common Stock covered by relative total stockholder return-vesting restricted stock awards (payable at the target amounts)), (vi) 525,754 shares of Parent Common Stock were subject to Parent restricted stock units (including 379,598 shares of Parent Common Stock covered by time-vesting restricted stock unit awards, no shares of Parent Common Stock covered by performance-vesting restricted stock unit awards, and 146,156 shares of Parent Common Stock covered by relative total stockholder return-vesting restricted stock unit awards (payable at the target amounts)) and (vii) 4,976,512 shares of Parent Common Stock were reserved for issuance pursuant to the Parent Stock Plans. All shares of Parent Common Stock to be issued in connection with the Merger will be, when issued in accordance with the terms of this Agreement, duly authorized, validly issued, fully paid and nonassessable and are subject to no preemptive or similar rights. Parent has sufficient authorized, but unissued, shares of Parent Common Stock required to be issued in connection with the Merger. From the Reference Time through the date hereof, there have been no issuances by Parent of Securities, other than the issuance of Parent Common Stock upon the exercise of the Equity Rights of Parent outstanding at the Reference Time and in accordance with their terms in effect at such time.

(b) There are no preemptive or similar rights on the part of any holder of any class of Securities of Parent or any Parent Subsidiary. Neither Parent nor any Parent Subsidiary has any outstanding bonds, debentures, notes or other obligations the holders of which have the right to vote (or which are convertible into or exercisable for Securities having the right to vote) with the holders of any class of Securities of Parent or any Parent Subsidiary on any matter submitted to such holders of Securities. Other than as set forth in Section 5.3(a), there are no other outstanding Equity Rights with respect to Securities of Parent or any Parent Subsidiary. There are no outstanding contractual obligations of Parent or any Parent Subsidiary to repurchase, redeem or otherwise acquire any Securities of Parent or any Parent Subsidiary. There are no proxies, voting trusts or other agreements or understandings to which Parent is a party or is bound with respect to the voting of the Securities of Parent.

Section 5.4 Authorization; Board Approval; Voting Requirements.

(a) Each of Parent and Merger Sub has all requisite corporate power and authority to execute and deliver this Agreement and, in the case of Parent, the CVR Agreement, to perform its obligations hereunder and thereunder and, subject to the Parent Stockholder Approval and the adoption of this Agreement by Parent as the sole stockholder of Merger Sub (which will be effected by Parent as promptly as reasonably practicable after the execution of this Agreement by the Parties), to consummate the Transactions. The execution, delivery and performance of this Agreement, and, in the case of Parent, the CVR Agreement and the consummation of the Transactions have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of either Parent or Merger Sub are necessary for it to authorize this Agreement and, in the case of Parent, the CVR Agreement or to consummate the Transactions, except for, in any such case, the adoption of this Agreement by the Parent Stockholder Approval and the adoption of this Agreement by Parent as the sole stockholder of Merger Sub (which will be effected by Parent as promptly as reasonably practicable after the execution of this Agreement by the Parties). This Agreement has been, and, in the case of Parent, the CVR Agreement will be, duly and validly executed and delivered by each of Parent and Merger Sub and, assuming due authorization, execution and delivery by the other Parties, each such agreement constitutes, or will constitute at the time of such authorization, execution and delivery, a legal, valid and binding obligation of each of Parent and Merger Sub, enforceable against each of Parent and Merger Sub in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar Laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(b) The Board of Directors of Parent, at a meeting duly called and held, has (i) determined that this Agreement, the CVR Agreement, and the Transactions (including the Parent Share Issuance) are fair to and in the best interests of Parent and its stockholders, (ii) approved, adopted and declared advisable this Agreement, the CVR Agreement, and the Transactions (including the Parent Share Issuance), (iii) directed that the Parent Share Issuance be submitted to a vote at a meeting of Parent's stockholders and (iv) subject to Section 7.19(d), recommended the approval of the Parent Share Issuance by Parent's stockholders (the "Parent Recommendation").

(c) The affirmative vote at the Parent Stockholders Meeting or any adjournment or postponement thereof at which a quorum is present of the holders of at least a majority of the votes cast by holders of outstanding shares of Parent Common Stock approving the Parent Share Issuance (such approval, the "Parent Stockholder Approval") is the only vote or consent of the holders of any Parent Capital Stock necessary in connection with the consummation of the Transactions.

(d) The representations and warranties set forth in this Section 5.4 shall be made with respect to the Original Merger Agreement as of the Original Execution Date and with respect to this Agreement as of the Execution Date.

Section 5.5 Takeover Statute; Ownership of Company Common Stock.

(a) Assuming the representations and warranties in Section 4.5 are true and correct, no state "fair price," "moratorium," "control share acquisition" or similar anti-takeover statute is applicable to the Transactions.

(b) None of Parent or Merger Sub is, or at any time since January 1, 2017 has been, an “interested stockholder” of the Company as defined in Section 203 of the DGCL. Neither Parent nor any of the Parent Subsidiaries has taken, or authorized or permitted any of its Representatives to take, any action that would cause Parent or any of its “affiliates” or “associates” (each as defined in Section 203 of Delaware Law) thereof to be deemed an “interested stockholder” as defined in Section 203 of the DGCL or otherwise render Section 251 of the DGCL inapplicable to the Merger. Neither Parent nor any of Parent’s Affiliates directly or indirectly owns, and at all times since January 1, 2017, neither Parent nor any of Parent’s Affiliates has owned, whether Beneficially Owned or otherwise, any Securities of the Company, Equity Rights of the Company or any Contracts convertible into or exercisable or exchangeable for Securities of the Company (through derivative securities or otherwise). The representations and warranties set forth in this [Section 5.5\(b\)](#) shall be made with respect to the Original Merger Agreement as of the Original Execution Date and with respect to this Agreement as of the Execution Date.

Section 5.6 No Violations; Consents and Approvals.

(a) The execution and delivery of this Agreement or, in the case of Parent, the CVR Agreement by each of Parent and Merger Sub does not and the consummation by each of Parent and Merger Sub of the Transactions will not: (i) assuming the receipt of the Parent Stockholder Approval, conflict with any provisions of the Constituent Documents of Parent or Merger Sub; (ii) violate any Law or rules of any Self-Regulatory Organization (assuming the receipt of the Parent Stockholder Approval and compliance with the matters set forth in [Section 5.6\(b\)](#) (Consents and Approvals)); (iii) result, after the giving of notice, with lapse of time or otherwise, in any violation, default or loss of a benefit under, or permit the acceleration or termination of any obligation under or require any consent or notice under, any Contract to which Parent or Merger Sub is a party; (iv) result in the creation or imposition of any Lien upon any properties or assets of Parent or any Parent Subsidiary; or (v) cause the suspension or revocation of any Parent Permit, except, in the case of [clauses \(ii\), \(iii\), \(iv\) and \(v\)](#), as would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. The representations and warranties set forth in this [Section 5.6\(a\)](#) shall be made with respect to the Original Merger Agreement as of the Original Execution Date and with respect to this Agreement as of the Execution Date.

(b) No clearance, consent, approval, Order, license or authorization of, or declaration, registration or filing with, or notice to, or Permit issued by any Governmental Entity or Self-Regulatory Organization is required to be made or obtained by Parent or Merger Sub in connection with the execution or delivery of this Agreement by each of Parent and Merger Sub or the consummation by each of Parent and Merger Sub of the Transactions, except for: (i) compliance by Parent with the HSR Act and the Foreign Competition Laws; (ii) the filing of the Certificate of Merger with the Secretary of State in accordance with the DGCL; (iii) (A) the filing with the SEC of the Joint Proxy Statement/Prospectus in accordance with Regulation 14A promulgated under the Exchange Act, (B) the filing with the SEC, and the declaration of effectiveness under the Securities Act, of the Form S-4 and (C) the filing with the SEC of such reports under and such other compliance with the Exchange Act and the Securities Act as may be required in connection with this Agreement and the Transactions; (iv) such consents, registrations, declarations, notices or filings as are required to be made or obtained under the securities or “blue sky” Laws of various states in connection with the Parent Share Issuance; (v) such filings with and approvals of the Nasdaq Global Market as are required to permit the consummation of the Merger and the listing of the shares of Parent Common Stock to be issued as Merger Consideration; and (vi) any such other clearance, consent, approval, Order, license, authorization, declaration, registration, filing, notice or Permit, the failure of which to make or obtain would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

Section 5.7 SEC Reports; Parent Financial Statements.

(a) Parent has timely filed or furnished all reports, schedules, forms, statements and other documents required to be filed or furnished by it with or to the SEC since January 1, 2017 (together with all exhibits, financial statements and schedules thereto, all information incorporated therein by reference and all documents filed with the SEC during such period by Parent on a voluntary basis, the

“Parent SEC Documents”). As of its filing (or furnishing) date or, if amended prior to the date of this Agreement, as of the date of the last such amendment, each Parent SEC Document complied in all material respects with the applicable requirements of the Exchange Act and the Securities Act, as the case may be. As of its filing date or, if amended prior to the date of this Agreement, as of the date of the last such amendment, each Parent SEC Document filed pursuant to the Exchange Act did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. Each Parent SEC Document that is a registration statement, as amended or supplemented, if applicable, filed pursuant to the Securities Act, as of the date such registration statement or amendment became effective prior to the date of this Agreement, did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(b) The Parent Financial Statements, which have been prepared, in all material respects, from the books and records of Parent and the Parent Subsidiaries, comply as to form in all material respects with the applicable accounting requirements and the published rules and regulations of the SEC with respect thereto and have been prepared in accordance with GAAP applied on a consistent basis throughout the periods presented, except as otherwise noted therein. The Parent Financial Statements (including the related notes) present fairly in all material respects the consolidated financial position of Parent and the Parent Subsidiaries as at the respective dates thereof and their consolidated results of operations and cash flows for the periods then ended (subject to normal and recurring year-end audit adjustments in the case of any unaudited interim financial statements).

(c) As of the date hereof, there are no material outstanding or unresolved written comments from the SEC with respect to the Parent SEC Documents. As of the date hereof, none of the Parent SEC Documents are, to the knowledge of Parent, the subject of ongoing SEC review.

(d) The audit committee of the Board of Directors of Parent has established “whistleblower” procedures that meet the requirements of Exchange Act Rule 10A-3, and has delivered or made available to the Company true, complete and correct copies of such procedures in effect as of the date of this Agreement. Since January 1, 2017, neither Parent nor any Parent Subsidiary has received any “complaints” (within the meaning of Exchange Act Rule 10A-3) in respect of any accounting, internal accounting controls or auditing matters. To Parent’s knowledge, since January 1, 2017, no complaint seeking relief under Section 806 of the Sarbanes-Oxley Act has been filed with the United States Secretary of Labor and no employee of Parent or any Parent Subsidiary has threatened to file any such complaint.

(e) To the extent required by the Exchange Act, Parent and the Parent Subsidiaries have established and maintain disclosure controls and procedures (as defined in Rule 13a-15 under the Exchange Act) designed to ensure that material information relating to Parent, including the Parent Subsidiaries, is made known to Parent’s principal executive officer and its principal financial officer by others within those entities, including during the periods in which the periodic reports required under the Exchange Act are being prepared. Each of the principal executive officer of Parent and the principal financial officer of Parent (or each former principal executive officer of Parent and each former principal financial officer of Parent, as applicable) has made all certifications required by Rule 13a-14 or 15d-14 under the Exchange Act and Sections 302 and 906 of the Sarbanes-Oxley Act with respect to the Parent SEC Documents, and the statements contained in such certifications are true and accurate in all material respects as of the date on which they were made. For purposes of this [Section 5.7](#), “principal executive officer” and “principal financial officer” shall have the meanings given to such terms in the Sarbanes-Oxley Act. Since January 1, 2017, Parent has complied in all material respects with the provisions of the Sarbanes-Oxley Act.

(f) Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, Parent maintains a system of “internal control over financial reporting” (as defined in Rule 13a-15(f) of the Exchange Act) to provide reasonable assurance regarding the reliability of Parent’s financial reporting and the preparation of Parent’s financial statements for external purposes in accordance with GAAP. Parent’s principal executive officer and principal financial officer have disclosed, based on their most recent evaluation of such internal controls prior to the date of this Agreement, to Parent’s auditors and the audit committee of the Board of Directors of Parent “(i) all significant deficiencies and material weaknesses” in the design or operation of internal controls which are reasonably likely to adversely affect Parent’s ability to record, process, summarize and report financial information and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in internal controls. Parent has made available to the Company prior to the date of this Agreement a true and complete (in all material respects) summary of any disclosure of the type described in the preceding sentence made by management to Parent’s auditors and audit committee during the period beginning January 1, 2017 and ending as of the date hereof.

(g) Neither Parent nor any of the Parent Subsidiaries is a party to, or has any commitment to become a party to, any off-balance sheet joint venture, off-balance sheet partnership or other “off-balance sheet arrangement” (as defined in Item 303(a) of Regulation S-K under the Exchange Act).

Section 5.8 Absence of Undisclosed Liabilities. Parent and the Parent Subsidiaries do not have any liabilities, obligations or commitments, whether or not accrued, known or unknown, contingent or otherwise, that would be required by GAAP to be reflected on the consolidated balance sheet of Parent and the Parent Subsidiaries, except for (i) liabilities, obligations and commitments that have not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, (ii) liabilities, obligations or commitments disclosed and provided for in the consolidated balance sheet (or the notes thereto) of Parent and the Parent Subsidiaries as of June 30, 2019 and (iii) liabilities, obligations or commitments incurred in the ordinary course of business consistent with past practice since June 30, 2019.

Section 5.9 Regulatory Matters.

(h) With respect to any material Software that is owned by Parent or a Parent Subsidiary, such Software was either developed (i) by employees of Parent or such Parent Subsidiary within the scope of their employment or (ii) by independent contractors who have assigned their rights in such Software to Parent or such Parent Subsidiary pursuant to written agreements.

(i) Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, no Open Source Software (i) has been modified by Parent or any Parent Subsidiary, (i) has been embedded in or otherwise combined by Parent or any Parent Subsidiary with any other Software, or (iii) has been distributed by Parent or any Parent Subsidiary to any third party either independently or as part of a Parent Product, in each case, in a manner that would condition the license governing such Open Source Software on Parent's or a Parent Subsidiary's (A) disclosing or distributing any Software owned by Parent or a Parent Subsidiary in source code form, (B) licensing any Software owned by Parent or a Parent Subsidiary for the purpose of making derivative works or (C) redistributing any Software owned by Parent or a Parent Subsidiary at no or minimal charge.

No claims or investigations have been asserted or to the knowledge of Parent, threatened against Parent or any Parent Subsidiary alleging a violation of any Law or Contract relating to a Person's privacy, Personal Information or data rights. The consummation of the Transactions will not breach or otherwise cause any violation of any Contract or policy of Parent or any Parent Subsidiary related to the privacy or data security of the Personal Information gathered, used, held for use or accessed on, or on behalf of, Parent or any Parent Subsidiary in the conduct of their respective businesses. Parent and each Parent Subsidiary have not notified in writing, or been required by applicable Law or Contract to notify in writing, any Person of any privacy or technology security incidents.

Each Contract that would be required to be filed as an exhibit to any Parent SEC Document (as described in Items 601(b)(4) and 601(b)(10) of Regulation S-K under the Securities Act) has been filed as an exhibit to or incorporated by reference in the Parent SEC Documents filed prior to the date of this Agreement (each, a "Parent Contract"). Subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar Laws of general applicability relating to or affecting creditors' rights and to general equity principles, each Parent Contract is a valid and binding agreement of Parent or a Parent Subsidiary, as the case may be, and is in full force and effect. None of Parent, any Parent Subsidiary or, to the knowledge of Parent, any other party thereto is in default or breach in any material respect under the terms of any such Parent Contract. To the knowledge of Parent, as of the date hereof, no Person is seeking to terminate or challenging the validity or enforceability of any Parent Contract.

Section 5.20 Suppliers. No Parent Material Supplier has terminated or cancelled in writing, or delivered written notification to Parent or any of the Parent Subsidiaries that it intends to terminate or cancel, or decreased materially or, to the knowledge of Parent, threatened to decrease or limit materially, its relationship with Parent or any of the Parent Subsidiaries. Since January 1, 2017, (a) neither Parent nor any Parent Subsidiary has been engaged adversely in a Proceeding with any Parent Material Supplier and (b) there has been no change in the pricing or other terms under any Contract with any Parent Material Supplier that is material and adverse to Parent and the Parent Subsidiaries, taken as a whole.

Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, (a) no notice of violation, notification of liability, demand, request for information, citation, summons or Order relating to or arising out of any Environmental Law has been received by Parent or any Parent Subsidiary, and (b) no complaint has been filed, no penalty or fine has been assessed or, to the knowledge of Parent, is threatened and no Proceeding is pending or, to the knowledge of Parent, threatened by any Person involving Parent or any Parent Subsidiary, relating to or arising out of any Environmental Law. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, to the knowledge of Parent, no Release or threatened Release of Hazardous Substances has occurred at, on, above, under or from any properties currently or formerly owned, leased, operated or used by Parent or any Parent Subsidiary that, in each case, has resulted in or would reasonably be expected to result in any material cost, liability or obligation of Parent or any Parent Subsidiary under any Environmental Law. Parent has made available to the Company all environmental site assessments, audits, reports, investigations and studies generated since January 1, 2017 and in the possession, custody or control of Parent or any Parent Subsidiary relating to properties or assets currently or formerly owned, leased, operated or used by Parent or any Parent Subsidiary or otherwise relating to Parent's or any Parent Subsidiary's compliance with Environmental Laws.

Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, Parent and the Parent Subsidiaries maintain insurance coverage with reputable insurers in such amounts and covering such risks as Parent reasonably believes, based on past experience, is adequate for the businesses and operations of Parent and the Parent Subsidiaries (taking into account the cost and availability of such insurance). Neither Parent nor any Parent Subsidiary has received any written notice of any pending or threatened cancellation (other than in connection with ordinary renewals) or material premium increase (other than premium increases in the ordinary course) with respect to any such material insurance policy, and each Parent Subsidiary is in compliance with all conditions contained therein, except for such noncompliance as has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect. Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, (a) all such material insurance policies are in full force and effect and (b) will not be affected by, or terminated or lapse by reason of, this Agreement or the consummation of the Merger. There is no material claim pending under any of Parent's insurance policies as to which coverage has been denied by the underwriters of such policies.

Section 5.23 Foreign Corrupt Practices Act and International Trade Sanctions. Neither Parent, any Parent Subsidiary nor any of their respective directors or officers, nor, to the knowledge of Parent, any of their respective agents or employees or any other Persons acting on their behalf has, in connection with the operation of their respective businesses, (a) made, promised, offered or authorized any direct or indirect unlawful contributions, payments, gifts, entertainment or any unlawful expenditures relating to political activity to government officials, candidates or members of political parties or organizations, or any other Person, or established or maintained any unlawful or unrecorded funds in violation of Anti-Corruption Laws, (b) taken any action in violation of Anti-Corruption Laws, or (c) in the past five years violated, operated in noncompliance with, or engaged in any conduct sanctionable under, any applicable Sanctions. Neither Parent, nor any Parent Subsidiary, nor any of their respective directors, officers, agents, employees or any other Persons acting on their behalf is a Person that is the subject or target of Sanctions, or owned or controlled by such a Person. The Board of Directors of Parent has received a written opinion or an oral opinion to be subsequently confirmed in writing from SVB Leerink LLC (the "Parent Financial Advisor"), dated as of February 19, 2020, to the effect that, as of the date of such opinion and subject to the assumptions, limitations, qualifications and conditions set forth therein, the Merger Consideration is fair, from a financial point of view, to Parent. Promptly after the execution of this Agreement, Parent will furnish to the Company, solely for informational purposes, a true and complete copy of the written opinion of the Parent Financial Advisor.

Section 5.25 Brokers. No Person other than the Parent Financial Advisor is entitled to any brokerage, financial advisory, finder's or similar fee or commission payable by Parent in connection with the Transactions based upon arrangements made by or on behalf of Parent.

Section 5.26 Transactions with Affiliates. To the knowledge of Parent and as of the date of this Agreement, since January 1, 2017, there have been no transactions, or series of related transactions, agreements, arrangements or understandings in effect, nor are there any currently proposed transactions, or series of related transactions, agreements, arrangements or understandings, that would be required to be disclosed under Item 404(a) of Regulation S-K that have not been otherwise disclosed in Parent SEC Documents filed prior to the date hereof.

Section 5.27 Non-Reliance on Company Estimates. The Company has made available to Parent and Merger Sub, and may continue to make available, estimates, projections and other forecasts for the business of the Company and the Company Subsidiaries and plan and budget information. Each of Parent and Merger Sub acknowledges that these estimates, projections, forecasts, plans and budgets and the assumptions on which they are based were prepared for specific purposes and may vary significantly from each other. Further, each of Parent and Merger Sub acknowledges that there are uncertainties inherent in attempting to make such estimates, projections, forecasts, plans and budgets, that Parent and Merger Sub are taking full responsibility for making their own evaluation of the adequacy and accuracy of all estimates, projections, forecasts, plans and budgets so furnished to them (including the reasonableness of the assumptions underlying such estimates, projections, forecasts, plans and budgets), and, except to the extent expressly set forth in the representations and warranties made pursuant to Article IV, that neither Parent nor Merger Sub is relying on any estimates, projections, forecasts, plans or budgets furnished by the Company, any Company Subsidiaries or their respective Affiliates and Representatives, and neither Parent nor Merger Sub shall, and shall cause its Affiliates and their respective Representatives not to, hold any such Person liable with respect thereto. Nothing herein shall limit Parent's or the Parent Subsidiaries' remedies in the case of fraud in connection with the negotiation or execution of this Agreement.

Section 5.28 No Additional Representations. Each of Parent and Merger Sub acknowledges and agrees that except for the representations and warranties made by the Company in Article IV, neither the Company nor any other Person makes any other express or implied representation or warranty with respect to the Company or its business, operations, assets, liabilities, condition (financial or otherwise) or prospects, notwithstanding the delivery or disclosure to Parent, Merger Sub or any of their respective Affiliates or Representatives of any documentation, forecasts or other information with respect to any one or more of the foregoing.

(c) Each of Parent and the Company shall, as promptly as practicable after receipt thereof, provide the other Parties copies of any written comments and advise the other Parties of any oral comments, with respect to the Joint Proxy Statement/Prospectus or the Form S-4 received from the SEC. Parent shall provide the Company with a reasonable opportunity to review and comment on any amendment or supplement to the Form S-4 and any communications prior to filing such with the SEC and will promptly provide the Company with a copy of all such filings and communications made with the SEC.

(d) The Company shall cause the Joint Proxy Statement/Prospectus to be mailed to its stockholders at the earliest reasonable practicable time after the Form S-4 is declared effective under the Securities Act. Parent shall cause the Joint Proxy Statement/Prospectus to be mailed to its stockholders at the earliest reasonable practicable time after the Form S-4 is declared effective under the Securities Act. Each Party will advise the other Parties, promptly after it receives notice thereof, of the time when the Form S-4 has become effective, the issuance of any stop order, the suspension of the qualification of Parent Common Stock issuable in connection with the Merger for offering or sale in any jurisdiction, or any request by the SEC for amendment of the Joint Proxy Statement/Prospectus or the Form S-4.

(e) If at any time prior to the Effective Time, (i) any event or change occurs (including, in the case of the Company, a Change in Recommendation or receipt of a Takeover Proposal or, in the case of Parent, a Parent Change in Recommendation or receipt of a Parent Takeover Proposal) with respect to the Parties or any of their respective Affiliates, officers or directors, which, in accordance with applicable Law, should be set forth in an amendment of, or supplement to, the Form S-4 or the Joint Proxy Statement/Prospectus or (ii) any information relating to the Parties, or any of their respective Affiliates, officers or directors, should be discovered by any of the Parties which should be set forth in an amendment or supplement to the Form S-4 or the Joint Proxy Statement/Prospectus so that, in any such case, any such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Parties shall file as promptly as reasonably practicable with the SEC a mutually acceptable (acting reasonably) amendment of, or supplement to, the Form S-4 or the Joint Proxy Statement/Prospectus and, to the extent required by Law, disseminate the information contained in such amendment or supplement to the stockholders of the Parties.

Section 7.2 Stockholder Meetings.

(a) As promptly as reasonably practicable after the Form S-4 is declared effective (and, in the case of clause (iii), within 40 days of the Company Record Date), the Company shall, in consultation with Parent, in accordance with applicable Law, the rules of any applicable Self-Regulatory Organization and the Company's Constituent Documents, (i) establish a record date (the "Company Record Date") for, duly call and give notice of a meeting of the stockholders of the Company (the "Company Stockholders Meeting") for the purpose of obtaining the Company Stockholder Approval (and will use reasonable best efforts to conduct "broker searches" in a manner to enable the Company Record Date to be held promptly following the effectiveness of the Form S-4), (ii) cause the Joint Proxy Statement/Prospectus (and all other proxy materials for the Company Stockholders Meeting) to be mailed to its stockholders and (iii) duly convene and hold the Company Stockholders Meeting. Subject to Section 7.5(d) (Company No Solicitation), the Company shall take, or cause to be taken, all actions, and do or cause to be done all things, necessary, proper or advisable on its part to cause the Company Stockholder Approval to be received at the Company Stockholders Meeting or any adjournment, postponement or delay thereof, and shall comply with all legal requirements applicable to the Company Stockholders Meeting. The Company shall not, without the prior written consent of Parent (such consent not to be unreasonably withheld, conditioned or delayed), adjourn, postpone or otherwise delay the Company Stockholders Meeting; provided that the Company may, notwithstanding the foregoing, without the prior written consent of Parent, adjourn, postpone or otherwise delay the Company Stockholders Meeting (A) if, after consultation with Parent, the Company believes in good faith that such adjournment, postponement or delay is reasonably necessary to allow reasonable additional time to (1) solicit additional proxies necessary to obtain the Company Stockholder Approval, or (2) distribute any supplement or amendment to the Joint Proxy Statement/Prospectus that the Board of Directors of the Company has determined in good faith after consultation with outside legal counsel is necessary under applicable Law and for such supplement or amendment to be reviewed by the Company's stockholders prior to the Company Stockholders Meeting, (B) for an absence of a quorum or (C) if the Parent Stockholders Meeting has been adjourned, postponed or otherwise delayed by Parent in accordance with Section 7.2(b), to the extent necessary to enable the Company Stockholders Meeting and the Parent Stockholders Meeting to be held within a single period of 24 consecutive hours as contemplated by Section 7.2(d). Notwithstanding the foregoing, the Company may not, without the prior written consent of Parent (such consent not to be unreasonably withheld, conditioned or delayed), adjourn, postpone or otherwise delay the Company Stockholders Meeting more than a total of three times pursuant to clause (A)(1) or (B) of the immediately preceding sentence, and no such postponement, adjournment or delay pursuant to clause (A) (1) or (B) of the immediately preceding sentence shall be, without the prior written consent of Parent (such consent not to be unreasonably withheld, conditioned or delayed), for a period exceeding 10 Business Days. Without the prior written consent of Parent (such consent not to be unreasonably withheld, conditioned or delayed), the adoption of this Agreement shall be the only matter (other than a proposal relating to executive compensation as required by applicable Law and an adjournment proposal) that the Company shall propose to be acted on by the stockholders of the Company at the Company Stockholders Meeting. Subject to Section 7.5(d), neither the Board of Directors of the Company nor any committee thereof, shall (x) withdraw or qualify (or amend or modify in a manner adverse to Parent) or publicly propose to withdraw or qualify (or amend or modify in a manner adverse to Parent), the Company Recommendation, (y) take any public action or make any public statement in connection with the Company Stockholders Meeting adverse to such Company Recommendation or (z) recommend, adopt, endorse or approve, or propose publicly to recommend, adopt, endorse or approve, any Takeover Proposal (any of the actions described in clauses (x), (y) or (z), a "Change in Recommendation"); provided that the Board of Directors of the Company may make a Change in Recommendation in accordance with Section 7.5(d) (Company No Solicitation); provided, further, that a determination by the Board of Directors of the Company that a Takeover Proposal constitutes a Superior Proposal in accordance with Section 7.5, that an Intervening Event has occurred in accordance with Section 7.5(d) or the delivery of any notices to Parent by the Company pursuant to Section 7.5(d) shall not, in and of itself, constitute a Change in

Recommendation; and provided, further that each of Parent and Merger Sub acknowledge and agree that no public or private statement, discussion, activity, act, omission or event occurring prior to the Execution Date of which Parent has knowledge shall constitute or be the basis for a Change in Recommendation. Subject to Section 7.5(d), the Joint Proxy Statement/Prospectus shall include the Company Recommendation.

(b) As promptly as reasonably practicable after the Form S-4 is declared effective (and, in the case of clause (iii), within 40 days of the Company Record Date), Parent shall, in consultation with the Company, in accordance with applicable Law, the rules of any applicable Self-Regulatory Organization and Parent's Constituent Documents, (i) establish a record date (which date shall be the same as the Company Record Date) (the "Parent Record Date") for, duly call and give notice of a meeting of the stockholders of Parent (the "Parent Stockholders Meeting") for the purpose of obtaining the Parent Stockholder Approval (and will use reasonable best efforts to conduct "broker searches" in a manner to enable the Parent Record Date to be held on the same day as the Company Record Date), (ii) cause the Joint Proxy Statement/Prospectus (and all other proxy materials for the Parent Stockholders Meeting) to be mailed to its stockholders and (iii) duly convene and hold the Parent Stockholders Meeting. Subject to Section 7.19(d) (Parent No Solicitation), Parent shall take, or cause to be taken, all actions, and do or cause to be done all things, necessary, proper or advisable on its part to cause the Parent Stockholder Approval to be received at the Parent Stockholders Meeting or any adjournment, postponement or delay thereof, and shall comply with all legal requirements applicable to the Parent Stockholders Meeting. Parent shall not, without the prior written consent of the Company (such consent not to be unreasonably withheld conditioned or delayed), adjourn, postpone or otherwise delay the Parent Stockholders Meeting; provided that Parent may, notwithstanding the foregoing, without the prior written consent of the Company, adjourn, postpone or delay the Parent Stockholders Meeting (A) if, after consultation with the Company, Parent believes in good faith that such adjournment, postponement or delay is reasonably necessary to allow reasonable additional time to (1) solicit additional proxies necessary to obtain the Parent Stockholder Approval, or (2) distribute any supplement or amendment to the Joint Proxy Statement/Prospectus that the Board of Directors of Parent has determined in good faith after consultation with outside legal counsel is necessary under applicable Law and for such supplement or amendment to be reviewed by Parent's stockholders prior to the Parent Stockholders Meeting, (B) for an absence of a quorum or (C) if the Company Stockholders Meeting has been adjourned, postponed or otherwise delayed by the Company in accordance with Section 7.2(a), to the extent necessary to enable the Company Stockholders Meeting and the Parent Stockholders Meeting to be held within a single period of 24 consecutive hours as contemplated by Section 7.2(d). Notwithstanding the foregoing, Parent may not, without the prior written consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed), adjourn, postpone or otherwise delay the Parent Stockholders Meeting more than a total of three times pursuant to clause (A)(1) or (B) of the immediately preceding sentence, and no such postponement, adjournment or delay pursuant to clause (A)(1) or (B) of the immediately preceding sentence shall be, without the prior written consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed), for a period exceeding 10 Business Days. Without the prior written consent of the Company (such consent not to be unreasonably withheld conditioned or delayed), the issuance of Parent Common Stock in connection with the Merger shall be the only matter (other than matters of procedure and matters required by applicable Law to be voted on by Parent's stockholders in connection with this Agreement and the Transactions, including any adjournment proposal) that Parent shall propose to be acted on by the stockholders of Parent at the Parent Stockholders Meeting. Subject to Section 7.19(d), neither the Board of Directors of Parent nor any committee thereof, shall (x) withdraw or qualify (or amend or modify in a manner adverse to the Company) or publicly propose to withdraw or qualify (or amend or modify in a manner adverse to the Company), the Parent Recommendation, (y) take any public action or make any public statement in connection with the Parent Stockholders Meeting adverse to such Parent Recommendation or (z) recommend, adopt, endorse or approve, or propose publicly to recommend, adopt, endorse or approve, any Parent Takeover Proposal (any of the actions described in clauses (x), (y) or (z) a "Parent Change in

Recommendation"); provided, that the Board of Directors of Parent may make a Parent Change in Recommendation in accordance with Section 7.19(d); provided, further, that a determination by the Board of Directors of Parent that a Parent Takeover Proposal constitutes a Parent Superior Proposal in accordance with Section 7.19, a Parent Intervening Event has occurred in accordance with Section 7.19(d) or the delivery of any notices to the Company by Parent pursuant to Section 7.19(d) shall not, in and of itself, constitute a Parent Change in Recommendation. Subject to Section 7.19(d), the Joint Proxy Statement/Prospectus shall include the Parent Recommendation.

(c) Notwithstanding (i) any Change in Recommendation or Parent Change in Recommendation, (ii) the public proposal or announcement or other submission to the Company or any of its Representatives of a Takeover Proposal, (iii) the public proposal or announcement or other submission to Parent or any of its Representatives of a Parent Takeover Proposal or (iv) anything in this Agreement to the contrary, unless this Agreement is terminated in accordance with its terms, the obligations of the Company and Parent under this Section 7.2 shall continue in full force and effect.

(d) Notwithstanding anything to the contrary herein, it is the intention of the parties that, and each of the parties shall reasonably cooperate and use their commercially reasonable efforts to cause, the date and time of the Company Stockholders Meeting and the Parent Stockholders Meeting to be coordinated such that they occur within a single period of 24 consecutive hours (and in any event as close in time as reasonably possible).

