Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

Appointment of New Director

On July 9, 2015, the Board of Directors (the “Board”) of Lantheus Holdings, Inc. (the “Company”) appointed James C. Clemmer to serve as a member of the Board, effective immediately.

Mr. Clemmer, age 50, is a seasoned industry executive with more than 25 years of operational, manufacturing, marketing, and business development experience with global healthcare product companies. He most recently served as President of the Medical Supplies segment at Covidien plc, directing strategic and day-to-day operations for global business divisions that collectively manufactured 23 different product categories. In addition, Mr. Clemmer managed global manufacturing, research and development, operational excellence, business development, and all other functions associated with the Medical Supplies business.

During his 15 year tenure at Covidien, Mr. Clemmer served as Group President of Kendall Healthcare and held several increasingly senior roles in marketing and general management within the SharpSafety and Critical Care divisions. Mr. Clemmer, who began his career in the medical device industry with Sage Products, Inc., joined Covidien as part of the Sage Products acquisition in 1999.

Mr. Clemmer is a graduate of the Massachusetts College of Liberal Arts. Mr. Clemmer currently serves as a trustee to the college.

Mr. Clemmer was appointed as a Class II director, with an initial term expiring at the Company’s 2017 annual meeting of stockholders. To accommodate the appointment of this new director, the Board increased the size of the Board from six directors to seven directors. The Board also appointed Mr. Clemmer as an independent member of the Audit Committee of the Board (the “Audit Committee”), effective immediately. To accommodate the appointment of this new Audit Committee member, David Burgstahler resigned from the Audit Committee.

Mr. Clemmer will receive the same cash and equity compensation, expense reimbursement and indemnification rights that the Company provides to its other non-employee members of the Board. Specifically, Mr. Clemmer will be compensated for his services as a director through Board fees of \$50,000 per calendar year (prorated for 2015), a one-time equity award at the time of his appointment as described below, the same annual equity awards granted to the Company’s other non-management directors commencing with fiscal year 2016 and reimbursement for out-of-pocket expenses incurred in connection with rendering such services for so long as he serves as a director. As a member of the Audit Committee, he will also receive an annual fee of \$10,000 (prorated for 2015).

As part of the compensation for his director services, Mr. Clemmer will receive a one-time equity grant consisting of: (i) stock options to purchase that number of underlying shares of the Company’s common stock having an aggregate value of \$50,000 (based on the closing sales price for a share of common stock on the Nasdaq on the trading day before the date of his appointment, or the “Grant Price”); and (ii) that number of shares of restricted common stock having an aggregate value of \$50,000 (based on the Grant Price), which will have an initial per share fair market value equal to the Grant Price. All of these grants will vest in three equal installments on the first three anniversaries of the grant date.

A copy of the Company’s press release, dated July 9, 2015, announcing the appointment of Mr. Clemmer to its Board of Directors and Audit Committee is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Lantheus Holdings Appoints New Member to its Board of Directors

N. Billerica, Mass., July 9, 2015 – Lantheus Holdings, Inc. (“Lantheus” or the “Company”) (NASDAQ: LNTH), parent company of Lantheus Medical Imaging, Inc. (“LMI”), a global leader in developing, manufacturing, selling and distributing innovative diagnostic imaging agents and products, today announced the appointment of James Clemmer as a member of its Board of Directors.

Mr. Clemmer is a seasoned industry executive with more than 25 years of operational, manufacturing, marketing, and business development experience with global healthcare product companies. He most recently served as President of the Medical Supplies segment at Covidien plc, directing strategic and day-to-day operations for global business divisions that collectively manufactured 23 different product categories. In addition, Mr. Clemmer managed global manufacturing, research and development, operational excellence, business development, and all other functions associated with the Medical Supplies business.

During his 15 year tenure at Covidien, Mr. Clemmer served as Group President of Kendall Healthcare and held several increasingly senior roles in marketing and general management within the SharpSafety and Critical Care divisions. Mr. Clemmer, who began his career in the medical device industry with Sage Products, Inc., joined Covidien as part of the Sage Products acquisition in 1999.

“We are pleased to welcome Jim to the Board of Directors and look forward to working with him to maximize value for patients, healthcare providers and shareholders,” said Jeff Bailey, President and Chief Executive Officer. “With commercial excellence and supply chain reliability as the backbone of the Company, we believe that Jim’s broad industry experience and deep functional expertise will be a tremendous asset to the Company as we continue to execute our corporate strategy.”

“I am delighted to be joining the Board of Lantheus Holdings at this exciting time in the Company’s development,” said Mr. Clemmer. “I look forward to working with the Lantheus team as we continue to build on our leadership position bringing innovative diagnostic medical imaging agents to healthcare providers to assist in patient-critical diagnosis of cardiovascular and other diseases.”

Mr. Clemmer is a graduate of the Massachusetts College of Liberal Arts. He currently serves as a trustee to the college.

About Lantheus Holdings, Inc. and Lantheus Medical Imaging, Inc.

Lantheus Holdings, Inc. is the parent company of Lantheus Medical Imaging, Inc. (“LMI”), which is a global leader in developing, manufacturing, selling and distributing innovative diagnostic imaging agents and products. LMI provides a broad portfolio of products, which are primarily used for the diagnosis of cardiovascular diseases. LMI’s key products include the echocardiography contrast agent DEFINITY® Vial for (Perflutren Lipid Microsphere) Injectable Suspension; TechnoLite® (Technetium Tc99m Generator), a technetium-based generator that provides the essential medical isotope used in nuclear medicine procedures; and Xenon (Xenon Xe 133 Gas), an inhaled radiopharmaceutical imaging agent used to evaluate pulmonary function and for imaging the lungs.

Lantheus has more than 500 employees worldwide with headquarters in North Billerica, Massachusetts, and offices in Puerto Rico, Canada and Australia. For more information, visit www.lantheus.com.