Section 7.3 Access to Information; Confidentiality.

(a) Prior to the earlier of the Effective Time and the termination of this Agreement in accordance with Section 9.1, upon reasonable notice, the Company shall, and shall cause the Company Subsidiaries to, afford to the officers, directors, employees, accountants, counsel, financial advisors, consultants, financing sources and other advisors or representatives (collectively, "Representatives") of Parent access during normal business hours to the Company's and the Company Subsidiaries' properties, books, records, Contracts and personnel and shall furnish, and shall cause to be furnished, as promptly as reasonably practicable to Parent all other information with respect to the Company as Parent may reasonably request.

(b) Notwithstanding anything to the contrary in this Section 7.3, none of the Company, Parent or any of their respective Subsidiaries shall be required to provide access to, disclose information to or assist or cooperate with the other party, in each case if such access, disclosure, assistance or cooperation (i) would, as reasonably determined based on the advice of outside counsel, jeopardize any attorney-client privilege with respect to such information, or (ii) would contravene any applicable Law or Contract to which the applicable party is a subject or bound; provided that the Company and Parent shall, and each shall cause its Subsidiaries to, use reasonable best efforts to make appropriate substitute disclosure arrangements under circumstances in which such restrictions apply (including redacting such information (A) to remove references concerning valuation, (B) as necessary to comply with any Contract in effect on the date hereof or after the date hereof and (C) as necessary to address reasonable attorney-client, work-product or other privilege or confidentiality concerns) and to provide such information as to the applicable matter as can be conveyed.

(c) The Company will use reasonable efforts to (i) continue to progress the Phase 3 CONDOR trial evaluating the diagnostic performance and clinical impact of PyL (18F-DCFPyL) to a readout of the top-line results and (ii) lock the main study databases for that trial by December 31, 2019. The main study databases shall contain information required to analyze the trial's primary efficacy endpoints. The Company will grant Parent and its Representatives unrestricted access to the main study databases once locked, and the Company will also share with Parent and its advisors results of primary efficacy endpoints analysis within five Business Days after the main study databases are locked. The

Company will use reasonable efforts to provide Parent and its advisors with reasonable access and support from the trial's lead investigator, the contract research organization hosting the main database, the contract research organization in charge of statistical analysis of the primary endpoints and the imaging core laboratory responsible for performing the central review of medical images. The Company authorizes Parent to have performed an independent review and analysis of trials data contained in the main study databases by an independent statistician selected by Parent.

(d) All information furnished pursuant to this [Section 7.3](#) shall be subject to the confidentiality agreement, dated as of July 15, 2019, by and between the Company and Parent (the "[Confidentiality Agreement](#)"). No investigation pursuant to this [Section 7.3](#) shall affect the representations, warranties or conditions to the obligations of the Parties contained herein.

Section 7.4 Consents and Approvals.

(a) Subject to the terms and conditions of this Agreement, each of Parent and the Company will use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable Law to consummate the Transactions, including obtaining as promptly as reasonably practicable any necessary consents, approvals, waivers, licenses, permits, franchises, certificates, registrations, variances, exemptions and authorizations of, and actions or nonactions by, and making as promptly as practicable all necessary filings, submissions and declarations with, any Governmental Entity, Self-Regulatory Organization or other third party necessary in connection with the consummation of the Transactions. In furtherance and not in limitation of the foregoing, each of Parent and the Company shall (i) make or cause to be made the filings, submissions and declarations required of such party under the HSR Act and the Foreign Competition Laws with respect to the Transactions as promptly as practicable after the date of this Agreement (and in any event, in the case of the HSR Act, within 10 Business Days after the date of this Agreement), (ii) comply at the earliest practicable date with any request under the HSR Act for additional information, documents or other materials received by such party from the FTC, the Antitrust Division of the U.S. Department of Justice (the "[Antitrust Division](#)") or by any other Governmental Entity (including under any Foreign Competition Laws) in respect of such filings, submissions and declarations or the Transactions and (iii) act in good faith and reasonably cooperate with the other Party in connection with any such filings, submissions and declarations and in connection with resolving, and use reasonable best efforts to resolve, any investigation or other inquiry of any such agency or other Governmental Entity under any of the HSR Act, the Foreign Competition Laws, the Sherman Act, the Clayton Act and any other Laws or Orders that are designed to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade (collectively, the "[Antitrust Laws](#)") with respect to any such filings, submissions and declarations or any of the Transactions. In addition, from the date hereof, if the Transactions are subject to ISRA, the Company shall undertake all steps necessary to comply with the requirements of ISRA imposed on account of the execution of this Agreement and consummation of the Transactions, including making or causing to be made any filings required thereunder within five days of the date hereof. To the extent not prohibited by applicable Law, the Company, on the one hand, will provide Parent, and Parent, on the other hand, will provide the Company, with copies of any material correspondence, filing or communication between such Party or any of its Representatives, on the one hand, and any Governmental Entity or members of their respective staffs, on the other hand, with respect to this Agreement and the Transactions. Prior to submitting or making any such correspondence, filing or communication to any such Governmental Entity or members of their respective staffs, the Parties shall, to the extent permitted by applicable Law, first provide the other Party with a copy of such correspondence, filing or communication in draft form and give such other Party a reasonable opportunity to discuss its content before it is submitted or filed with the relevant Governmental Entities, and shall consider and take account of all reasonable comments timely made by the other Party with respect thereto. To the extent permitted by applicable Law, each of the Parties shall ensure that the other Party is given the opportunity to attend any meetings with or other appearances before any Governmental Entity with respect to the Transactions. Neither Party shall agree to any voluntary extension

of any statutory deadline or waiting period or to any voluntary delay of the consummation of the Transactions at the behest of any Governmental Entity (including the Antitrust Division) without the prior written consent of the other Party (such consent not to be unreasonably withheld, conditioned or delayed).

(b) For purposes of this Section 7.4, “reasonable best efforts” shall include, solely at Parent’s election, (i) vigorously defending, contesting and objecting to any Proceedings challenging this Agreement or the Transactions or that would otherwise prevent or materially impede, interfere with, hinder or delay the consummation of the Transactions, (ii) executing settlements, undertakings, consent decrees, stipulations or other agreements, (iii) selling, divesting, holding separate or otherwise conveying, or agreeing to sell, divest, hold separate or otherwise convey, any particular assets or categories of assets or businesses of Parent, any Parent Subsidiary, the Company or any Company Subsidiary, (iv) terminating, relinquishing, modifying or waiving, or agreeing to terminate, relinquish, modify or waive, existing relationships, ventures, contractual rights, obligations or other arrangements of Parent, any Parent Subsidiary, the Company or any Company Subsidiary, (v) creating, or agreeing to create, any relationships, ventures, contractual rights, obligations or other arrangements of Parent, any Parent Subsidiary, the Company or any Company Subsidiary, (vi) taking or committing to take actions that after the Closing Date would limit the freedom of action of Parent or its Affiliates (including the Surviving Corporation) with respect to, or its or their ability to retain, one or more of its or their businesses, product lines or assets and (vii) taking any other action as may be required by a Governmental Entity in order to (A) obtain all necessary consents, approvals, waivers, licenses, permits, franchises, certificates, registrations, variances, exemptions and authorizations of, and actions and non-actions by, any Governmental Entity or other third party as promptly as reasonably possible, but in any event before the Outside Date, or (B) effect the expiration or termination of any waiting period, which would otherwise have the effect of preventing or delaying the Closing beyond the Outside Date; provided, however, that no action contemplated by clauses (i) through (vii) may be taken if such action would bind Parent, any Parent Subsidiary, the Company or any Company Subsidiary if the Closing does not occur.

Section 7.5 Company No Solicitation.

(a) From the date hereof until the earlier of the Effective Time and the termination of this Agreement pursuant to Section 9.1, except as otherwise set forth in this Section 7.5, the Company shall not, nor shall it authorize or permit any of the Company Subsidiaries to, and the Company shall use reasonable best efforts to cause its and its Subsidiaries’ respective Representatives not to, directly or indirectly (i) initiate or solicit or knowingly facilitate, knowingly induce or knowingly encourage any inquiry or the making of any proposal or offer that constitutes, or would reasonably be expected to lead to, a Takeover Proposal, (ii) enter into, continue or otherwise participate in any discussions or negotiations regarding, furnish to any Person any information or data with respect to, or cooperate in any way that would otherwise reasonably be expected to lead to, any proposal or offer that constitutes, or would reasonably be expected to lead to, any Takeover Proposal, (iii) submit to the stockholders of the Company for their approval or adoption any Takeover Proposal or (iv) agree or publicly announce an intention to take any of the foregoing actions. Except as otherwise set forth in Section 7.5(d), the Board of Directors of the Company or any committee thereof shall not approve, declare advisable, adopt or recommend, or publicly propose to approve, declare advisable, adopt or recommend, or allow the Company or any Company Subsidiary to execute or enter into, any binding or non-binding letter of intent, agreement in principle, memorandum of understanding, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other agreement contemplating or otherwise in connection with, or that is intended to or would reasonably be expected to lead to, any Takeover Proposal (other than confidentiality agreements permitted under Section 7.5(b)(i)) (an “Alternative Acquisition Agreement”). The Company shall, and the Company shall cause the Company Subsidiaries and shall use reasonable best efforts to cause its and their respective Representatives to, immediately cease and cause to be terminated any existing activities, discussions or negotiations with any Persons or their Representatives conducted prior to the date of this Agreement with respect to any Takeover Proposal and will request the prompt return

or destruction of any confidential information previously furnished to such Persons in connection therewith and immediately terminate the access of each such Person and its Representatives to any electronic data room maintained by or on behalf of the Company or any of the Company Subsidiaries. Neither the Company nor any of the Company Subsidiaries shall modify, amend or terminate, or waive, release, fail to enforce or assign any provisions of, any confidentiality agreement (other than any standstill provision therein) to which it is a party relating to any Takeover Proposal or any inquiry, offer or proposal in connection therewith and shall enforce, to the fullest extent permitted under applicable Law, the provisions of any such agreement (other than any standstill provision therein). Without limiting the foregoing, any violation of the restrictions set forth in this Section 7.5 by any Representative of the Company or any of the Company Subsidiaries shall be deemed to be a breach of this Section 7.5 by the Company.

(b) Notwithstanding the foregoing, prior to receipt of the Company Stockholder Approval, the Company may, in response to a bona fide written Takeover Proposal that was first received after the date hereof, was unsolicited and did not result from a breach of Section 7.5(a):

(i) furnish information with respect to the Company and the Company Subsidiaries to the Person making such Takeover Proposal and its Representatives pursuant to and in accordance with a confidentiality agreement containing provisions no less restrictive in any substantive respect than those contained in the Confidentiality Agreement; provided that such confidentiality agreement need not contain a standstill provision; provided, further, that all such information provided to such Person has previously been provided to Parent or is provided to Parent prior to or substantially concurrently with (and in any event on the same calendar day as) the time it is provided to such Person; and

(ii) participate in discussions or negotiations with such Person or its Representatives regarding such Takeover Proposal;

provided, in each case, that the Board of Directors of the Company determines in good faith (after consultation with its outside legal counsel and a financial advisor of nationally recognized reputation), that (i) after consultation with its outside legal counsel and a financial advisor of nationally recognized reputation (it being understood that the Company Financial Advisor is a financial advisor of nationally recognized reputation), such Takeover Proposal is, or would reasonably be expected to lead to, a Superior Proposal and (ii) after consultation with its outside legal counsel, the failure to furnish such information or participate in such discussions or negotiations with respect to such Takeover Proposal would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law.

(c) As promptly as reasonably practicable after the receipt, directly or indirectly, by the Company of any Takeover Proposal or any proposal, offer or inquiry with respect to, or that would reasonably be expected to lead to, any Takeover Proposal, and in any case within 24 hours after the receipt thereof, the Company shall provide oral and written notice to Parent of (i) such Takeover Proposal, proposal, offer or inquiry, (ii) the identity of the Person making any such Takeover Proposal, proposal, offer or inquiry and (iii) the economic and other material terms and conditions of any such Takeover Proposal, proposal, offer or inquiry (including an unredacted copy of all written materials provided by such Person to the Company in connection with such Takeover Proposal, proposal, offer or inquiry and any amendments or modifications thereto). The Company shall promptly (and in any event within 24 hours) keep Parent reasonably informed of any material developments with respect to any such Takeover Proposal, proposal, offer or inquiry (including any material changes thereto and copies of any additional written materials received by the Company, the Company Subsidiaries or their respective Representatives from the Person that submitted such Takeover Proposal or such proposal, offer or inquiry or such Person's Representatives).

(d) Except as provided in this Section 7.5(d), neither the Board of Directors of the Company nor any committee thereof shall, directly or indirectly, effect a Change in Recommendation. Notwithstanding the foregoing, at any time prior to receipt of the Company Stockholder Approval, the Board of Directors of the Company may, in response to a Superior Proposal (that has not been withdrawn) or an Intervening Event, effect a Change in Recommendation; provided that the Board of Directors of the Company determines in good faith (after consultation with its outside legal counsel and a financial advisor of nationally recognized reputation) that the failure to do so would be inconsistent with its fiduciary duties under applicable Law; provided, further, that the Board of Directors of the Company may not effect such a Change in Recommendation unless:

(i) the Board of Directors of the Company shall have first provided four Business Days' prior written notice to Parent that it is prepared to effect a Change in Recommendation in response to a Superior Proposal or an Intervening Event (it being understood that delivery of such notice shall not in and of itself constitute a Change in Recommendation), which notice shall (A) in the case of a Superior Proposal, include the material terms and conditions of the Superior Proposal that is the basis of the proposed action of the Board of Directors of the Company (including the identity of the Person making such Superior Proposal and a written summary of any material terms and conditions communicated orally), and shall attach the most current unredacted version of the relevant Alternative Acquisition Agreement (if any) with the Person making such Superior Proposal and unredacted copies of any other documents evidencing or specifying any other terms and conditions of such Takeover Proposal received from, or provided by, the Person making such Superior Proposal and (B) in the case of an Intervening Event, state in reasonable detail the material facts underlying, and the rationale and basis for, the determination that an Intervening Event has occurred (it being understood and agreed that an amendment to the material terms of such Superior Proposal or a material change to the facts and circumstances that are the basis for such Intervening Event shall require an updated notice and a new three Business Day period pursuant to this clause (i) during which period the Company shall be required to comply with this Section 7.5(d) anew with respect to such additional notice);

(ii) during such four Business Day period, the Company and its Representatives, to the extent reasonably requested by Parent, engaged in good faith negotiations with Parent to amend this Agreement in such a manner (A) in the case of a Superior Proposal, that the Takeover Proposal ceases to constitute a Superior Proposal or (B) in the case of an Intervening Event, to obviate the need to effect a Change in Recommendation; and

(iii) after taking into account any revised terms offered in writing by Parent, the Board of Directors of the Company determines in good faith (A) in the case of a Superior Proposal, after consultation with its legal counsel and financial advisor, that such Takeover Proposal continues to constitute a Superior Proposal and (B) in the case of a Superior Proposal or Intervening Event, after consultation with its outside legal counsel, that the failure to make a Change in Recommendation would continue to be inconsistent with its fiduciary duties under applicable Law.

(e) Nothing contained in this Section 7.5 shall prohibit the Company from complying with Rule 14d-9, Rule 14e-2 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act in respect of any Takeover Proposal or making any disclosure to the stockholders of the Company if the Board of Directors of the Company determines in good faith (after consultation with its outside legal counsel) that the failure to make such disclosure would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law; provided, however, that any such action taken or statement made that relates to a Takeover Proposal shall not be deemed to be a Change in Recommendation if the Board of Directors of the Company reaffirms the Company Recommendation in such statement or in connection with such action; provided, further, that neither the Board of Directors of the Company nor any committee thereof shall, except as expressly permitted by Section 7.5(d) (Change in Recommendation), effect a Change in Recommendation.

(f) For purposes of this Agreement:

(i) “Intervening Event” means a Change that is material to the Company and the Company Subsidiaries, taken as a whole, which was not known by, or if known, the effect of which was not reasonably foreseeable by, the Board of Directors of the Company as of or prior to the date hereof (which Change does not relate to a Takeover Proposal), and which becomes known to the Board of Directors of the Company prior to the Company Stockholder Approval; provided, however that none of the following shall constitute, be deemed to contribute to or otherwise be taken into account in determining whether there has been an Intervening Event: (A) any changes in the market price or trading volume of Company Common Stock or Parent Common Stock, in and of itself; (B) the fact that, in and of itself, the Company or any of the Company Subsidiaries exceeds any internal or published projections, forecasts, estimates or predictions in respect of revenues, earnings or other financial or operating metrics for any period ending after the date of this Agreement (it being understood that the underlying facts giving rise or contributing to events described in clauses (A) and (B) may be taken into account in determining whether there has been an Intervening Event if such facts are not otherwise excluded under this definition); (C) any regulatory or clinical Changes relating to any Company Product (including (1) any regulatory actions, requests, recommendations or decisions of any Governmental Entity relating to any Company Product or any other regulatory or clinical development relating to any Company Product, and (2) any clinical trials, studies, tests or results or announcements thereof with respect to any Company Product); and (D) the research, development, testing, distribution, sale, supply, license, marketing, promotion, manufacturing or commercialization of any Company Product.

(ii) “Superior Proposal” means an unsolicited bona fide written Takeover Proposal that was first received after the date hereof that (x) did not result from a breach of Section 7.5 and (y) the Board of Directors of the Company determines, in good faith, after consultation with its outside legal counsel and its financial advisor, (A) is reasonably likely to be consummated in accordance with its terms (if accepted), taking into account all legal, regulatory and financing aspects (including certainty of closing and, to the extent third party financing is required, that such financing is then fully committed on customary terms and conditions) of such Takeover Proposal and the Person making the proposal and other aspects of the Takeover Proposal that the Board of Directors of the Company deems relevant, and (B) if consummated, would result in a transaction more favorable from a financial point of view to the holders of Company Common Stock (solely in their capacity as such) than the Transactions; provided, however, that, for the purposes of this definition of “Superior Proposal,” the term “Takeover Proposal” shall have the meaning assigned to such term herein, except that references to “15%” in such definition shall be deemed to be references to “50%”.

(iii) “Takeover Proposal” means any inquiry, proposal or offer from any Person, other than Parent and the Parent Subsidiaries, relating to any (A) direct or indirect acquisition (whether in a single transaction or a series of related transactions) of assets of the Company or any of the Company Subsidiaries (including Securities of any Company Subsidiaries) equal to 15% or more of the consolidated assets of the Company and the Company Subsidiaries, or to which 15% or more of the revenues of the Company and the Company Subsidiaries on a consolidated basis are attributable for the most recent fiscal year in which audited financial statements are then available, (B) direct or indirect acquisition from the Company or issuance (whether in a single transaction or a series of related transactions) of 15% or more of any class of equity or voting securities of the Company, (C) tender offer or exchange offer that, if consummated, would result in such Person Beneficially Owning 15% or more of any class of equity or voting securities of the Company, or (D) merger, consolidation, share exchange, business combination, joint venture, reorganization, recapitalization, liquidation, dissolution or similar transaction or series of related transactions involving the Company or any of the Company Subsidiaries, under which (1) such Person would, directly or indirectly, acquire assets equal to 15% or more of the consolidated assets of the Company and the Company Subsidiaries, or to which 15% or more of the revenues of the Company and the Company Subsidiaries on a consolidated basis are attributable for the most recent fiscal year in which audited financial statements are then available, or (2) the stockholders or equityholders of such Person immediately after giving effect to such transaction(s) would Beneficially Own 15% or more of any class of equity or voting securities of the Company or the surviving or resulting entity in such transaction(s).

Section 7.6 Employee Matters.

(a) Parent agrees that each Continuing Employee shall be provided, (i) for a period extending until the earlier of the termination of such Continuing Employee's employment with such entities or the first anniversary of the Closing Date, with (A) base compensation and target annual cash incentive opportunity that are not less than the base compensation and target annual cash incentive opportunity provided by the Company to such Continuing Employee immediately prior to the date of this Agreement, and (B) severance benefits that are substantially comparable in the aggregate to the severance benefits for which such employees were eligible immediately prior to the Closing, and (ii) for a period extending until the earlier of the termination of such Continuing Employee's employment with such entities or December 31, 2020, with other employee benefits (excluding any defined benefit pension, and post-employment or retiree benefits) that are substantially comparable in the aggregate as the other employee benefits provided to such employees immediately prior to the Closing. Notwithstanding the foregoing, following the Closing, each Continuing Employee shall participate in Parent's 401(k) plan on terms substantially comparable with those of similarly situated employees of Parent and Parent shall cause a 401(k) plan sponsored by Parent, the Surviving Corporation or one of their Affiliates to accept rollovers of distributions from the Company's 401(k) plan to such Continuing Employees to the extent elected by such Continuing Employees and to the extent permitted under applicable law or tax qualification requirements, and such rollovers shall include in-kind rollovers of outstanding loan balances of such Continuing Employees to the extent elected by the Continuing Employees. As of the Closing Date, Parent shall, or shall cause the Surviving Corporation or relevant Affiliate to, credit to Continuing Employees the amount of vacation time that such employees had accrued under any applicable Company Benefit Plans as of the Closing Date.

(b) Except to the extent necessary to avoid the duplication of benefits, the Surviving Corporation shall use commercially reasonable efforts to recognize the service of each Continuing Employee with the Company or its Affiliates before the Effective Time as if such service had been performed with Parent or its Affiliates (i) for purposes of eligibility and vesting under any employee benefit plans (including Parent's 401(k) plan) and programs of the Parent, of the Surviving Corporation or any of their Affiliates (the "Surviving Corporation Plans") in which the Continuing Employee participates after the Effective Time, and (ii) for benefit accrual purposes under any Surviving Corporation Plan that is a vacation or severance plan in which the Continuing Employee participates after the Effective Time; provided, that such recognition of service shall not apply for purposes of any plan or arrangement that is a defined benefit pension plan or that is grandfathered or frozen, either with respect to level of benefits or participation or for any post-retirement health or welfare plan.

(c) With respect to any health and welfare plan maintained by the Surviving Corporation or its Affiliates in which Continuing Employees are eligible to participate after the Effective Time, the Surviving Corporation and its Affiliates shall use commercially reasonable efforts to (i) waive all limitations as to preexisting conditions and exclusions with respect to participation and coverage requirements applicable to such employees to the extent such conditions and exclusions were satisfied or did not apply to such employees under the welfare plans maintained by the Company or its Affiliates prior to the Effective Time and (ii) provide each Continuing Employee with credit for any co-payments and deductibles paid prior to the Effective Time in satisfying any analogous deductible or out-of-pocket requirements to the extent applicable under any such plan.

(d) Parent shall, or shall cause the Surviving Corporation or its Affiliates to, assume and honor in accordance with their terms all Company Benefit Plans that are deferred compensation plans, agreements and arrangements, severance and separation pay plans, agreements and arrangements, and written employment, severance, retention, incentive, change in control and termination agreements

(including any change in control provisions therein) applicable to employees of the Company, in the same manner and to the same extent that the Company would be required to perform and honor such plans, agreements and arrangements if the transactions contemplated by this Agreement had not been consummated including any right to amend or terminate such plans, agreements and arrangements pursuant to their terms. Nothing in this Agreement is intended to (i) be treated as an amendment to any particular Company Benefit Plan, (ii) prevent Parent from amending or terminating any of the Parent Benefit Plans or, after the Effective Time, any Company Benefit Plan in accordance their terms, (iii) prevent Parent, after the Effective Time, from terminating the employment of any Continuing Employee or (iv) create any third party beneficiary rights in any employee of the Company or any Company Subsidiaries, any beneficiary or dependent thereof, or any collective bargaining representative thereof, with respect to the compensation, terms and conditions of employment and/or benefits that may be provided to any Continuing Employee by Parent or the Company or Company Subsidiaries or under any benefit plan which Parent or the Company or Company Subsidiaries may maintain.

Section 7.7 Fees and Expenses. Except as provided in Section 9.4, whether or not the Merger is consummated, all expenses incurred in connection with this Agreement and the Transactions shall be paid by the Party incurring such expenses.

Section 7.8 Directors' and Officers' Indemnification and Insurance.

(a) From and after the Effective Time, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, to the fullest extent permitted under the DGCL, indemnify and hold harmless, each Person who is on the date hereof, was previously, or during the period from the date hereof through the date of the Effective Time will be, serving as a director, officer, employee or agent of the Company or any Company Subsidiary or, at the request or for the benefit of the Company or any Company Subsidiary, as a director, trustee or officer of any other entity or any benefit plan (collectively, the "Indemnified Persons"), in the event of any threatened or actual Proceeding, whether civil, criminal or administrative, based on, or arising out of, or pertaining to the fact that the Indemnified Person is or was a director (including in a capacity as a member of any board committee), officer, employee or agent of the Company, any of the Company Subsidiaries or any of their respective predecessors prior to the Effective Time (including with respect to any acts, facts, events or omissions occurring in connection with the approval of this Agreement or any of the Transactions) (a "Claim"), whether in any case such Claim is made before, on or after the Effective Time against any expenses (including reasonable attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such Indemnified Person in connection with any such threatened or actual Claim. The Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, advance expenses (including reasonable attorneys' fees) incurred by an Indemnified Person who is on the date hereof, was previously, or during the period from the date hereof through the date of the Effective Time will be, serving as a director or officer of the Company in defending any Claim in advance of the final disposition of such Claim upon receipt of an undertaking by or on behalf of such Indemnified Person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Company pursuant to this Section 7.8.

(b) Neither Parent nor the Surviving Corporation shall settle, compromise or consent to the entry of any judgment in any threatened or actual Claim for which indemnification could be sought by an Indemnified Person hereunder, unless such settlement, compromise or consent includes an unconditional release of such Indemnified Person from all liability arising out of such Claim or such Indemnified Person otherwise consents in writing to such settlement, compromise or consent. Parent and the Surviving Corporation shall cooperate with an Indemnified Person in the defense of any matter for which such Indemnified Person could seek indemnification hereunder.

(c) For a period of six years after the Effective Time, the Surviving Corporation and each of its Subsidiaries shall, and Parent will cause the Surviving Corporation and each of its Subsidiaries to, cause to be maintained in effect provisions in the Constituent Documents of the Surviving Corporation and each of its Subsidiaries (or in such documents of any successor to the business of the Surviving Corporation or any of its Subsidiaries) regarding elimination of liability of directors, indemnification of officers, directors, employees and agents and advancement of expenses that are no less advantageous to the intended beneficiaries than the corresponding provisions in the Constituent Documents of the Company in existence on the date of this Agreement, which provisions shall not be amended, repealed or otherwise modified for a period of six years after the Effective Time in any manner that would adversely affect the rights thereunder of any such individuals. From and after the Effective Time, any agreement of any Indemnified Person with the Company or any of its Subsidiaries regarding elimination of liability, indemnification or advancement of expenses shall be assumed by the Surviving Corporation, shall survive the Merger and shall continue in full force and effect in accordance with its terms.

(d) Prior to the Closing Date, the Company shall, or if the Company is unable to, Parent shall cause the Surviving Corporation as of or following the Effective Time to, purchase a six year prepaid “tail” policy on the current policies of directors’ and officers’ liability insurance and fiduciary liability insurance maintained by the Company with respect to claims arising from facts or events that occurred on or before the Effective Time (including for acts or omissions occurring in connection with the approval of this Agreement and the consummation of the Transactions) (“D & O Insurance”); provided that the Company shall not pay, and the Surviving Corporation shall not be required to pay, for such “tail” policy more than 300% of the current annual premium paid by the Company for such D & O Insurance. If the Company or the Surviving Corporation shall for any reason fail to obtain such “tail” policy, the Surviving Corporation or Parent shall maintain for a period of six years after the Effective Time such D & O Insurance (provided that the Surviving Corporation or Parent (or any successor) may substitute therefor policies of at least the same coverage and amounts containing terms and conditions which are, in the aggregate, no less advantageous to the insured); provided that in no event shall the Surviving Corporation or Parent be required to pay in any one year more than 300% of the current annual premium paid by the Company for such D & O Insurance; provided, further, that if the annual premiums of such D & O Insurance exceed such amount, the Surviving Corporation shall be obligated to obtain a policy with the greatest coverage available for a cost not exceeding such amount.

(e) If Parent or the Surviving Corporation or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers or conveys all or substantially all of its property and assets to any Person, then, and in each such case, proper provision shall be made so that the applicable successor, assign or transferee shall assume the obligations set forth in this Section 7.8 (including this Section 7.8(e)).

(f) The obligations of Parent and the Surviving Corporation under this Section 7.8 shall not be terminated or modified in such a manner as to adversely affect any Indemnified Person to whom this Section 7.8 applies without the consent of such affected Indemnified Person (it being expressly agreed that the Indemnified Persons to whom this Section 7.8 applies shall be third party beneficiaries of this Section 7.8). The rights in this Section 7.8 shall survive consummation of the Merger and are intended to benefit, and shall be enforceable by, each Indemnified Person.

(g) The Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, pay all reasonable and documented out-of-pocket expenses, including reasonable attorneys’ fees, that may be incurred by any Indemnified Person in enforcing the indemnity and other obligations provided in this Section 7.8; provided that a court of competent jurisdiction has determined by a final, nonappealable order or judgment such Indemnified Person is entitled to indemnification hereunder.

Section 7.9 Public Announcements. The Company, Parent and Merger Sub agree that the press release announcing the execution and delivery of this Agreement shall be a joint release of, and shall not be issued prior to the approval of each of, the Company and Parent. Subject to Section 7.5 and Section 7.19, including any Change in Recommendation or Parent Change in Recommendation and except as may be required by applicable Law or any listing agreement with or rule of any national securities exchange or association, Parent and the Company shall use commercially reasonable efforts to develop a joint communications plan and each Party shall (a) consult with the other Party prior to issuing any press releases or other public statements or communications with respect to the Transactions (except to the extent that any such press releases or other public statements or communications are materially consistent with prior press releases or other public statements or communications made in accordance with this Section 7.9) and (b) consult with each other, and give each other the opportunity to review and comment upon, before issuing any press release or, to the extent practicable, otherwise making any public statement or communication with respect to this Agreement or the Transactions (except to the extent that any such press releases or other public statements or communications are materially consistent with prior press releases or other public statements or communications made in accordance with this Section 7.9). Neither Party shall be required by this Section 7.9 to consult with the other Party or any other Person with respect to a public announcement in connection with (i) in the case of the Company, a Change in Recommendation or, in accordance with Section 7.5(e), a Takeover Proposal and (ii) in the case of the Parent, a Parent Change in Recommendation or, in accordance with Section 7.19(e), a Parent Takeover Proposal.

Section 7.10 Notice of Certain Events.

(a) Each of Parent and the Company shall promptly notify the other after receiving or becoming aware of (i) any notice or other communication from any Person alleging that the consent of that Person is or may be required in connection with the Transactions, (ii) any Change that would have a Material Adverse Effect, in the case of the Company, or a Parent Material Adverse Effect, in the case of Parent, (iii) any Proceeding commenced or, to its knowledge, threatened against, relating to or otherwise involving Parent or any of the Parent Subsidiaries or the Company or any of the Company Subsidiaries, as the case may be, that relates to the consummation of the Transactions and (iv) any Change that has occurred that would reasonably be expected to result in any of the conditions set forth in Article VIII not being satisfied; provided, however, that the delivery of any notice pursuant to this Section 7.10(a) shall not limit or otherwise affect the remedies available hereunder to the Party receiving such notice; provided, further, that, notwithstanding the foregoing, a failure to comply with this Section 7.10(a) shall not constitute the failure of any condition set forth in Article VIII to be satisfied unless the underlying change or event would independently result in the failure of a condition set forth in Article VIII to be satisfied.

(b) The Company shall (i) promptly notify Parent of receipt by the Company of any material oral or written communications relating to the Merger or the Transactions contemplated hereby from any Five Percent Holder or any of its Affiliates or Representatives, (ii) provide Parent with a reasonable opportunity to review and comment on any written communication to such Five Percent Holder specifically (and not to Company stockholders generally) and any filings by the Company with any Governmental Entity or national securities exchange related to any such communication or to filings with the SEC by any Five Percent Holder (or member of a group that is a Five Percent Holder), which comments the Company shall consider in good faith, and (iii) keep Parent apprised of, and consult with Parent with respect to, the strategy related thereto. No Contract relating to a Five Percent Holder shall be agreed to or made by the Company or its Affiliate without Parent's prior written consent if such Contract shall bind or adversely affect the Company or any of the Company Subsidiaries after the Effective Time.

Section 7.13 State Takeover Laws. If any “fair price,” “business combination” or “control share acquisition” statute or other similar statute or regulation is or shall become applicable to the Transactions, the Company shall use all reasonable best efforts to grant such approvals and take such actions as are necessary so that the Transactions may be consummated as promptly as practicable on the terms contemplated hereby and shall otherwise act to minimize the effects of any such statute or regulation on the Transactions.

Section 7.14 Stockholder Litigation. The Company shall promptly advise Parent orally and in writing of any Proceeding brought by any stockholder of the Company against the Company and/or its directors, and shall keep Parent reasonably informed regarding any such Proceeding. The Company shall give Parent the opportunity to participate in, subject to a customary joint defense agreement, but not control the defense or settlement of any such Proceeding, shall give due consideration to Parent’s advice with respect to such Proceeding and shall not settle any such Proceeding without the prior written consent of Parent (which consent may not be unreasonably withheld, conditioned or delayed). Parent shall promptly advise the Company orally and in writing of any Proceeding brought by any stockholder of Parent against Parent and/or its directors, and shall keep the Company reasonably informed regarding any such Proceeding.

Prior to the Effective Time, each of Parent and the Company shall deliver certificates of officers of Parent and the Company, in each case, substantially in the form attached hereto as Exhibit C and Exhibit D.

(b) From the date of this Agreement and through the Closing Date, the Parties agree to use commercially reasonable efforts to consider in good faith alternative transaction structures for the purpose of achieving certain business objectives of the Surviving Corporation and its Affiliates after the Closing; provided, that no such structures shall result in a material adverse effect to the Company, Parent or the Surviving Corporation, including any material adverse effect on the qualification of the Merger as a reorganization within the meaning of Section 368(a) of the Code and each Party’s determination as to whether to undertake such alternative transaction structures will be made at the sole discretion of such Party.

Section 7.16 Stock Exchange Delisting; Exchange Act Deregistration. Following the Effective Time, each of the Surviving Corporation and Parent shall use reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, necessary, proper or advisable under applicable Laws and rules and policies of The Nasdaq Stock Market LLC to enable the delisting of Company Common Stock from The Nasdaq Stock Market LLC on the Closing Date and the deregistration of Company Common Stock under the Exchange Act as soon as practicable after the Effective Time.

Section 7.19 Parent No Solicitation.

(a) From the date hereof until the earlier of the Effective Time and the termination of this Agreement pursuant to Section 9.1, except as otherwise set forth in this Section 7.19, Parent shall not, nor shall it authorize or permit any of the Parent Subsidiaries to, and Parent shall use reasonable best efforts to cause its and its Subsidiaries' respective Representatives not to, directly or indirectly (i) initiate or solicit or knowingly facilitate, knowingly induce or knowingly encourage any inquiry or the making of any proposal or offer that constitutes, or would reasonably be expected to lead to, a Parent Takeover Proposal, (ii) enter into, continue or otherwise participate in any discussions or negotiations regarding, furnish to any Person any information or data with respect to, or cooperate in any way that would otherwise reasonably be expected to lead to, any proposal or offer that constitutes, or would reasonably be expected to lead to, any Parent Takeover Proposal, (iii) submit to the stockholders of Parent for their approval or adoption any Parent Takeover Proposal or (iv) agree or publicly announce an intention to take any of the foregoing actions. Except as otherwise set forth in Section 7.19(d), the Board of Directors of Parent or any committee thereof shall not approve, declare advisable, adopt or recommend, or publicly propose to approve, declare advisable, adopt or recommend, or allow Parent or any Parent Subsidiary to execute or enter into, any binding or non-binding letter of intent, agreement in principle, memorandum of understanding, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other agreement contemplating or otherwise in connection with, or that is intended to or would reasonably be expected to lead to, any Parent Takeover Proposal (other than confidentiality agreements permitted under Section 7.19(b)(i)) (a "Parent Alternative Acquisition Agreement"). Parent shall, and Parent shall cause the Parent Subsidiaries and shall use reasonable best efforts to cause its and their respective Representatives to, immediately cease and cause to be terminated any existing activities, discussions or negotiations with any Persons or their Representatives conducted prior to the date of this Agreement with respect to any Parent Takeover Proposal and will request the prompt return or destruction of any confidential information previously furnished to such Persons in connection therewith and immediately terminate the access of each such Person and its Representatives to any electronic data room maintained by or on behalf of Parent or any of the Parent Subsidiaries. Neither Parent nor any of the Parent Subsidiaries shall modify, amend or terminate, or waive, release, fail to enforce or assign any provisions of, any confidentiality agreement (other than any standstill provision therein) to which it is a party relating to any Parent Takeover Proposal or any inquiry, offer or proposal in connection therewith and shall enforce, to the fullest extent permitted under applicable Law, the provisions of any such agreement (other than any standstill provision therein). Without limiting the foregoing, any violation of the restrictions set forth in this Section 7.19 by any Representative of Parent or any of the Parent Subsidiaries shall be deemed to be a breach of this Section 7.19 by Parent.

(b) Notwithstanding the foregoing, prior to receipt of the Parent Stockholder Approval, Parent may, in response to a bona fide written Parent Takeover Proposal that was first received after the date hereof, was unsolicited and did not result from a breach of Section 7.19(a):

(i) furnish information with respect to Parent and the Parent Subsidiaries to the Person making such Parent Takeover Proposal and its Representatives pursuant to and in accordance with a confidentiality agreement containing provisions no less restrictive in any substantive respect than those contained in the Confidentiality Agreement; provided that such confidentiality agreement need not contain a standstill provision; provided, further, that all such information provided to such Person has previously been provided to the Company or is provided to the Company prior to or substantially concurrently with (and in any event on the same calendar day as) the time it is provided to such Person; and

(ii) participate in discussions or negotiations with such Person or its Representatives regarding such Parent Takeover Proposal;

provided, in each case, that the Board of Directors of Parent determines in good faith (after consultation with its outside legal counsel and a financial advisor of nationally recognized reputation), that (i) after consultation with its outside legal counsel and a financial advisor of nationally recognized reputation (it being understood that the Parent Financial Advisor is a financial advisor of nationally recognized reputation), such Parent Takeover Proposal is, or would reasonably be expected to lead to, a Parent Superior Proposal and (ii) after consultation with its outside legal counsel, the failure to furnish such information or participate in such discussions or negotiations with respect to such Parent Takeover Proposal would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law.

(c) As promptly as reasonably practicable after the receipt, directly or indirectly, by Parent of any Parent Takeover Proposal or any proposal, offer or inquiry with respect to, or that would reasonably be expected to lead to, any Parent Takeover Proposal, and in any case within 24 hours after the receipt thereof, Parent shall provide oral and written notice to the Company of (i) such Parent Takeover Proposal, proposal, offer or inquiry, (ii) the identity of the Person making any such Parent Takeover Proposal, proposal, offer or inquiry and (iii) the economic and other material terms and conditions of any such Parent Takeover Proposal, proposal, offer or inquiry (including an unredacted copy of all written materials provided by such Person to Parent in connection with such Parent Takeover Proposal, proposal, offer or inquiry and any amendments or modifications thereto). Parent shall promptly (and in any event within 24 hours) keep the Company reasonably informed of any material developments with respect to any such Parent Takeover Proposal, proposal, offer or inquiry (including any material changes thereto and copies of any additional written materials received by Parent, the Parent Subsidiaries or their respective Representatives from the Person that submitted such Parent Takeover Proposal or such proposal, offer or inquiry or such Person's Representatives).

(d) Except as provided in this Section 7.19(d), neither the Board of Directors of Parent nor any committee thereof shall, directly or indirectly, effect a Parent Change in Recommendation. Notwithstanding the foregoing, at any time prior to receipt of the Parent Stockholder Approval, the Board of Directors of Parent may, in response to a Parent Superior Proposal (that has not been withdrawn) or a Parent Intervening Event, effect a Parent Change in Recommendation; provided that the Board of Directors of Parent determines in good faith (after consultation with its outside legal counsel and a financial advisor of nationally recognized reputation) that the failure to do so would be inconsistent with its fiduciary duties under applicable Law; provided, further, that the Board of Directors of Parent may not effect such a Parent Change in Recommendation unless:

(i) the Board of Directors of Parent shall have first provided four Business Days' prior written notice to the Company that it is prepared to effect a Parent Change in Recommendation in response to a Parent Superior Proposal or a Parent Intervening Event (it being understood that the delivery of such notice shall not in and of itself constitute a Parent Change in Recommendation), which notice shall (A) in the case of a Parent Superior Proposal, include the material terms and conditions of the Parent Superior Proposal that is the basis of the proposed action of the Board of Directors of Parent (including the identity of the Person making such Parent Superior Proposal and a written summary of any material terms and conditions communicated orally), and shall attach the most current unredacted version of the relevant Parent Alternative Acquisition Agreement (if any) with the Person making such Parent Superior Proposal and unredacted copies of any other documents evidencing or specifying any other terms and conditions of

such Parent Takeover Proposal received from, or provided by, the Person making such Parent Superior Proposal and (B) in the case of a Parent Intervening Event, state in reasonable detail the material facts underlying, and the rationale and basis for, the determination that a Parent Intervening Event has occurred (it being understood and agreed that an amendment to the material terms of such Parent Superior Proposal or a material change to the facts and circumstances that are the basis for such Parent Intervening Event shall require an updated notice and a new three Business Day period pursuant to this clause (i), during which period Parent shall be required to comply with this Section 7.19(d) anew with respect to such additional notice);

(ii) during such four Business Day period, Parent and its Representatives, to the extent reasonably requested by the Company, engaged in good faith negotiations with the Company to amend this Agreement in such a manner (A) in the case of a Parent Superior Proposal, that the Parent Takeover Proposal ceases to constitute a Parent Superior Proposal or (B) in the case of a Parent Intervening Event, to obviate the need to effect a Parent Change in Recommendation; and

(iii) after taking into account any revised terms offered in writing by the Company, the Board of Directors of Parent determines in good faith (A) in the case of a Parent Superior Proposal, after consultation with its legal counsel and financial advisor, that such Parent Takeover Proposal continues to constitute a Parent Superior Proposal and (B) in the case of a Parent Superior Proposal or a Parent Intervening Event, after consultation with its outside legal counsel, that the failure to make a Parent Change in Recommendation would continue to be inconsistent with its fiduciary duties under applicable Law.

(e) Nothing contained in this Section 7.19 shall prohibit Parent from complying with Rule 14d-9, Rule 14e-2 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act in respect of any Parent Takeover Proposal or making any disclosure to the stockholders of Parent if the Board of Directors of Parent determines in good faith (after consultation with its outside legal counsel) that the failure to make such disclosure would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law; provided, however, that any such action taken or statement made that relates to a Parent Takeover Proposal shall not be deemed to be a Parent Change in Recommendation if the Board of Directors of Parent reaffirms the Parent Recommendation in such statement or in connection with such action; provided, further, that neither the Board of Directors of Parent nor any committee thereof shall, except as expressly permitted by Section 7.19(d) (Parent No Solicitation), effect a Parent Change in Recommendation.

(f) For purposes of this Agreement:

(i) "Parent Intervening Event" means a Change that is material to Parent and the Parent Subsidiaries, taken as a whole, which was not known by, or if known, the effect of which was not reasonably foreseeable by, the Board of Directors of Parent as of or prior to the date hereof (which Change does not relate to a Parent Takeover Proposal), and which becomes known to the Board of Directors of Parent prior to the Parent Stockholder Approval; provided, however that none of the following shall constitute, be deemed to contribute to or otherwise be taken into account in determining whether there has been a Parent Intervening Event: (A) any changes in the market price or trading volume of Company Common Stock or Parent Common Stock, in and of itself; (B) the fact that, in and of itself, Parent or any of the Parent Subsidiaries exceeds any internal or published projections, forecasts, estimates or predictions in respect of revenues, earnings or other financial or operating metrics for any period ending after the date of this Agreement (it being understood that the underlying facts giving rise or contributing to events described in clauses (A) and (B) may be taken into account in determining whether there has been a Parent Intervening Event if such facts are not otherwise excluded under this definition); (C) any regulatory or clinical Changes relating to any Parent Product (including (1) any regulatory actions, requests, recommendations or decisions of any Governmental Entity relating to any Parent Product or any other

regulatory or clinical development relating to any Parent Product, and (2) any clinical trials, studies, tests or results or announcements thereof with respect to any Parent Product); and (D) the research, development, testing, distribution, sale, supply, license, marketing, promotion, manufacturing or commercialization of any Parent Product.

(ii) “Parent Superior Proposal” means an unsolicited bona fide written Parent Takeover Proposal that was first received after the date hereof that (x) did not result from a breach of Section 7.19 and (y) the Board of Directors of Parent determines, in good faith, after consultation with its outside legal counsel and its financial advisor, (A) is reasonably likely to be consummated in accordance with its terms (if accepted), taking into account all legal, regulatory and financing aspects (including certainty of closing and, to the extent third party financing is required, that such financing is then fully committed on customary terms and conditions) of such Parent Takeover Proposal and the Person making the proposal and other aspects of the Parent Takeover Proposal that the Board of Directors of Parent deems relevant, and (B) if consummated, would result in a transaction more favorable from a financial point of view to the holders of Parent Common Stock (solely in their capacity as such) than the Transactions; provided, however, that, for the purposes of this definition of “Parent Superior Proposal,” the term “Parent Takeover Proposal” shall have the meaning assigned to such term herein, except that references to “15%” in such definition shall be deemed to be references to “50%”.

(iii) “Parent Takeover Proposal” means any inquiry, proposal or offer from any Person, other than the Company and the Company Subsidiaries, relating to any (A) direct or indirect acquisition (whether in a single transaction or a series of related transactions) of assets of Parent or any of the Parent Subsidiaries (including Securities of any Parent Subsidiaries) equal to 15% or more of the consolidated assets of Parent and the Parent Subsidiaries, or to which 15% or more of the revenues of Parent and the Parent Subsidiaries on a consolidated basis are attributable for the most recent fiscal year in which audited financial statements are then available, (B) direct or indirect acquisition from Parent or issuance (whether in a single transaction or a series of related transactions) of 15% or more of any class of equity or voting securities of Parent, (C) tender offer or exchange offer that, if consummated, would result in such Person Beneficially Owning 15% or more of any class of equity or voting securities of Parent, or (D) merger, consolidation, share exchange, business combination, joint venture, reorganization, recapitalization, liquidation, dissolution or similar transaction or series of related transactions involving Parent or any of the Parent Subsidiaries, under which (1) such Person would, directly or indirectly, acquire assets equal to 15% or more of the consolidated assets of Parent and the Parent Subsidiaries, or to which 15% or more of the revenues of Parent and the Parent Subsidiaries on a consolidated basis are attributable for the most recent fiscal year in which audited financial statements are then available, or (2) the stockholders or equityholders of such Person immediately after giving effect to such transaction(s) would Beneficially Own 15% or more of any class of equity or voting securities of Parent or the surviving or resulting entity in such transaction(s).

Section 7.20 Credit Facility. Upon the written notice from Parent to the Company (such notice to be delivered at least ten (10) Business Days prior to the Closing Date), the Company shall, and shall cause the Company Subsidiaries to, deliver all customary notices and take all other reasonably necessary actions to facilitate the termination on the Closing Date of all commitments in respect of the Credit Facility, the repayment in full on the Closing Date of all outstanding obligations in respect of the Indebtedness thereunder, and the release on the Closing Date of any Liens securing such Indebtedness and guarantees in connection therewith, in each case pursuant to the delivery to Parent at least three Business Days prior to the Closing of an executed payoff letter with respect to the Credit Facility (the “Payoff Letter”) in form and substance customary for transactions of this type, from the applicable agent on behalf of the persons to whom such Indebtedness is owed, which Payoff Letter together with any related release documentation shall, among other things, include the payoff amount and provide that Liens (and guarantees), if any, granted in connection with the Credit Facility relating to the assets, rights and properties of the Company or any of the Company Subsidiaries securing or relating to such Indebtedness, shall, upon the payment of the amount

set forth in the applicable Payoff Letter at or prior to the Effective Time, be released and terminated. The obligations of the Company pursuant to this Section 7.20 shall be subject to Parent or Merger Sub providing or causing to be provided all funds required to effect all such repayments at or prior to the Effective Time; provided that, no such repayment shall be required to be made prior to the Effective Time.

(b) by either Parent or the Company, if:

(i) Outside Date. The Merger shall not have been consummated by July 1, 2020 (the “Outside Date”);

(ii) Restraint. Any Restraint (other than a temporary restraining order, preliminary injunction or similar non-permanent Order) having any of the effects set forth in Section 8.1(d) (No Injunctions or Restraints; Illegality) shall be in effect and shall have become final and non-appealable;

(iii) No Company Stockholder Approval. The Company Stockholder Approval shall not have been obtained at the Company Stockholders Meeting or any adjournments or postponements thereof; or

(iv) No Parent Stockholder Approval. The Parent Stockholder Approval shall not have been obtained at the Parent Stockholders Meeting or any adjournments or postponements thereof;

provided, however, that the right to terminate this Agreement pursuant to this Section 9.1(b) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the primary cause of, or directly resulted in, the failure of any such condition;

(c) by Parent, if:

(i) Breach by the Company. The Company shall have breached or failed to perform any of its representations, warranties or covenants contained in this Agreement, which breach or failure to perform (A) is incapable of being cured by the Company prior to the Outside Date or is not cured by the earlier of (x) 30 days following written notice to the Company by Parent of such breach or (y) the Outside Date and (B) would result in a failure of any condition set forth in Section 8.2(a) (Representations and Warranties) or Section 8.2(b) (Performance of Obligations of the Company); provided, that neither Parent nor Merger Sub is then in breach of this Agreement so as to cause any failure of any condition set forth in Section 8.3(a) (Representations and Warranties) or Section 8.3(b) (Performance of Obligations of Parent and Merger Sub);

(ii) Violation of No Solicitation. The Company or any of the Company Subsidiaries or their respective Representatives shall have Willfully Breached any of their respective obligations under Section 7.5 (Company No Solicitation); or

its Affiliates or its Representatives), fail to recommend against such Takeover Proposal or fail to reaffirm the Company Recommendation on or prior to the earlier of (I) 10 Business Days after such Takeover Proposal shall have been publicly announced or disclosed and (II) five Business Days prior to the Company Stockholders Meeting; provided, that Parent shall not have the right to terminate this Agreement pursuant to Section 9.1(c)(iii)(A), (B) or (D) if the Company Stockholder Approval has been obtained; or

(d) by the Company, if:

(i) Breach by Parent. Parent or Merger Sub shall have breached or failed to perform any of its representations, warranties or covenants contained in this Agreement, which breach or failure to perform (A) is incapable of being cured by Parent or Merger Sub prior to the Outside Date or is not cured by the earlier of (x) 30 days following written notice to Parent or Merger Sub by the Company of such breach or (y) the Outside Date and (B) would result in a failure of any condition set forth in Section 8.3(a) (Representations and Warranties) or Section 8.3(b) (Performance of Obligations of Parent and Merger Sub); provided, that the Company is not then in breach of this Agreement so as to cause any failure of any condition set forth in Section 8.2(a) (Representations and Warranties) or Section 8.2(b) (Performance of Obligations of the Company);

(ii) Violation of Parent No Solicitation. Parent or any of the Parent Subsidiaries or their respective Representatives shall have Willfully Breached any of their respective obligations under Section 7.19 (Parent No Solicitation); or

The Board of Directors of Parent shall (A) fail to include the Parent Recommendation in the Joint Proxy Statement/Prospectus, (B) effect a Parent Change in Recommendation, (C) make any public recommendation in connection with a tender offer or exchange offer that is subject to Regulation 14D under the Exchange Act other than a recommendation in a Solicitation/Recommendation Statement on Schedule 14D-9 against such tender offer or exchange offer and other than a “stop, look and listen” notice of the type contemplated by Rule 14d-9(f) promulgated under the Exchange Act or (D) if a Parent Takeover Proposal (other than a Parent Takeover Proposal subject to Regulation 14D) shall have been publicly announced or disclosed (other than by the Company, its Affiliates or its Representatives), fail to recommend against such Parent Takeover Proposal or fail to reaffirm the Parent Recommendation on or prior to the earlier of (I) 10 Business Days after such Parent Takeover Proposal shall have been publicly announced or disclosed and (II) five Business Days prior to the Parent Stockholders Meeting; provided, that the Company shall not have the right to terminate this Agreement pursuant to Section 9.1(d)(iii)(A), (B) or (D) if the Parent Stockholder Approval has been obtained.

Section 9.2 Effect of Termination. In the event of any termination of this Agreement as provided in Section 9.1 (Termination), the obligations of the Parties hereunder shall terminate and there shall be no liability on the part of any Party with respect thereto, except for the confidentiality provisions of Section 7.3 (Access to Information; Confidentiality) and the provisions of this Section 9.2 (Effect of Termination), Section 9.3 (Termination Fees), Section 9.4 (Parent Expenses) and Article X (General Provisions), each of which shall remain in full force and effect; provided, however, that, subject to the final sentence of Section 9.3(c), no Party shall be relieved or released from any liability or damages arising from a Willful Breach of any provision of this Agreement; provided, further, that in the event of a Willful Breach of this Agreement by the Company (as finally determined by a court of competent jurisdiction), following any termination of this Agreement, unless the Company has previously paid the Company Termination Fee pursuant to Section 9.3(a), Parent shall be entitled to \$18,340,000 (the “Willful Breach Damages”). Each of the Parties acknowledges that the Willful Breach Damages are an integral part of this Agreement, and that the Willful Breach Damages are not a penalty, but rather is a reasonable amount that will compensate Parent and Merger Sub in the circumstances in which such payment is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, which amount would

otherwise be impossible to calculate with precision. In addition, if the Company fails to pay in a timely manner the Willful Breach Damages when due and payable pursuant to this Section 9.2 (Effect of Termination), then (i) the Company shall reimburse Parent and Merger Sub for all costs and expenses (including disbursements and fees of counsel) incurred in the collection of such overdue amount, including in connection with any related Proceedings commenced and (ii) the Company shall pay to Parent and Merger Sub interest on the unpaid Willful Breach Damages from and including the date payment of such amount was due to but excluding the date of actual payment at the prime rate set forth in The Wall Street Journal in effect on the date such payment was required to be made plus 2%. Notwithstanding anything to the contrary in this Agreement, upon payment of the Willful Breach Damages pursuant to this Section 9.2 (Effect of Termination), none of the Company, any of their respective former, current or future officers, directors, partners, stockholders, managers, members, Affiliates or agents shall have any further liability or obligation relating to or arising out of this Agreement or the Transactions. In the event that the Willful Breach Damages have been actually paid by the Company pursuant to this Section 9.2, no Company Termination Fee shall be payable at any time pursuant to Section 9.3(a)(ii).

Section 9.3 Termination Fees.

(a) If:

(i) this Agreement is terminated pursuant to (A) Section 9.1(c)(ii) (Violation of No Solicitation), (B) Section 9.1(c)(iii) (Failure to Recommend or Change in Recommendation) or (C) Section 9.1(b)(iii) (No Company Stockholder Approval) if Parent has the right to terminate this Agreement pursuant to (1) Section 9.1(c)(ii) (Violation of No Solicitation) or (2) Section 9.1(c)(iii) (Failure to Recommend or Change in Recommendation) at the time of such termination of this Agreement; or

(ii) (A) this Agreement is terminated pursuant to Section 9.1(b)(i) (Outside Date), Section 9.1(b)(iii) (No Company Stockholder Approval) or Section 9.1(c)(i) (Breach by the Company), (B) (1) in the case of a termination pursuant to Section 9.1(b)(i) (Outside Date) or Section 9.1(c)(i) (Breach by the Company), a Takeover Proposal shall have been made to the Board of Directors of the Company or become publicly known, and not withdrawn, prior to the date of such termination, or (2) in the case of a termination pursuant to Section 9.1(b)(iii) (No Company Stockholder Approval), a Takeover Proposal shall have been made to the Board of Directors of the Company or become publicly known, and not publicly withdrawn, prior to the date of the Company Stockholders Meeting, and (C) within 12 months of such termination, the Company enters into a definitive agreement with any third party to consummate, or consummates, a Takeover Proposal;

then the Company shall pay, or cause to be paid, to Parent, by wire transfer of immediately available funds, an amount equal to \$18,340,000 (the "Company Termination Fee") (x) in the case of termination pursuant to clause (i) above, within two Business Days of the date of termination and (y) in the case of termination pursuant to clause (ii) above, within two Business Days of the date of the first to occur of (I) the execution of a definitive agreement relating to a Takeover Proposal and (II) consummation of a transaction relating to a Takeover Proposal; provided that, solely for purposes of this Section 9.3(a), the term "Takeover Proposal" shall have the meaning ascribed thereto in Section 7.5(f) (Company No Solicitation), except that all references to 15% shall be changed to 50%.

(b) If:

(i) this Agreement is terminated pursuant to (A) Section 9.1(d)(ii) (Violation of Parent No Solicitation), (B) Section 9.1(d)(iii) (Parent Change in Recommendation) or (C) Section 9.1(b)(iv) (No Parent Stockholder Approval) if the Company has the right to terminate this Agreement pursuant to (i) Section 9.1(d)(ii) (Violation of Parent No Solicitation) or (2) Section 9.1(d)(iii) (Parent Change in Recommendation) at the time of such termination of this Agreement; or

(ii) (A) this Agreement is terminated pursuant to Section 9.1(b)(i) (Outside Date), Section 9.1(b)(iv) (No Parent Stockholder Approval) or Section 9.1(d)(i) (Breach by Parent), (B) (1) in the case of a termination pursuant to Section 9.1(b)(i) (Outside Date) or Section 9.1(d)(i) (Breach by Parent), a Parent Takeover Proposal shall have been made to the Board of Directors of Parent or become publicly known, and not withdrawn, prior to the date of such termination, or (2) in the case of a termination pursuant to Section 9.1(b)(iv) (No Parent Stockholder Approval), a Parent Takeover Proposal shall have been made to the Board of Directors of Parent or become publicly known, and not publicly withdrawn, prior to the date of the Parent Stockholders Meeting, and (C) within 12 months of such termination, Parent enters into a definitive agreement with any third party to consummate, or consummates, a Parent Takeover Proposal,

then Parent shall pay to the Company, by wire transfer of immediately available funds, an amount equal to \$18,340,000 (the "Parent Termination Fee") (x) in the case of termination pursuant to clause (i) above, within two Business Days of the date of termination and (y) in the case of termination pursuant to clause (ii) above, within two Business Days of the date of the first to occur of (I) the execution of a definitive agreement relating to a Parent Takeover Proposal and (II) consummation of a transaction relating to a Parent Takeover Proposal; provided that, solely for purposes of this Section 9.3(b), the term "Parent Takeover Proposal" shall have the meaning ascribed thereto in Section 7.19(f) (Parent No Solicitation), except that all references to 15% shall be changed to 50%.

(c) Each of the Parties acknowledges that the agreements contained in this Section 9.3 (Termination Fees) are an integral part of this Agreement, and that (i) the Company Termination Fee is not a penalty, but rather is a reasonable amount that will compensate Parent and Merger Sub in the circumstances in which such payment is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions and (ii) the Parent Termination Fee is not a penalty, but rather is a reasonable amount that will compensate the Company in the circumstances in which such payment is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, each of which amounts would otherwise be impossible to calculate with precision. In addition, if any Party fails to pay in a timely manner any amount due pursuant to Section 9.3(a) (Termination Fees) or Section 9.3(b) (Termination Fees), as applicable, then (i) such Party shall reimburse the other Party for all costs and expenses (including disbursements and fees of counsel) incurred in the collection of such overdue amount, including in connection with any related Proceedings commenced and (ii) such Party shall pay to the other Party interest on the amount payable pursuant to Section 9.3(a) (Termination Fees) or Section 9.3(b) (Termination Fees) from and including the date payment of such amount was due to but excluding the date of actual payment at the prime rate set forth in The Wall Street Journal in effect on the date such payment was required to be made plus 2%. Notwithstanding anything to the contrary in this Agreement, (A) upon payment of the Company Termination Fee pursuant to this Section 9.3 (Termination Fees), none of the Company, any of the Company Subsidiaries or any of their respective former, current or future officers, directors, partners, stockholders, managers, members, Affiliates or agents shall have any further liability or obligation relating to or arising out of this Agreement or the Transactions and (B) upon payment of the Parent Termination Fee pursuant to this Section 9.3 (Termination Fees), none of Parent, any of the Parent Subsidiaries or any of their respective former, current or future officers, directors, partners, shareholders, managers, members, Affiliates or agents shall have any further liability or obligation relating to or arising out of this Agreement or the Transactions.

Section 9.4 Expense Reimbursement.

(a) Unless Parent is entitled to the Company Termination Fee pursuant to Section 9.3(a)(i), if this Agreement is validly terminated pursuant to Section 9.1(b)(iii) (No Company Stockholder Approval), then the Company shall pay to Parent an amount equal to the Parent Expenses within two Business Days after such termination by wire transfer of immediately available funds to an account designated by Parent (the "Company Expense Reimbursement"). In the event that the Parent Expenses have been actually paid by the Company pursuant to this Section 9.4(a), upon subsequent payment of the Company Termination Fee pursuant to Section 9.3(a)(ii) or the Willful Breach Damages pursuant to Section 9.2, the amount of the Parent Expenses shall be credited towards the payment of the Company Termination Fee or the Willful Breach Damages, as applicable.

(b) Each of the Parties acknowledges that the agreements contained in this Section 9.4 (Expense Reimbursement) are an integral part of this Agreement, and that the Company Expense Reimbursement is not a penalty, but rather is a reasonable amount that will compensate Parent and Merger Sub in the circumstances in which such payment is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision. In addition, if the Company fails to pay in a timely manner any amount due pursuant to Section 9.4(a) (Expense Reimbursement), then (i) the Company shall reimburse Parent and Merger Sub for all costs and expenses (including disbursements and fees of counsel) incurred in the collection of such overdue amount, including in connection with any related Proceedings commenced and (ii) the Company shall pay to Parent and Merger Sub interest on the amount payable pursuant to Section 9.4(a) (Expense Reimbursement) from and including the date payment of such amount was due to but excluding the date of actual payment at the prime rate set forth in The Wall Street Journal in effect on the date such payment was required to be made plus 2%.

Section 10.3 Interpretation. When a reference is made in this Agreement to Sections, Exhibits or Schedules, such reference shall be to a Section of or Exhibit or Schedule to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation”. The words “made available” shall be deemed to mean that such information was included in the Company’s electronic data room or Parent’s electronic data room, as applicable, or was otherwise provided to the applicable Party (as demonstrated by reasonable documentation), prior to the execution and delivery of this Agreement. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement. The words “hereby,” “herein,” “hereof,” “hereunder” and words of similar import refer to this Agreement as a whole (including any Exhibits hereto and Schedules delivered herewith) and not merely to the specific section, paragraph or clause in which such word appears. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. Except as otherwise expressly provided herein, all references to “Dollars” or “\$” shall be deemed references to the lawful money of the United States of America. Any reference in this Agreement to a date or time shall be deemed to be such date or time in the City of New York, New York, U.S.A., unless otherwise specified. Any reference to a number of days shall refer to calendar days unless Business Days are specified. Any reference to “ordinary course of business” or any similar concept refers to the ordinary course of business of the Company and the Company Subsidiaries, taken as a whole, or of Parent and the Parent Subsidiaries, taken as a whole, in each case, consistent with past practices. References to any statute, rule or regulation are to the statute, rule or regulation as amended, modified, supplemented or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under said statutes) and to any section of any statute, rule or regulation including any successor to said section. All terms defined in this Agreement have the defined meanings when used in any certificate or other document made or delivered pursuant hereto, unless otherwise defined therein. When reference is made herein to a Person, such reference shall be deemed to include all direct and indirect Subsidiaries of such Person unless

otherwise indicated or the context otherwise requires. The terms “or”, “any” and “either” are not exclusive. The word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if”. The word “will” shall be construed to have the same meaning and effect as the word “shall”. Unless expressly indicated otherwise in this Agreement: (i) all references in this Agreement to “the date hereof” or “the date of this Agreement” shall refer to the Original Execution Date, (ii) the date on which the representations and warranties set forth in [Article IV](#) and [Article V](#) are made by the Company or Parent or Merger Sub shall not change as a result of the execution of this Agreement and shall be made as of such dates as they were in the Original Merger Agreement and (iii) each reference to “this Agreement” or “herein” in the representations and warranties set forth in [Article IV](#) and [Article V](#) shall refer to the Original Merger Agreement.

Section 10.4 Counterparts; Effectiveness. This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original but all of which shall constitute one and the same instrument. This Agreement shall become effective when each Party shall have received counterparts thereof signed and delivered by the other Parties. Signatures transmitted electronically shall be accepted as originals for all purposes of this Agreement.

Section 10.5 Entire Agreement; Third Party Beneficiaries. This Agreement (including the Exhibits and the Parties’ disclosure letters hereto), the CVR Agreement and the Confidentiality Agreement constitute the entire agreement, and supersede all prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof and thereof. This Agreement shall be binding upon and inure solely to the benefit of each Party, and nothing in this Agreement, express or implied, is intended to or shall confer upon any Person not a party to this Agreement any rights, benefits or remedies of any nature whatsoever, other than, after the Effective Time, (a) [Section 7.8](#) (Directors’ and Officers’ Indemnification and Insurance) (which is intended to be for the benefit of the Indemnified Persons covered thereby and may be enforced by such Indemnified Persons), (b) the right of holders of Company Common Stock to receive the Merger Consideration, (c) the right of the holders of Company Stock Options to receive such amounts as provided for in [Section 2.7](#) and (d) as set forth in [Section 2.9](#).

Section 10.6 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect. Notwithstanding the foregoing, upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the Transactions are consummated as originally contemplated to the greatest extent possible.

Section 10.7 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the Parties, in whole or in part (whether by operation of Law or otherwise), without the prior written consent of the other Parties, and any attempt to make any such assignment without such consent shall be null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and assigns.

Section 10.8 Amendment. This Agreement may be amended by the Parties, by action taken or authorized by their respective Boards of Directors, at any time before or after approval of the matters presented in connection with this Agreement by the stockholders of the Company or the stockholders of Parent, but, after such approval, no amendment shall be made which by Law or in accordance with the rules of any relevant stock exchange requires further approval by such stockholders without such further approval. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Parties.

Section 10.9 Extension; Waiver. At any time prior to the Effective Time, the Parties, by action taken or authorized by their respective Boards of Directors, may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other Parties, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto and (c) waive compliance with any of the agreements or, except as provided in Section 8.1(a) (Stockholder Approvals), conditions contained herein. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such Party. The failure of any Party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights.

Section 10.10 Governing Law and Venue; Waiver of Jury Trial.

(a) THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE WITHOUT REGARD TO ITS RULES OF CONFLICTS OF LAW THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY STATE OTHER THAN THE STATE OF DELAWARE. The Parties hereby irrevocably submit to the exclusive jurisdiction of the Court of Chancery of the State of Delaware, or, in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or Proceeding, the Superior Court of the State of Delaware (Complex Commercial Division) or, if the subject matter jurisdiction over the action or Proceeding is vested exclusively in the federal courts of the United States of America, the United States District Court for the District of Delaware in respect of all matters arising out of or relating to this Agreement the interpretation and enforcement of the provisions of this Agreement, and of the documents referred to in this Agreement, and in respect of the Transactions, and hereby waive, and agree not to assert, as a defense in any Proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such Proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the Parties irrevocably agree that all claims with respect to such action or Proceeding shall be heard and determined exclusively in such courts. The Parties hereby consent to and grant any such court jurisdiction over the person of such Parties solely for such purpose and over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or Proceeding in the manner provided in Section 10.2 (Notices) or in such other manner as may be permitted by Law shall be valid and sufficient service thereof.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.10(B).

Section 10.11 Enforcement. The Parties agree that irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or was otherwise breached. It is accordingly agreed that (a) the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions

hereof in any court of competent jurisdiction, this being in addition to any other remedy to which they are entitled at Law or in equity and (b) the right of specific enforcement is an integral part of the Transactions and without that right, neither the Company nor Parent would have entered into this Agreement. The Parties agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to Law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy or that the parties otherwise have an adequate remedy at Law. The Parties acknowledge and agree that any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.11 shall not be required to provide any bond or other security in connection with any such order or injunction.

W I T N E S S E T H :

WHEREAS, Progenics Pharmaceuticals, Inc., a Delaware corporation ("Progenics"), Lantheus and Plato Merger Sub, Inc., a Delaware corporation ("Merger Sub"), have entered into an Amended and Restated Agreement and Plan of Merger, dated as of February 20, 2020 (as it may be further amended from time to time, the "Merger Agreement"), pursuant to which Merger Sub will merge with and into Progenics (the "Merger"), with Progenics surviving the Merger as a wholly owned subsidiary of Lantheus; and

WHEREAS, pursuant to the Merger Agreement, and in accordance with the terms and conditions thereof, Lantheus has agreed to provide Holders (as defined below) one contractual contingent value right per share of Company Common Stock (the "CVR") that will entitle such Holders to receive up to two contingent cash payments upon the achievement of certain milestones as hereinafter described in accordance with the terms hereof and of the Merger Agreement.

NOW, THEREFORE, in consideration of the premises and the consummation of the transactions referred to above, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, it is mutually covenanted and agreed, for the proportionate benefit of all Holders (as defined below), as follows:

CONTINGENT VALUE RIGHTS

Section 2.01 Holders of CVRs; Appointment of Rights Agent.

(a) Pursuant to the terms of the Merger Agreement, each holder of any shares of Company Common Stock shall be entitled to one CVR for each such share.

(b) Pursuant to the terms of the Merger Agreement, each holder of a Vested In-the-Money Option shall be entitled to one CVR for each share of Company Common Stock subject to such option.

(c) Pursuant to the terms of the Merger Agreement, each holder of an Unvested In-the-Money Option shall be entitled to one unvested CVR for each share of Company Common Stock corresponding to such option, provided that such unvested CVR will be subject to vesting upon the same

time-vesting schedule that applied to the corresponding In-the-Money Option, provided, further, that if the holder of such unvested CVR is employed or in the service of Lantheus, the Surviving Corporation or one of their Subsidiaries on the date a payment is due under this Agreement, then such unvested CVR will be deemed vested on such date with respect to such payment. In the event that the employment or other service with Lantheus, the Surviving Corporation or one of their Subsidiaries of a holder of an unvested CVR is terminated prior to the vesting of the unvested CVR for any reason that would trigger the forfeiture of the corresponding Unvested In-the-Money Option, such unvested CVR will be forfeited without payment.

(d) Lantheus hereby appoints the Rights Agent to act as rights agent for Lantheus in accordance with the express terms and conditions set forth in this Agreement, and the Rights Agent hereby accepts such appointment.

Section 2.02 Nontransferable. CVRs may not be sold, assigned, transferred, pledged, encumbered or disposed of in any other manner, in whole or in part, other than pursuant to a Permitted Transfer. Any attempted sale, assignment, transfer, pledge, encumbrance or disposition of CVRs, in whole or in part, in violation of this Section 2.02 shall be void ab initio and of no effect.

Section 2.03 No Certificate; Registration; Registration of Transfer; Change of Address.

(a) CVRs shall not be evidenced by a certificate or other instrument.

(b) The Rights Agent shall keep a register (the "CVR Register") for the purposes of (i) identifying the Holders of CVRs and (ii) registering CVRs and Permitted Transfers thereof. The CVR Register will initially show one position for Cede & Co. representing all of the CVRs issued to the former holders of Company Common Stock held by DTC on behalf of the former street holders of Company Common Stock.

(c) Without limiting the restriction on transferability set forth in Section 2.02, every request made to transfer a CVR must be in writing and accompanied by a written instrument of transfer and other requested documentation in a form reasonably satisfactory to the Rights Agent, duly executed by the registered Holder or Holders thereof, or by the duly appointed legal representative, personal representative or survivor of such Holder or Holders, setting forth in reasonable detail the circumstances relating to the transfer demonstrating that such proposed transfer is a Permitted Transfer. Upon receipt of such written notice, the Rights Agent shall notify Lantheus that it has received such written notice. Upon receipt of such notice from the Rights Agent, Lantheus shall in good faith reasonably determine whether the transfer is a Permitted Transfer and otherwise complies with the other terms and conditions of this Agreement, and if Lantheus so reasonably determines that such transfer does so comply, Lantheus shall instruct the Rights Agent in writing to register the transfer of the applicable CVRs in the CVR Register. All duly transferred CVRs registered in the CVR Register shall be the valid obligations of Lantheus, evidencing the same right, and entitling the transferee to the same benefits and rights under this Agreement, as those held by the transferor. No transfer of a CVR shall be valid until registered in the CVR Register in accordance with this Agreement. Any transfer or assignment of CVRs shall be without charge (other than the cost of any stamp, documentary, transfer Tax or similar Tax or charge) to the applicable Holder. Lantheus and the Rights Agent may require the Holder proposing to make a Permitted Transfer to pay a sum sufficient to cover any stamp, documentary, transfer or other similar Tax or charge that is imposed in connection with any such registration of transfer.

(d) A Holder may make a written request to the Rights Agent to change such Holder's address of record in the CVR Register. Such written request must be duly executed by such Holder. Upon receipt of such written request, the Rights Agent shall promptly record the change of address in the CVR Register.

Section 2.04 Payment Procedures.

(a) Payments to Rights Agent. On each Net Sales Payment Date, Lantheus shall pay to the Rights Agent, by wire transfer to the account designated by the Rights Agent, an amount in U.S. Dollars comprising the Net Sales Payment due, if any, in respect of the Net Sales Measuring Period ended immediately preceding such Net Sales Payment Date. No later than seven (7) calendar days after the applicable Net Sales Payment Date, the Rights Agent will then distribute the Net Sales Payment to the Holders, pro rata, based on the number of CVRs held by each Holder as of such date, by distributing the applicable amount to each Holder in accordance with Section 2.04(b), in accordance with instructions solicited by the Rights Agent from, and provided by, the respective Holders. Except as set forth in Section 4.03 of this Agreement, following delivery of such Net Sales Payment to the Rights Agent, Lantheus will have no further liability or obligation to any Person with respect thereto.

(b) Payments to Holders. With respect to any Net Sales Payment that is payable pursuant to this Agreement, the Rights Agent shall pay the applicable amount to each of the Holders (the amount to which each Holder is entitled to receive will be based on the number of CVRs held by each Holder as of such Net Sales Payment Date) by (i) check mailed to the address of each Holder as reflected on the CVR Register as of the close of business on the last Business Day prior to such payment date or (ii) with respect to Holders that are due amounts equal to or in excess of One Million Dollars (\$1,000,000) in the aggregate who have provided Lantheus with wire transfer instructions in writing, the Rights Agent will make payments by wire transfer of immediately available funds to the account specified in the written instructions of Lantheus. Lantheus shall cause the Rights Agent, on behalf of and at the expense of Lantheus, to mail with (or, in the case of payments made to Holders who have provided Lantheus with wire instructions, at the same time as) each payment made, a copy of the Net Sales Statement to which such payment relates. Notwithstanding the foregoing, with respect to any Net Sales Payment that is payable to Holders of CVRs granted with respect to Vested In-the-Money Options and Unvested In-the-Money Options pursuant to Section 2.01(b) and (c) hereof, the Rights Agent shall pay the applicable amount to Progenics or Lantheus, as applicable, and Lantheus shall pay or cause Progenics to pay each such Holder the applicable amount through the Progenics or Lantheus payroll system, as applicable (subject to any applicable Tax withholding).

(c) Withholdings. Lantheus, Progenics and the Rights Agent (and any of their respective representatives) shall be entitled to deduct and withhold, or cause to be deducted or withheld, from any amounts otherwise payable pursuant to this Agreement, such amounts as it is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the "Code"), Treasury Regulations promulgated thereunder, or any provision of United States state, local or foreign Tax Law. To the extent that such amounts are so withheld and paid over to or deposited with the relevant governmental entity, such amounts shall be treated for all purposes of this Agreement as having been paid to the Holder in respect of which such deduction, withholding and payment was made. Lantheus, Progenics and the Rights Agent (and their respective representatives) will use commercially reasonable efforts to request any necessary Tax forms, including a U.S. Internal Revenue Service Form W-2, W-9 or the appropriate series of U.S. Internal Revenue Service Form W-8, as applicable, or any similar information from persons entitled to payment pursuant to this Agreement and such persons shall promptly provide such documents or information upon request.

(d) Investment of Funds. The Rights Agent shall hold any cash held by it for payment to the Holders in a custodial account, non-interest bearing account or otherwise, as reasonably directed by Lantheus in writing. Solely to the extent directed by Lantheus to be invested in an interest bearing accounting or otherwise, any interest and other income resulting from such investment shall be treated as earned by Lantheus for income Tax purposes and shall promptly be paid to Lantheus or an Affiliate of Lantheus, as directed by Lantheus in writing (subject to any applicable Tax withholding). The Rights Agent shall comply with all its information reporting obligations as required by applicable Law, including but not limited to the filing of all applicable U.S. Internal Revenue Service forms. Notwithstanding anything to the contrary herein, Lantheus shall be responsible for providing the Rights Agent with sufficient funds to satisfy its payment obligations to the Holders.

(e) **Treatment of Undistributed Funds or Shares.** Any amount that remains undistributed to the Holders of CVRs twelve (12) months after such payment is due in accordance with the terms of this Agreement shall be delivered to Lantheus within two (2) Business Days following expiration of such twelve (12) month period, and shall be held in trust by Lantheus in a segregated account for the benefit of the Holders. Any Holders of CVRs who have not theretofore received payment with respect to such CVRs shall thereafter look only to Lantheus for payment of their claim therefor (subject to abandoned property, escheat or similar Laws). Neither Lantheus nor the Rights Agent will be liable to any person in respect of any Net Sales Payment or portion thereof delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. If, despite Lantheus' and/or the Rights Agent's commercially reasonable efforts to deliver a Net Sales Payment to a Holder, any portion of the amount provided by Lantheus to the Rights Agent remains unclaimed prior to such time as such amounts would otherwise escheat to, or become property of, any governmental entity, such amount shall, immediately prior to such time, to the extent permitted by Law, become the property of Lantheus free and clear of any claims or interest of any Person previously entitled thereto.

(f) **Books and Records; Inspection.** Lantheus shall, and shall cause its subsidiaries to, keep true, complete and accurate records in sufficient detail to enable the Acting Holders' professional advisors who sign a confidentiality agreement in form reasonably acceptable to Lantheus to determine the amounts payable hereunder. The Rights Agent shall keep copies of this Agreement available for inspection by the Holders during normal business hours at its office. Lantheus shall supply the Rights Agent from time to time with such numbers of copies of this Agreement as the Rights Agent may request.

(g) **Maximum Aggregate Cash Payment.** Notwithstanding anything to the contrary contained in this Agreement, the Merger Agreement or otherwise, in no event shall the sum of (i) the aggregate amount of payments paid or payable pursuant to this Agreement (including any interest on such amounts paid or payable to the Rights Agent or any Holders under this Agreement) and (ii) the amount of any other cash or the fair market value of any property (other than the Parent Common Stock or the CVRs) paid or payable to the Company stockholders as consideration pursuant to the Merger Agreement (A) exceed 19.9% of the aggregate amount of consideration paid or payable to the Company stockholders in the Merger or (B) constitute an amount the payment of which, in the opinion of nationally recognized tax counsel, would more likely than not prevent the Merger from satisfying the requirement of Section 368(a)(2)(E)(ii) of the Code.

Section 2.05 No Voting, Dividends or Interest; No Equity or Ownership Interest.

(a) CVRs shall not have any voting or dividend rights, and, except as set forth in Section 4.03 of this Agreement, interest shall not accrue on any amounts payable in respect of CVRs.

(b) CVRs shall not represent any equity or ownership interest in Lantheus, any constituent company to the Merger or any of their respective Affiliates.

Section 2.06 Ability to Abandon CVRs. A Holder may at any time, at such Holder's option, abandon all of such Holder's remaining rights in a CVR by transferring such CVR to Lantheus without consideration therefor. Nothing in this Agreement shall prohibit Lantheus or any of its Affiliates from offering to acquire or acquiring any CVRs for consideration from the Holders, in private transactions or otherwise, in its sole discretion. Any CVRs acquired by Lantheus or any of its Affiliates shall be automatically deemed extinguished and no longer outstanding for purposes of the definition of Acting Holders, Article V and Section 6.04.

ARTICLE III

THE RIGHTS AGENT

Section 3.01 Certain Duties and Responsibilities of the Rights Agent.

(a) The Rights Agent shall not have any liability for any actions taken or not taken in connection with this Agreement, except to the extent such liability arises as a result of the willful misconduct, bad faith or gross negligence of the Rights Agent.

(b) The Acting Holders may direct the Rights Agent to act on behalf of the Holders in enforcing any of their rights hereunder. All rights of action of any or all Holders under this Agreement may be enforced by the Rights Agent, and any action, suit or proceeding instituted by the Rights Agent shall be brought in its name as the Rights Agent and any recovery in connection therewith shall be for the proportionate benefit of all the Holders, as their respective rights or interests may appear.

Section 3.02 Certain Rights of the Rights Agent.

(a) The Rights Agent undertakes to perform such duties and only such duties as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Rights Agent.

(b) The Rights Agent may rely and shall be protected in acting or refraining from acting upon any written resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties.

(c) Any permissive rights of the Rights Agent hereunder shall not be construed as a duty.

(d) The Rights Agent shall not be required to give any note or surety in respect of the execution of such powers or otherwise in respect of such powers.

(e) Lantheus agrees to indemnify the Rights Agent for, and to hold the Rights Agent harmless from and against, any loss, liability, damage or expense ("Loss") suffered or incurred by the Rights Agent and arising out of or in connection with the Rights Agent's performance of its obligations under this Agreement, including the reasonable costs and expenses of defending the Rights Agent against any third party claims, charges, demands, actions or suits arising out of or in connection with such performance, except to the extent such Loss shall have been determined by a court of competent jurisdiction to have resulted from the Rights Agent's gross negligence, bad faith or willful misconduct. Lantheus' obligations under this Section 3.02(e) to indemnify the Rights Agent shall survive the resignation or removal of any Rights Agent and the termination of this Agreement.

(f) In addition to the indemnification provided under Section 3.02(e), but without duplication, Lantheus agrees (i) to pay the fees of the Rights Agent in connection with the Rights Agent's performance of its obligations hereunder, as agreed upon in writing by the Rights Agent and Lantheus on or prior to the date of this Agreement, and (ii) to reimburse the Rights Agent promptly upon demand for all reasonable and documented out-of-pocket expenses, incurred by the Rights Agent in the performance of its obligations under this Agreement.

Section 3.03 Resignation and Removal; Appointment of Successor.

(a) The Rights Agent may resign at any time by giving written notice thereof to Lantheus and the Holders specifying a date when such resignation shall take effect, which notice shall be sent at least sixty (60) days prior to the date so specified.

(b) Lantheus, with the consent of Holders of not less than forty percent (40%) of the outstanding CVRs (such consent not to be unreasonably withheld, conditioned or delayed), shall have the right to remove the Rights Agent at any time by specifying a date when such removal shall take effect. Notice of such removal shall be given by Lantheus to the Rights Agent, which notice shall be sent at least sixty (60) days prior to the date so specified.

(c) If the Rights Agent shall resign, be removed or become incapable of acting, Lantheus shall promptly appoint a qualified successor Rights Agent that is a member of The Securities Transfer Association, Inc., which appointment shall require the consent of the Holders of not less than a majority of the outstanding CVRs (such consent not to be unreasonably withheld, conditioned or delayed). The successor Rights Agent so appointed shall, forthwith upon its acceptance of such appointment in accordance with this Section 3.03(c) and Section 3.04, become the Rights Agent for all purposes hereunder.

(d) Lantheus shall give notice of each resignation or removal of the Rights Agent and each appointment of a successor Rights Agent by mailing written notice of such event by first-class mail, postage prepaid, to the Holders as their names and addresses appear in the CVR Register. Each notice shall include the name and address of the successor Rights Agent. If Lantheus fails to send such notice within ten (10) Business Days after acceptance of appointment by a successor Rights Agent, the successor Rights Agent shall cause the notice to be mailed at the expense of Lantheus.

Section 3.04 Acceptance of Appointment by Successor. Every successor Rights Agent appointed hereunder shall, at or prior to such appointment, execute, acknowledge and deliver to Lantheus and to the retiring Rights Agent an instrument accepting such appointment and a counterpart of this Agreement, and thereupon such successor Rights Agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the Rights Agent; provided that upon the request of Lantheus or the successor Rights Agent, such resigning or removed Rights Agent shall execute and deliver an instrument transferring to such successor Rights Agent all the rights, powers and trusts of such resigning or removed Rights Agent.

ARTICLE IV

COVENANTS

Section 4.01 List of Holders. Lantheus shall furnish or cause to be furnished to the Rights Agent the names and addresses of the Holders within thirty (30) Business Days following the Effective Time. The CVRs shall, in the case of the holders of shares of Company Common Stock, be registered in the names and addresses of the holder as set forth in the applicable letter of transmittal accompanying the shares of Company Common Stock surrendered by the holder thereof in connection with the Merger pursuant to the Merger Agreement and in a denomination equal to the number of shares of Company Common Stock so surrendered.

Section 4.02 Net Sales Statement.

(a) Lantheus shall cause a Net Sales Statement in respect of each Net Sales Measuring Period to be delivered to the Rights Agent within thirty (30) days after the annual report on 10-K for the immediately preceding Net Sales Measuring Period is filed with the SEC.

(b) In the event that the Acting Holder(s) elect to challenge the accuracy of the Net Sales Statement, including the calculations or amount of the Net Sales Payment, the Acting Holder(s) may initiate the review procedure set forth in Section 4.03, provided that the Acting Holder(s) do so within sixty (60) days of Lantheus' delivery of the Net Sales Statement to the Rights Agent (the "Review Request Period"). If, upon the expiration of the Review Request Period, the Acting Holder(s) have not requested a review of the Net Sales Statement in accordance with this Section 4.02(b), the calculation of the Net Sales Payment as set forth in the Net Sales Statement shall be binding and conclusive upon the Holders, and Lantheus shall be released from any liability or accountability with respect to payments in excess of such Net Sales Payment.

Section 4.03 Independent Accountant Review. Upon the written request of the Acting Holder(s) delivered to Lantheus within the Review Request Period, Lantheus shall permit the Independent Accountant to have access upon reasonable notice and during normal business hours to such of the records of Lantheus and its Affiliates as is reasonably necessary to verify the accuracy of the Net Sales Statement and the figures underlying the calculation of Net Sales. The Independent Accountant shall be charged to come to a final determination with respect to those specific items in the Net Sales Statement that the parties disagree on and submit to the Independent Accountant for resolution. All other items in the Net Sales Statement that the parties do not submit, prior to the end of the Review Request Period, to the Independent Accountant for resolution shall be deemed to be agreed and the Independent Accountant shall not be charged with calculating or validating those agreed upon items. Each Person seeking to receive information from Lantheus or the Independent Accountant, as the case may be, in connection with an audit shall enter into, and shall cause its accounting firm to enter into, a reasonable and mutually satisfactory confidentiality agreement with Lantheus obligating such party to retain all such financial and other information disclosed to such party in confidence pursuant to such confidentiality agreement. In the event that the Independent Accountant provides any information to the Acting Holders, it will concurrently provide Lantheus with a copy of such information. No later than thirty (30) days following access to such records of Lantheus as are reasonably necessary to verify the accuracy of the Net Sales Statement and the figures underlying the calculation of Net Sales, the Independent Accountant shall deliver a written report to Lantheus and the Acting Holders of its preliminary findings regarding the applicable Net Sales Payment (the "Preliminary Statement"). Lantheus and the Acting Holders shall have thirty (30) days following receipt of the Preliminary Statement from the Independent Accountant (the "Preliminary Statement Review Period") to review and comment upon the Preliminary Statement. The Independent Accountant shall take into consideration in good faith any comments received from Lantheus or the Acting Holders during the Preliminary Statement Review Period. No later than ten (10) Business Days after the expiration of the Preliminary Statement Review Period, the Independent Accountant shall deliver a final written report to Lantheus and the Acting Holders (the "Final Statement"). If the Independent Accountant in the Final Statement concludes that the Holders are entitled to a Net Sales Payment in an amount greater than the Net Sales Payment set forth in the Net Sales Statement and paid to Holders (the difference being the "CVR Shortfall") (and such payment has not been made by Lantheus), then, subject to Section 2.04(g) no later than ten (10) Business Days following its receipt of the Final Statement, Lantheus shall deliver an amount in cash to the Rights Agent sufficient to pay to the Holders such CVR Shortfall, together with interest at the "prime rate" as published in the Wall Street Journal from time to time, from the date that the applicable Net Sales Payment was due. The Final Statement shall be final, conclusive and binding on Lantheus and the Holders, shall be nonappealable and shall not be subject to further review, absent manifest error. In the event that the Independent Accountant determines that the CVR Shortfall is more than seven and one-half percent (7.5%) of the applicable Net Sales Payment that was due, Lantheus will pay for the fees charged by the Independent Accountant; in the event that the Independent Accountant determines that the CVR Shortfall is equal to or less than seven and one-half percent (7.5%) of the Net Sales Payment that was due, the Holders will pay for the fees charged by the Independent Accountant, which amount shall be deducted from the Net Sales Payment for such Net Sales Measuring Period, any related CVR Shortfall, or any subsequent Net Sales Payment and such deducted amount shall not be paid to the Holders and shall be returned to Lantheus by the Rights Agent if such amount was previously transferred to the Rights Agent.

Section 4.04 Efforts. From and after the Effective Time until the earlier of (i) the end of the Second Net Sales Measuring Period and (ii) termination of this Agreement in accordance with Section 6.13, Lantheus shall use Diligent Efforts to (i) obtain FDA Approval for and commercially launch the PyL Product as soon as practicable and (ii) thereafter commercialize PyL Product in a manner that maximizes Net Sales.

Section 4.05 Assignment Transactions. Lantheus and its Affiliates shall not consummate any sale of assets, spin-off, split-off or exclusive licensing transaction, other than a Sale Transaction in accordance with Section 4.06, pursuant to which (a) any rights in or to PyL Product or other rights necessary for the development or commercialization of PyL Product in the United States or (b) all or substantially all of the assets used or held for use in connection with PyL Product in the United States, in each case (in respect of the foregoing (a) and (b)) are, directly or indirectly, disposed of, sold, exclusively licensed, assigned, conveyed, or transferred to or acquired by any Person other than Lantheus or any of Lantheus' direct or indirect wholly-owned subsidiaries (any such transaction, an "Assignment Transaction"), unless:

(a) such Person is assigned or exclusively licensed for any and all uses all rights and assets related to PyL Product that are necessary for obtaining FDA Approval and commercializing PyL Product in the United States;

(b) such Person expressly assumes in writing all of Lantheus' obligations, duties and covenants under this Agreement; and

(c) Lantheus has delivered to the Rights Agent an Officers' Certificate stating that such transaction complies with this Section 4.05 and all conditions precedent herein related to such transaction have been complied with.

An "Assignment Transaction" shall not include sales of PyL Product made by Lantheus or its Affiliates or ordinary course, non-exclusive licensing arrangements between Lantheus and its Affiliates, on the one hand, and third party licensees, distributors and contract manufacturers, on the other hand, entered into in the ordinary course of business for purposes of developing, manufacturing, distributing and selling PyL Product and for which the gross amounts invoiced for sales of PyL Product by the applicable third party licensee, distributor or contract manufacturer will be reflected in Net Sales of PyL Product in accordance with the terms of this Agreement.

Section 4.06 Consolidation, Merger, Sale or Conveyance.

(a) Lantheus will not merge or consolidate with or into any other Person or transfer, lease, sell or convey all or substantially all of its assets to any Person (a "Sale Transaction"), unless Lantheus shall deliver to the Rights Agent an Officers' Certificate, stating that such Sale Transaction complies with this Section 4.06.

(b) Upon any Sale Transaction, the successor Person shall succeed to, and be substituted for, and may exercise every right and power of, and shall assume all of the obligations of Lantheus under this Agreement with the same effect as if such successor Person had been named as Lantheus herein.

ARTICLE V

AMENDMENTS

Section 5.01 Amendments Without Consent of Holders or Rights Agent.

(a) Lantheus, at any time or from time to time, may unilaterally enter into one or more amendments hereto for any of the following purposes, without the consent of any of the Holders or the Rights Agent, so long as such amendments do not, individually or in the aggregate, adversely affect the interests of the Holders:

(i) to evidence the appointment of another Person as a successor Rights Agent and the assumption by any successor Rights Agent of the covenants and obligations of the Rights Agent herein in accordance with the provisions hereof;

(ii) to add to the covenants of Lantheus such further covenants, restrictions, conditions or provisions as Lantheus shall determine to be for the protection of the Holders;

(iii) to cure any ambiguity, to correct or supplement any provision herein that may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Agreement;

(iv) as may be necessary or appropriate to ensure that CVRs are not subject to registration under the Securities Act or the Exchange Act; or

(v) any other amendment hereto which would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Agreement of any such Holder.

(b) Promptly after the execution by Lantheus of any amendment pursuant to the provisions of this Section 5.01, Lantheus shall mail (or cause the Rights Agent to mail) a notice thereof by first class mail to the Holders at their addresses as set forth on the CVR Register, setting forth in general terms the substance of such amendment.

Section 5.02 Amendments With Consent of Holders.

(a) In addition to any amendments to this Agreement that may be made by Lantheus without the consent of any Holder or the Rights Agent pursuant to Section 5.01, with the consent of the Holders of not less than a majority of the outstanding CVRs, whether evidenced in writing or taken at a meeting of the Holders, Lantheus and the Rights Agent may enter into one or more amendments hereto for the purpose of adding, eliminating or changing any provisions of this Agreement, even if such addition, elimination or change is adverse to the interests of the Holders; provided, however, that no amendment shall, without the unanimous consent of the Holders of all outstanding CVRs:

(i) modify in a manner adverse to the Holders (A) any provision contained herein with respect to the termination of this Agreement or the CVRs, (B) the time for, and amount of, any payment to be made to the Holders pursuant to this Agreement, or (C) otherwise modify any provision (including definitions) related to the Net Sales Payments;

(ii) reduce the number of CVRs, unless such reduction is made in connection with the rights exercised under Section 2.06 (Ability to Abandon CVRs); or

(iii) modify any provisions of this Section 5.02, except to increase the percentage of Holders from whom consent is required or to provide that certain provisions of this Agreement cannot be modified or waived without the consent of the Holder of each outstanding CVR affected thereby.

(b) Promptly after the execution by Lantheus and the Rights Agent of any amendment pursuant to the provisions of this Section 5.02 (but prior to the effectiveness of such amendment), Lantheus shall mail (or cause the Rights Agent to mail) a notice thereof by first class mail to the Holders at their addresses as set forth on the CVR Register, setting forth in general terms the substance of such amendment. Any amendment to this Agreement made pursuant to this Section 5.02 shall become effective fifteen (15) Business Days following the mailing of such notice.

Section 5.03 Amendments Affecting Rights Agent. The Rights Agent may, but is not obligated to, enter into any such amendment that affects the Rights Agent's own rights, powers, trusts, privileges, covenants or duties under this Agreement or otherwise.

Section 5.04 Effect of Amendments. Upon the execution of any amendment to this Agreement under this Article V, this Agreement shall be modified in accordance therewith, such amendment shall form a part of this Agreement for all purposes and every Holder shall be bound thereby.

All notices, requests and communications required to be given to the Holders shall be given (unless otherwise herein expressly provided) in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at his, her or its address set forth in the CVR Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to the Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders.

Section 6.03 Entire Agreement. This Agreement, together with the Merger Agreement, constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof and thereof.

Section 6.04 Successors and Assigns. Lantheus may assign any or all of its rights, interests and obligations hereunder to a Person (each such Person, an “Assignee”) (i) which is one of its Affiliates (that are wholly owned direct or indirect Subsidiaries of Lantheus); provided that Lantheus shall agree to remain liable for the performance by Lantheus of its obligations (including payments) hereunder, (ii) in connection with a transaction that constitutes an Assignment Transaction in accordance with Section 4.05 or (iii) in connection with a transaction that constitutes a Sale Transaction in accordance with Section 4.06. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the parties hereto and their respective successors and assigns. The Rights Agent may not assign this Agreement without Lantheus’ consent. Except as otherwise permitted herein, Lantheus may not assign this Agreement without the prior written consent of the Holders of not less than a majority of the outstanding CVRs. Any attempted assignment of this Agreement or any of such rights in violation of this Section 6.04 shall be void ab initio and of no effect.

Section 6.05 Benefits of Agreement. Nothing in this Agreement, express or implied, shall give to any Person (other than the parties hereto, the Holders and their permitted successors and assigns hereunder) any benefit or any legal or equitable right, remedy or claim under this Agreement or under any covenant or provision herein contained, all such covenants and provisions being for the sole benefit of the parties hereto, the Holders and their permitted successors and assigns. The Holders shall have no rights hereunder except as are expressly set forth herein.

Section 6.06 Governing Law. THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE WITHOUT REGARD TO ITS RULES OF CONFLICTS OF LAW THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY STATE OTHER THAN THE STATE OF DELAWARE.

Section 6.07 Consent to Jurisdiction; Service of Process; Venue. The parties hereby irrevocably submit to the exclusive jurisdiction of the Court of Chancery of the State of Delaware, or, in the event (but only in the event) that such court does not have subject matter jurisdiction over such action or Proceeding, the Superior Court of the State of Delaware (Complex Commercial Division) or, if the subject matter jurisdiction over the action or Proceeding is vested exclusively in the federal courts of the United States of America, the United States District Court for the District of Delaware in respect of all matters arising out of or relating to this Agreement the interpretation and enforcement of the provisions of this Agreement, and of the documents referred to in this Agreement, and in respect of the Transactions, and hereby waive, and agree not to assert, as a defense in any Proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such Proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties irrevocably agree that all claims with respect to such action or Proceeding shall be heard and determined exclusively in such courts. The parties hereby consent to and grant any such court jurisdiction over the person of such parties solely for such purpose and over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or Proceeding in the manner provided in Section 6.01 or in such other manner as may be permitted by Law shall be valid and sufficient service thereof.

Section 6.08 WAIVER OF JURY TRIAL. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 6.08.

Section 6.09 Further Assurances. Subject to the provisions of this Agreement, the parties hereto will, from time to time, do all acts and things and execute and deliver all such further documents and instruments, as the other parties hereto may reasonably require to effectively carry out or better evidence or perfect the full intent and meaning of this Agreement.

Section 6.10 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect, insofar as the foregoing can be accomplished without materially affecting the economic benefits anticipated by the parties to this Agreement. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the Transactions are fulfilled to the extent possible.

Section 6.11 Headings. The headings and table of contents contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 6.12 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

Section 6.13 Termination. This Agreement shall be terminated and of no force or effect, and the parties hereto shall have no liability hereunder (other than to the extent of any obligations which expressly survive or provide for performance following termination), upon the earlier of (i) payment of the Net Sales Payment for the Second Net Sales Measuring Period including any applicable CVR Shortfall in accordance with Section 4.03 hereof and (ii) the date that it is determined in accordance with the terms of this Agreement that no Net Sales Payment for the Second Net Sales Measuring Period is due and payable. For avoidance of doubt, if there has been a request for an audit pursuant to Section 4.03 prior to the expiration of the Review Request Period, this Agreement shall survive until such audit has been completed and any CVR Shortfall determined to be payable as a result of such audit, if applicable, has been paid.

Section 6.14 Legal Holidays. In the event that the day on which any Net Sales Payment is due shall not be a Business Day, then, notwithstanding any provision of this Agreement to the contrary, any payment required to be made in respect of the CVRs on or prior to such date need not be made on or prior to such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the last day on which such Net Sales Payment is due.
